1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your HOOBRO Bar Stools (Model BC01MD01). Please read this guide thoroughly before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

2. SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight limit of 265 pounds per stool.
- **Stability:** Always place the stool on a stable, level surface to prevent tipping.
- **Assembly:** Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- **Children:** Supervise children when they are using the bar stools.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 2 x Bar Stools
- 1 x Accessory Kit (includes all necessary hardware)
- 1 x Instructions (this manual)

4. SETUP & ASSEMBLY

Assembly of the HOOBRO Bar Stools is designed to be straightforward. Detailed and clear instructions are provided in the included assembly guide. All necessary hardware, including a hex key, is supplied in the accessory kit.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts according to the parts list in the separate assembly instructions.
3. Follow the step-by-step diagrams and instructions provided in the assembly guide to connect the frame components using the supplied hardware.
4. Attach the upholstered seat to the assembled frame, ensuring all screws are tightened securely.
5. Once assembled, ensure the stool is stable and all connections are firm before use.

Image: A detailed diagram illustrating the dimensions of the HOOBRO bar stool, including height, width, and depth, along with its 265 lb weight capacity.

5. OPERATING INSTRUCTIONS

The HOOBRO Bar Stools are designed for comfortable seating at counter height. Each stool features a thoughtful design for user comfort and stability.

- **Footrests:** The stools are equipped with footrests at varying heights (6.3" - 9.3") on different sides of the frame. This allows users to choose the most comfortable foot placement by rotating the stool.
- **Comfort:** The ergonomic upholstery with 1.38" sponge padding provides a comfortable seating experience.
- **Stability:** Four anti-slip pads are provided for each bar stool to protect your floor from scratches and ensure stability.

6. MAINTENANCE

Proper care will extend the life and appearance of your bar stools.

- **Cleaning:** The PU leather seat is water and stain resistant. To clean, gently wipe with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** Wipe the metal frame with a soft, dry cloth.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if any looseness is detected.

Anti-Slip Pads

4 anti-slip pads are offered to protect your floor or blanket.

7. TROUBLESHOOTING

If you encounter any issues with your HOOBRO Bar Stools, please refer to the following common solutions:

- **Wobbling:** If the stool wobbles, ensure all screws are fully tightened. Check that the stool is placed on a flat, even surface.
- **Difficulty Assembling:** Re-check the assembly instructions and ensure all parts are oriented correctly. Do not overtighten screws until all components are loosely fitted, then tighten them fully.
- For further assistance, please contact HOOBRO customer support.
