Arafuna HD125B

Arafuna 12.5-inch Car DVD Player HD125B Instruction Manual

Model: HD125B | Brand: Arafuna

1. INTRODUCTION

Thank you for purchasing the Arafuna 12.5-inch Car DVD Player. This manual provides essential information for the safe and efficient operation of your device. Please read it thoroughly before use and retain it for future reference.

2. SAFETY INFORMATION

- Do not expose the device to rain or moisture to prevent fire or electric shock.
- Avoid placing the device near heat sources such as radiators, heat registers, stoves, or other heat-producing appliances.
- Use only attachments/accessories specified by the manufacturer.
- Disconnect the device during lightning storms or when unused for long periods.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- Ensure proper ventilation around the device.

3. PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- 1 x Arafuna 12.5-inch Car DVD Player
- 1 x Car Charger
- 1 x Remote Control
- 1 x Headphone
- 1 x AV Cable
- 1 x RCA Cable
- 1 x Mounting Bracket

- 1 x User Manual

5. SETUP

5.1 Installing the Headrest Mount

1. **Install the Base:** Attach the mounting base to the headrest posts.
2. **Press and Push Up:** Secure the base by pressing and pushing it upwards until it locks into place.
3. **Insert Player:** Slide the DVD player onto the mounting bracket.
4. **Adjust Angle:** Press the button on the bracket to adjust the viewing angle (up to 135 degrees) as needed.

5.2 Power Connection

Connect the provided car charger to the player's power input and then to your vehicle's cigarette lighter socket. Ensure the connection is secure.

5.3 Connecting to External Devices

- **HDMI Input:** Use an HDMI cable (not included) to connect your smartphone, computer, Kindle Fire, TV Stick, PlayStation, Switch, Raspberry Pi, or Xbox to the player for screen mirroring. **Note:** Only supports HDMI input, not output. Your device must have an HDMI output function.
- **AV Synchronization:** Use the included AV cable to synchronize the same movie with another portable car DVD player.
- **RCA Output to TV:** Use the included RCA cable to connect the player to a television for a larger display.

6. OPERATING INSTRUCTIONS

6.1 Basic Playback (DVD/USB/SD)

1. **Insert Disc:** Gently insert a 12cm standard DVD disc into the suction-type optical drive with the label side facing the screen. The player will automatically draw in the disc.
2. **USB/SD Playback:** Insert a USB drive or SD card (up to 128GB, FAT32 format) into the respective slot. The player will detect the media and allow you to browse and play files.
3. **Power On:** Press the power button to turn on the device.
4. **Playback Controls:** Use the buttons on the player or the remote control to play, pause, stop, skip tracks, and adjust volume.

6.2 Dual Screen Mode

If you have two Arafuna 12.5-inch Car DVD Players, you can connect them using the AV cable to either:

- Watch the same movie on both screens simultaneously.
- Watch different movies on each screen independently.

Commandez-en deux pour obtenir un double bonheur

6.5 Remote Control

The included remote control allows for convenient operation of all player functions from a distance.

7. MEDIA COMPATIBILITY

The Arafuna Car DVD Player supports a wide range of media formats:

- **DVD Formats:** DVD, SVCD, VCD, CD±R, DVD±R, DVD±RW
- **Video Formats:** MPEG, MPG, TRP, VOB, FLV, MP4, RMVB, AVI, MOV, MKV, ASF, WM
- **Audio Formats:** MP3, WMA
- **Image Formats:** JPG, JPEG

Note: Only suitable for standard 12cm diameter discs.

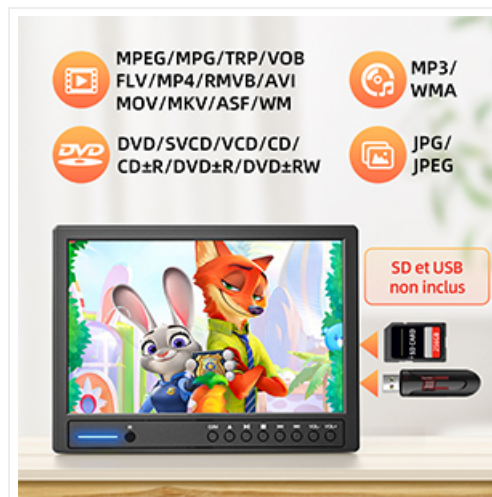

Image: Supported media formats and external storage options.

8. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the screen and exterior of the player. Do not use liquid cleaners or aerosols.
- **Disc Care:** Handle discs by their edges. Keep them clean and free of scratches to ensure optimal playback.
- **Storage:** When not in use, store the player in a cool, dry place away from direct sunlight and extreme temperatures.
- **Power Off:** Always power off the device properly before disconnecting it from the power source.

9. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Car charger not connected properly; vehicle's power outlet is faulty.	Check car charger connection; try another power outlet or vehicle.
Disc not playing	Disc is dirty, scratched, or incompatible format; disc inserted incorrectly.	Clean the disc; try a different disc; ensure disc is inserted label-side up.
No sound	Volume is too low or muted; headphones not connected properly.	Increase volume; check mute settings; ensure headphones are fully plugged in.
HDMI input not working	HDMI cable is faulty; external device does not have HDMI output; incorrect input source selected.	Try a different HDMI cable; ensure your external device supports HDMI output; select the correct input source on the player.
Remote control not working	Batteries are dead or inserted incorrectly; obstacle between remote and player.	Replace batteries; ensure clear line of sight to the player's IR receiver.
