### Linique B0CZLD3FF7

# Linique Full Size House Bed with Trundle and Storage Shelf User Manual

Model: B0CZLD3FF7 | Brand: Linique

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, care, and maintenance of your Linique Full Size House Bed with Trundle and Storage Shelf. Please read this manual thoroughly before beginning assembly or use to ensure safe and proper operation of your new bed.

Figure 1: Linique Full Size House Bed with Trundle and Storage Shelf, featuring a pitched roof design and integrated shelving.

The Linique House Bed is designed to provide a comfortable sleeping area and an imaginative play space for children. It features a unique pitched roof, a convenient pull-out trundle bed for guests, and integrated storage shelves for books and decor. Constructed from robust pinewood, this bed offers superior stability and durability.

## IMPORTANT SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury and ensure the longevity of your product:

- Always assemble the bed strictly according to the provided instructions to ensure maximum stability and structural integrity.
- Keep young children supervised around the trundle bed and the pitched roof area to prevent potential entrapment or falls.
- Exercise caution regarding sharp edges during the assembly process and during regular use. Inspect the bed periodically for any loose parts or damage.

- Do not exceed the maximum weight recommendation. The main bed has a weight capacity of 400 lbs. For the trundle bed, a general safety guideline is not to exceed 200 lbs.
- Ensure all screws and fasteners are tightened securely before use and re-tighten periodically.
- Do not allow children to jump on the bed or use it as a climbing structure, other than the intended playhouse design.
- Place the bed on a flat, level surface to prevent wobbling or instability.

## PACKAGE CONTENTS AND COMPONENTS

---

Before beginning assembly, verify that all parts listed in the assembly instructions are present and undamaged. While a detailed component list is provided with your product, key features include:

- **Pitched Roof Frame:** Forms the distinctive house shape.
- **Full Size Bed Frame:** The main sleeping platform.
- **Pull-out Trundle Bed:** A secondary bed on wheels, stored beneath the main bed.
- **Integrated Storage Shelves:** Located at the back of the bed for organization.
- **Wooden Slats:** Support for both the main bed and trundle mattress.
- **Hardware Pack:** All necessary screws, bolts, and tools for assembly.

## SETUP AND ASSEMBLY

Assembly of the Linique House Bed is designed to be straightforward. It is recommended that two adults perform the assembly. Please follow the step-by-step instructions provided in the separate assembly manual included with your packaging. Ensure you have ample space and all components before starting.

### Key Assembly Points:

- **Unpack Carefully:** Lay out all components on a soft, clean surface to prevent scratches.
- **Identify Parts:** Match each part to the diagrams in the assembly manual.
- **Secure Connections:** Tighten all bolts and screws firmly, but do not overtighten to avoid stripping.
- **Slats Installation:** Ensure all wooden slats are evenly spaced and securely fastened to provide proper mattress support.

- **Trundle Assembly:** Assemble the trundle bed frame and attach its wheels according to instructions for smooth operation.

SIZE: INCH

## Sturdy Construction

Platform Bed: 10 Wooden Slats

Trundle Bed: 7 Wooden Slats

Weight Capacity: 400LBS

No Box Spring Needed

Recommended Mattress Thickness: 6"

House Bed With Trundle

Figure 4: Illustration of the sturdy wooden slat system for both the main bed and the trundle, indicating no box spring is needed.

## OPERATING INSTRUCTIONS

### Using the Trundle Bed:

The trundle bed is designed for easy access and storage. To use, simply pull the trundle frame out from under the main bed. It is equipped with wheels for smooth movement. To store, push the trundle back into place until it is fully concealed under the main bed.

Figure 5: The trundle bed extended from beneath the main bed, ready for use.

### Utilizing Storage Shelves:

The integrated shelves at the back of the bed provide convenient storage for books, small toys, or decorative items. Ensure items placed on shelves are stable and do not pose a falling hazard.

### CARE AND MAINTENANCE

---

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the painted finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Avoid Moisture:** Keep the bed dry and away from excessive moisture to prevent wood damage or warping.
- **Sunlight Exposure:** Prolonged exposure to direct sunlight may cause the finish to fade over time.

### TROUBLESHOOTING

---

| Problem                              | Possible Cause                                  | Solution   |
|--------------------------------------|---|--|
| Bed feels wobbly or unstable.        | Loose hardware; uneven floor.                   | Ensure all bolts and screws are securely tightened. Move the bed to a level surface or use shims if necessary.     |
| Trundle bed does not slide smoothly. | Wheels are obstructed or dirty; uneven floor.   | Check for debris under the trundle wheels. Clean wheels if necessary. Ensure the floor surface is clear and level. |
| Squeaking noises.                    | Loose connections; friction between wood parts. | Re-tighten all hardware. Apply a small amount of furniture wax or silicone spray to friction points if needed.     |
