M MOLTO PISTAS BEAST WHEELS REQUIN

MOLTO Shark Car Track Instruction Manual

Model: PISTAS BEAST WHEELS REQUIN

1. PRODUCT OVERVIEW

The MOLTO Shark Car Track is designed for exciting play, allowing children to perform incredible stunts with a double looping track. This set includes a unique shark-themed launcher, a driver car, and various accessories to enhance the play experience. It promotes imagination, hand-eye coordination, cognitive skills, and social development.

2. SAFETY WARNINGS

This product is intended for children aged 24 months to 5 years. Adult supervision is recommended during play. No specific safety warnings are provided by the manufacturer beyond general toy safety guidelines.

- Keep small parts away from children under 3 years to prevent choking hazards.
- Do not modify the product in any way.
- Ensure all connections are secure before play to prevent track separation.

3. PACKAGE CONTENTS

The MOLTO Shark Car Track set includes 7 pieces for assembly and play. Please verify that all components listed below are present in your package:

- 1 x Shark-themed Launcher
- 1 x Driver Car
- 1 x Looping Track (360 degrees)
- Additional Track Pieces
- 5 x Accessories (e.g., trees, road signs)

4. SETUP INSTRUCTIONS

Assembly of the MOLTO Shark Car Track is required. Follow these steps for proper setup:

1. **Unpack Components:** Carefully remove all track pieces, the shark launcher, the car, and accessories from the packaging.
2. **Connect Track Sections:** Begin by connecting the straight track pieces to form the base of the track. Ensure the connectors snap firmly into place.
3. **Assemble Looping Track:** Attach the looping track sections according to the diagrams on the packaging or included instructions. The loop should be stable and upright.
4. **Attach Shark Launcher:** Connect the shark-themed launcher to the designated starting point of the track. Ensure the launching mechanism is free to move.
5. **Place Accessories:** Position the trees and road signs around the track as desired to create a play environment.
6. **Final Check:** Before play, gently lift the assembled track to ensure all connections are secure and the track is stable on a flat surface.

5. OPERATING INSTRUCTIONS

Operating the MOLTO Shark Car Track is simple and intuitive:

1. **Place the Car:** Position the driver car into the designated slot within the shark launcher. Ensure it is seated correctly.
2. **Prepare to Launch:** Pull back the lever or mechanism on the shark launcher. You may hear a click indicating it is ready.
3. **Launch the Car:** Release the lever to propel the car forward. The car will speed along the track, through the looping section, and potentially through the shark's mouth.
4. **Repeat Play:** Retrieve the car and repeat the launching process for continuous play.

Image 5.1: The car in action, passing through the shark's mouth.

6. MAINTENANCE

To ensure the longevity and cleanliness of your MOLTO Shark Car Track:

- **Cleaning:** Wipe down all plastic components with a damp cloth and mild soap if necessary. Do not immerse any parts in water.
- **Drying:** Ensure all parts are completely dry before storage or next use.
- **Storage:** Store the track and its components in a clean, dry place away from direct sunlight and extreme temperatures. Disassembling the track for storage can save space.

7. TROUBLESHOOTING

If you encounter any issues with your MOLTO Shark Car Track, consider the following:

- **Car Not Launching Properly:**
 - Ensure the car is correctly seated in the launcher.
 - Verify the launching mechanism is fully pulled back and released with sufficient force.
- **Car Not Completing the Loop:**
 - Check that all track connections, especially around the loop, are secure and aligned.
 - Ensure the car is launched with enough speed.

- Inspect the track for any obstructions or debris.

- **Track Sections Disconnecting:**

- Ensure all connectors are fully engaged.
- Play on a flat, stable surface to prevent track movement during use.

8. SPECIFICATIONS

Feature	Detail
Model Name	PISTAS BEAST WHEELS REQUIN
Product Dimensions (L x W x H)	107 x 11 x 28.5 cm
