Auilz NH315UP

Auilz Universal TV Remote Control NH315UP for Sanyo LCD LED HDTVs User Manual

Model: NH315UP

1. INTRODUCTION

This manual provides essential instructions for the proper use and maintenance of your Auilz Universal TV Remote Control, model NH315UP. This remote is designed for compatibility with various Sanyo LCD LED HDTV models, offering a direct replacement experience without complex programming.

2. SAFETY INFORMATION

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Ensure batteries are inserted with correct polarity (+ and -).
- Remove batteries if the remote control will not be used for an extended period.
- Keep the remote control away from moisture, heat, and direct sunlight.
- Do not attempt to disassemble or modify the remote control.

3. PACKAGE CONTENTS

Please check the package for the following items:

- 1 x Auilz Universal TV Remote Control (NH315UP)
- (Batteries are not included and must be purchased separately)

4. PRODUCT OVERVIEW

The NH315UP remote control features a standard layout for easy navigation and control of your Sanyo TV.

Image: Front and back view of the Auilz NH315UP Universal TV Remote Control. The front shows various buttons for power, numbers, volume, channel, menu, and navigation. The back shows a battery compartment cover and a warning label.

Button Functions:

Button	Function
POWER	Turns the TV on or off.
SOURCE	Selects input sources (HDMI, AV, etc.).
PIC/SOUND	Adjusts picture or sound settings.
MODE	Changes display modes.
CC	Activates or deactivates Closed Captions.
SLEEP	Sets the sleep timer.
PIX SHAPE	Adjusts picture aspect ratio.
0-9	Direct channel selection.
PREV.CH	Returns to the previous channel.
VOL +/-	Adjusts volume up or down.
MUTE	Mutes or unmutes the TV sound.
CH +/-	Changes channels up or down.
BACK	Returns to the previous screen or menu.
MENU	Opens the TV's main menu.
INFO	Displays program information.
Navigation Pad (Up/Down/Left/Right)	Navigates through menus and options.
OK	Confirms selections.

5. SETUP

5.1 Inserting Batteries

1. Open the battery compartment cover on the back of the remote control.
2. Insert two AAA batteries (not included), ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
3. Close the battery compartment cover securely.

5.2 Initial Use (No Programming Required)

The Auilz NH315UP remote control is pre-programmed for Sanyo LCD LED HDTVs. No manual programming or code entry is required for most compatible models. Simply insert the batteries, and the remote should function immediately with your Sanyo TV.

Premium Remote Control

Soft and Sensitive Button

- High Quality ABS Material
- Strongest Signal by Mature Infrared Technology

Image: The Auilz NH315UP remote control positioned in front of a modern television displaying various media content. Text overlays emphasize "Premium Remote Control" and "Soft and Sensitive Button," indicating ease of use and quality.

6. OPERATING INSTRUCTIONS

To operate your Sanyo TV with the NH315UP remote control:

1. Point the remote control directly at the infrared sensor on your Sanyo TV.
2. Press the desired button for the function you wish to perform (e.g., POWER to turn on/off, VOL +/- to adjust volume, CH +/- to change channels).
3. Ensure there are no obstructions between the remote control and the TV's sensor.

Long Distance Remote Control

Fast Speed, Precise Remote, Over 45 Feet

Image: An overhead view showing the Auilz NH315UP remote control positioned between a sofa with two people and a large wall-mounted TV. Blue concentric circles emanate from the remote towards the TV, visually representing its long-distance operational capability, stated as "Over 45 Feet."

Response Time and Signal:

The remote is designed for fast response, typically less than 0.2 seconds, and utilizes strong infrared technology for reliable signal transmission up to 15 meters (49 feet).

Precisely and Sensitive

0.2 Second Response Time, Over 15000 Clicks

Fast Response

Signal Stabilization

Sensitive Keystroke
