2. SETUP AND INITIAL USE

2.1 Unpacking

Your Lahome rug is shipped folded for convenience. Upon unboxing, the rug may have temporary creases. These typically flatten out naturally over time. The rug's design allows for it to lay flat quickly after unpacking.

Double the Fun

The stain-resistant and easy-to-clean rug can further enhance this feeling in a space where you can enjoy food and pleasure.

2.2 Crease Removal

To expedite the removal of creases, you can:

- **Reverse Roll:** Roll the rug in the opposite direction of the creases and leave it for at least 24 hours.
- **Heavy Objects:** Place heavy, flat objects on the affected areas for several hours.
- **Steam:** Lightly steam the back of the rug or use a damp towel/cloth over the creases and apply gentle pressure.

2.3 Placement

The Lahome rug is designed for indoor use and is suitable for various rooms due to its versatile nature and low-pile construction. Common placement areas include:

- Living Rooms
- Bedrooms
- Dining Rooms
- Nurseries and Kids' Playrooms
- Home Offices
- Entryways and Hallways
- Kitchens and Laundry Rooms

The rug features a TPE non-slip rubber backing to help prevent movement. Ensure the rug is placed on a clean, dry surface for optimal grip.

4. MAINTENANCE AND CARE

4.1 Daily Care

For routine cleaning, vacuuming is sufficient to remove dust and dirt. When vacuuming, move the vacuum continuously to avoid suction issues due to the rug's lightweight nature. For spills, wipe them up immediately with a clean cloth.

4.2 Machine Washing

For deep cleaning, your Lahome rug is machine washable. Follow these guidelines:

- Wash in cold water using a neutral detergent.
- Avoid using bleach.
- Tumble dry on low heat or air dry. The rug dries quickly.

5. TROUBLESHOOTING

5.1 Common Issues

- **Creases:** If creases persist after unpacking, refer to section 2.2 for removal methods.
- **Vacuuming Difficulty:** Due to the rug's lightweight and soft nature, some vacuums may suction too strongly. To mitigate this, ensure the vacuum is kept moving, or adjust suction settings if available. For edges, careful foot placement can help.

5.2 Safety Warnings

Caution:

- This rug may have temporary creases upon arrival that could pose a tripping hazard until fully flattened.
- Keep the rug away from open flames and high heat sources to prevent fire risk.
- While the rug has a non-slip backing, always ensure it is stable on your floor surface to prevent accidental slipping, especially in high-traffic areas.
