## Blue Wave NB19922

# Blue Wave San Pedro Above Ground Swimming Pool Instruction Manual

Model: NB19922

## PRODUCT OVERVIEW

The Blue Wave San Pedro 52-inch deep metal wall above-ground pool is designed for durability, stability, and long-lasting enjoyment. This complete package includes the pool structure, an overlap liner, a skimmer, a sand filter system, an A-frame safety ladder, and a maintenance kit. Its robust construction features 6-inch steel top rails and uprights, protected by a zinc-aluminum coating to resist rust. The resin top caps are designed to prevent discoloration and cracking from sun exposure, ensuring years of reliable use.

## SETUP AND INSTALLATION

The San Pedro pool is designed for easy DIY installation. Before beginning, ensure you have a level and stable area for the pool. Proper site preparation is crucial for the pool's longevity and safety. The pool measures 18-ft round and 52-in deep, with a capacity of approximately 7,200 gallons.

### Key Structural Components:

- **6-inch Galvanized Steel Top Rails and Uprights:** Provide superior stability and strength.
- **Zinc-Aluminum Protective Coating:** Shields all metal components from rust.
- **Resin Top Caps:** Resist discoloration and cracking due to UV exposure.
- **Heavy-Duty Overlap Liner:** Standard gauge liner for water containment.

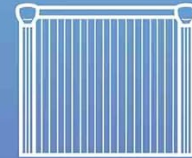

**52" DEEP**  
**18-FT ROUND**

**6" STEEL**  
TOP RAILS  
& UPRIGHTS

**WATER CAP.**  
6,000 gal.

**STEEL**  
HARD SIDE  
WALLS

**100% STEEL PARTS COATED IN ZINC & ALUMINUM  
FOR CORROSION PREVENTION**

Image: An overview of the San Pedro pool highlighting its 52-inch depth, 18-ft round shape, 6-inch steel top rails and uprights, and steel hard side walls, all coated in zinc and aluminum for corrosion prevention.

Image: Close-up details of the pool's construction, illustrating reinforced steel uprights, UV-inhibitor resin top caps, and 6-inch top rails for maximum stability.

### **Safety Ladder Assembly:**

The included heavy-duty resin A-frame ladder is designed for safe entry and exit. It supports up to 250 lbs and features a locking, flip-up design to prevent unauthorized access, especially by children. A two-piece barrier provides additional protection.

# Safety Meets Comfort

## Durable Resin Materials

Built-in platform for safe entry and exit

## Two Piece Barrier

Provides added safety, especially for children

## Lockable Flip-Up Steps

Blocks access when not in use

## OPERATING THE SAND FILTER SYSTEM

The Blue Wave Sandman 1-HP dual-speed sand filter system is crucial for maintaining clean and clear pool water. It circulates up to 16,000 gallons per hour, ensuring efficient filtration.

### Filter System Features:

- **16,000-Gallon Turnover Rate:** Ensures continuous water circulation for a cleaner pool.
- **1.5-inch Diameter Pipe Fitting:** Engineered for easy and secure connections.
- **1.0-HP Dual Speed Pump:** Provides a circulation rate of 3,720 gallons per hour.
- **110-Lbs Sand Capacity:** Effectively traps dirt and debris.

# Sandman™ Sand Filter System

## **16,000-Gal Turnover Rate**

Keeps water circulating  
for a cleaner pool

## **1.5" Diameter Pipe Fitting**

Engineered for easy &  
secure connections

## **1.0-HP Dual Speed Pump**

Circulation rate of  
3,720 gal. per hour

## **110-Lbs Sand Capacity**

Effectively traps dirt  
and debris

## MAINTENANCE AND CARE

---

Regular maintenance is essential to keep your San Pedro pool in optimal condition and ensure water quality. The included maintenance kit simplifies routine cleaning tasks.

### Maintenance Kit Components:

- **Nylon Wall Brush:** For cleaning pool walls and preventing algae buildup.
- **Vinyl Liner Vacuum Head:** Connects to your vacuum hose for cleaning the pool floor.
- **Leaf Skimmer:** For removing leaves and other floating debris.
- **3-Piece 12-Ft Pole & Thermometer:** Extendable pole for attaching cleaning tools and a thermometer for monitoring water temperature.
- **25-Ft Vacuum Hose:** For connecting the vacuum head to the skimmer or dedicated vacuum port.

Image: The essential tools included in the Economy Maintenance Kit: nylon wall brush, vinyl liner vacuum head, leaf skimmer, 3-piece 12-ft pole with thermometer, and a 25-ft vacuum hose.

Regularly test your pool water chemistry and adjust as needed. Ensure the filter system runs for adequate periods daily to keep the water clean and clear.

## TROUBLESHOOTING

This section provides general guidance for common issues. For detailed troubleshooting or issues not listed, please refer to the comprehensive manual provided with your product or contact customer support.

Problem	Possible Cause	Solution
Cloudy Water	Insufficient filtration, chemical imbalance, high debris load.	Run filter longer, backwash filter, test and adjust water chemistry, clean skimmer basket.
Poor Water Circulation	Clogged skimmer/pump basket, dirty filter sand, air in system.	Clean baskets, backwash/replace filter sand, check for air leaks in plumbing.
Pump Not Priming	Low water level, air leak, clogged impeller.	Ensure adequate water level, check all connections for leaks, clear impeller.

## SPECIFICATIONS

Feature	Detail
Brand	Blue Wave
Model Number	NB19922
Product Dimensions	216"L x 216"W x 52"H (18-ft Round x 52-in Deep)
Capacity	7200 Gallons
Shape	Round
Color	Gray
Material	Resin, Stainless Steel
Included Components	Filter Pump, Instruction Manual, Ladder, Liner, Skimmer, Maintenance Kit
Item Weight	292 Pounds
Assembly Required	Yes

## WARRANTY AND SUPPORT

### Warranty Information:

The Blue Wave San Pedro Above Ground Swimming Pool is backed by a **15-year limited warranty**, ensuring long-lasting quality and peace of mind. This warranty covers manufacturing defects and ensures the pool's components withstand the elements without chipping, fading, or rusting.

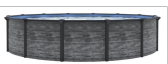

Image: The official 15 Year Limited Warranty shield, signifying the product's long-term quality assurance.
