Bibilock Battle Hammer Building Blocks Instruction Manual

Model: 1056chuizi-01037 | Brand: Bibilock

Introduction

This manual provides detailed instructions for assembling and maintaining your Bibilock 975PCS Battle Hammer Building Blocks. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set is designed for individuals aged 6 years and up.

Safety Information

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Material Safety:** Made from non-toxic Acrylonitrile Butadiene Styrene (ABS) material.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger children.
- **Proper Use:** Use the building blocks as intended. Do not throw or misuse parts to avoid injury.

Package Contents

Your Bibilock Battle Hammer Building Blocks set includes:

- Approximately 975 building pieces.
- Instruction manual.
- Various components for the Battle Hammer and its display stand.

Note: Please check all bags and components against the parts list in the instruction manual to ensure all pieces are present before beginning assembly.

Setup and Assembly

Follow these steps to assemble your Battle Hammer building set. It is recommended to sort pieces by color and shape before starting.

Step 1: Unpacking and Sorting

Carefully open the packaging and lay out all the numbered bags. It is advisable to open one bag at a time as you progress through the instructions to avoid mixing pieces.

Step 2: Assembling the Hammer Head

Begin by constructing the main body of the hammer head. Pay close attention to the interlocking mechanisms to ensure a secure and stable structure. The unique design includes intricate patterns on the sides.

Image: A detailed view of the hammer head during assembly, highlighting the interlocking pieces and decorative elements.

Step 3: Constructing the Handle

Assemble the handle of the Battle Hammer, ensuring all segments are firmly connected. The handle features an orange and grey striped design with a chain at the end.

Step 4: Integrating the Mini Hammer

A small, hidden mini hammer is included within the main hammer's structure. Follow the instructions to correctly place this detail during assembly.

Step 5: Final Assembly and Display Stand

Attach the handle to the hammer head. Then, assemble the display stand, which includes translucent blue and pink lightning-like elements to create a dynamic pose for the hammer. Ensure all connections are secure for stability.

Assembly Tips

- **Piece Identification:** Small pieces are easy to assemble. Refer to the instruction manual for detailed diagrams.
- **Secure Connections:** Press pieces firmly together to ensure they stay securely in place, creating a durable and stable structure.

Operating and Display

Once assembled, the Bibilock Battle Hammer can be used for imaginative play or displayed as a collectible item. Its sturdy construction allows for handling, but avoid excessive force to prevent disassembly.

- **Display:** Place the assembled hammer on its stand in a prominent location. The stand is designed to showcase the hammer's unique features.
- **Play:** The hammer is suitable for role-playing and creative scenarios. Its durable ABS material ensures it can withstand regular play.

Maintenance

- **Cleaning:** To clean the building blocks, gently wipe them with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or loose pieces in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.
- **Disassembly:** If disassembling the model, do so carefully to avoid damaging the pieces. Store pieces in their original bags or similar containers to prevent loss.

Troubleshooting

If you encounter any issues during assembly or use, refer to the following common solutions:

- **Pieces Not Holding Together:** Ensure pieces are aligned correctly and pressed firmly until they click into place. Some connections may require more pressure. Refer to the specific step in the manual.
- **Missing Pieces:** Double-check all packaging and surrounding areas. If pieces are genuinely missing, contact customer support with your product model number and a description of the missing part.
- **Difficulty with Assembly:** Review the instruction diagrams carefully. Sometimes a small detail can be overlooked. Ensure you are using the correct pieces for each step.

Specifications

Feature	Detail
Model Number	1056chuizi-01037
Number of Pieces	975
Material Type	Acrylonitrile Butadiene Styrene (ABS)
Recommended Age	6 years and up
Assembly Required	Yes
Batteries Required	No
