2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 200 pounds on the desktop.
- **Assembly:** Ensure all components are securely fastened according to the assembly instructions. Loose parts can cause instability.
- **Stability:** Place the desk on a level surface to prevent tipping.
- **Children:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Proposition 65 Warning:** This product may expose you to chemicals known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

3. SETUP & ASSEMBLY

Assembly is required for this product. It is recommended that **two people** participate in the assembly process to ensure safety and ease of construction. While some tools may be included, additional standard household tools (e.g., screwdriver, hammer) might be necessary.

Package Contents:

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list in your packaging. Typical components include:

- Desktop with integrated drawer and open compartment
- Solid Rubberwood legs
- Assembly hardware (screws, dowels, cam locks, etc.)
- Instruction manual (this document)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Match each component with the parts list provided in your physical instruction

booklet.

3. **Attach Legs:** Securely attach the solid Rubberwood legs to the underside of the desktop using the provided hardware. Ensure they are tightened firmly but do not overtighten.
4. **Install Drawer:** If the drawer is not pre-assembled, follow the specific instructions for installing the full-extension ball-bearing slides and assembling the drawer box. Insert the assembled drawer into its designated slot.
5. **Final Check:** Once assembled, gently lift and move the desk to its desired location. Verify that all connections are secure and the desk is stable.

For detailed, step-by-step visual instructions, please refer to the assembly guide included in your product packaging.

4. OPERATING INSTRUCTIONS

The Bush Home Nora Writing Desk is designed for straightforward use in various settings.

Using the Storage Features:

- **Box Drawer:** The desk features a full-extension box drawer, ideal for storing writing utensils, small office supplies, and other personal items. Pull the drawer gently to open and push to close. The ball-bearing slides ensure smooth operation.
- **Open Compartment:** The open compartment is suitable for storing work-in-progress documents, books, or frequently used items that require easy access.

5. MAINTENANCE & CARE

Proper care will help maintain the appearance and longevity of your Bush Home Nora Writing Desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads under beverages and hot dishes. Keep the desk away from direct sunlight and excessive moisture.
- **Hardware:** Periodically check and tighten all assembly hardware to ensure the desk remains stable.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your writing desk.

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose hardware; uneven floor.	Check and tighten all screws and bolts. Ensure the desk is on a level surface. Use furniture glides or shims if necessary.
Drawer does not slide smoothly.	Obstruction in slides; misaligned drawer.	Remove the drawer and check the ball-bearing slides for any debris. Ensure the drawer is correctly aligned on the tracks.
Scratches or minor surface damage.	Accidental impact; abrasive cleaning.	For minor scratches, a wood repair marker or furniture polish matching the Natural Oak finish may be used. Always use soft cloths for cleaning.
