VIZIO SV210D-0806

VIZIO SV210D-0806 All-in-One Soundbar User Manual

Model: SV210D-0806

INTRODUCTION

This manual provides essential information for setting up, operating, maintaining, and troubleshooting your VIZIO SV210D-0806 All-in-One Soundbar. This soundbar is designed to deliver immersive audio with Dolby Atmos and DTS:X technologies, featuring integrated subwoofers for enhanced bass. It offers convenient connectivity options including HDMI eARC and Bluetooth, and can be controlled via the VIZIO app.

All-in-One Soundbar

One powerful package with size-defying sound.

1 Soundbar with
Dual Integrated Subwoofers

Cinema-quality sound

Simplified setup experience

Control with the
VIZIO mobile app or TV remote

Key Features

- **Immersive Audio:** Experience sensational 3D sound with Dolby Atmos and DTS:X, placing you at the center of your entertainment.
- **Integrated Bass:** Two built-in subwoofers deliver powerful, full-bodied bass down to 50Hz from a single, streamlined unit.
- **Clear Dialogue:** Enhance vocal clarity with the ClearDialog setting, ensuring you hear every word.
- **Bluetooth 5.2:** Wirelessly stream music, podcasts, and audiobooks from your mobile devices.
- **Simplified Connectivity:** Connect to your TV with a single HDMI eARC cable for high-quality audio and control using your TV remote.
- **VIZIO App Control:** Customize sound settings and access soundbar functionality using the VIZIO app on your smartphone (iPhone and Android compatible).
- **QuickFit™ Integration:** Attach the soundbar directly to compatible VIZIO TVs using included thumbscrews for a seamless, gap-free setup without tools.

PACKAGE CONTENTS

Before beginning setup, please ensure all components are present:

- VIZIO SV210D-0806 All-in-One Soundbar
- Power Cable
- HDMI eARC Cable
- QuickFit™ Mounting Screws (for compatible VIZIO TVs)

Note: A dedicated soundbar remote control is not included. Control is primarily via the VIZIO app or your TV remote when connected via HDMI eARC.

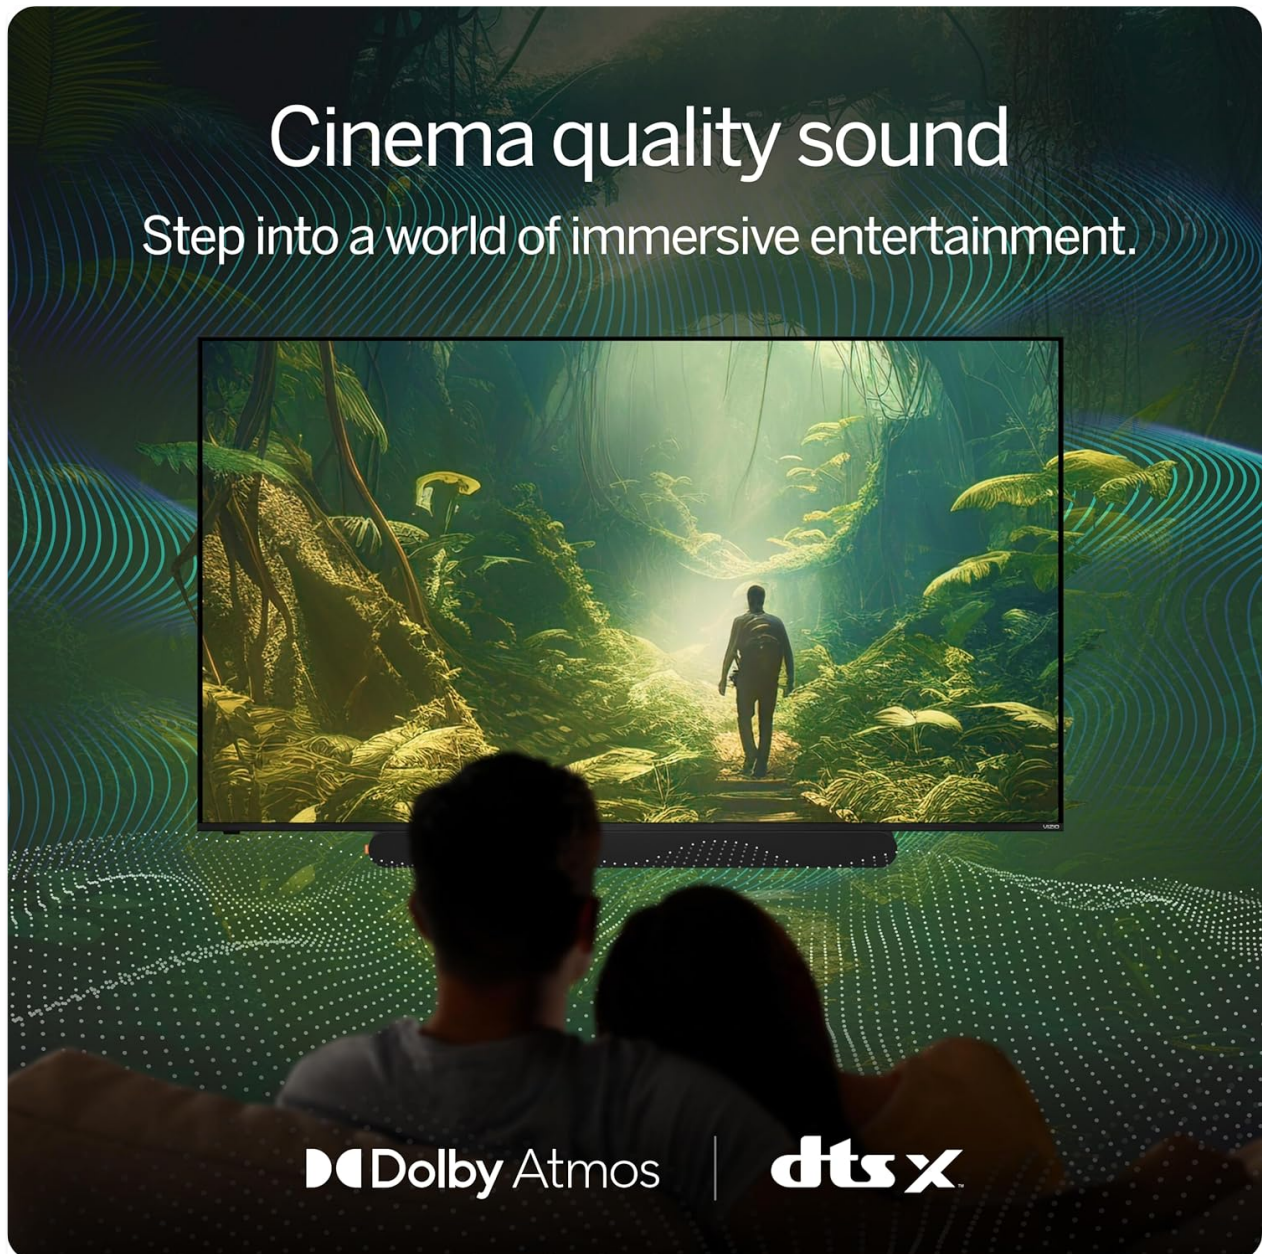

Image: This diagram illustrates the components included with the VIZIO All-in-One 2.1 System: the 34-inch soundbar with 4 speakers and 2 integrated subwoofers, an HDMI eARC cable for TV connection, and QuickFit mounting screws for compatible VIZIO TVs.

SETUP

1. Placement

Position the soundbar centrally below your television. Ensure there are no obstructions in front of the soundbar to allow for optimal sound dispersion.

2. Connecting to your TV (HDMI eARC Recommended)

1. Locate the HDMI eARC port on your TV. This port is typically labeled 'HDMI eARC' or 'HDMI ARC'.
2. Connect one end of the included HDMI cable to the HDMI eARC port on your TV.
3. Connect the other end of the HDMI cable to the HDMI (eARC) port on the back of your VIZIO soundbar.
4. Ensure your TV's audio output is set to HDMI ARC/eARC. Refer to your TV's manual for specific instructions.

Quick setup. Seamless fit.

QuickFit™ lets you attach this soundbar directly to the bottom of a compatible VIZIO TV*

*QuickFit™ is only compatible with select VIZIO TVs and Soundbars. To learn more and view compatible model list, visit <https://www.vizio.com/quickfit>

Image: Rear view of the VIZIO SV210D-0806 Soundbar, highlighting the various connection ports including the HDMI (eARC) input, USB port, and AC power input. This view is crucial for understanding how to connect the soundbar to other devices.

3. Power Connection

1. Connect the included power cable to the AC POWER input on the back of the soundbar.
2. Plug the other end of the power cable into a working electrical outlet.

4. QuickFit™ Installation (for compatible VIZIO TVs)

The QuickFit™ system allows for a seamless attachment of the soundbar to select VIZIO TVs without tools.

1. **Twist In:** Secure the QuickFit™ mounting screws into the designated holes on the back of your compatible VIZIO TV.
2. **Plug In:** Connect the HDMI eARC cable from the soundbar to your TV.
3. **Snap On:** Align the soundbar with the mounting screws and gently push until it snaps securely into place, eliminating any gap between the TV and soundbar.

Image: This image illustrates the three simple steps for QuickFit installation: 'Twist in' the screws to the TV, 'Plug in' the HDMI cable, and 'Snap on' the soundbar to the TV for a secure and integrated setup.

Your sound. Your way.

Access audio controls with the VIZIO app

VIZIO app and VIZIO Account required for soundbar control, settings, and system updates.
Soundbar remote control not included.

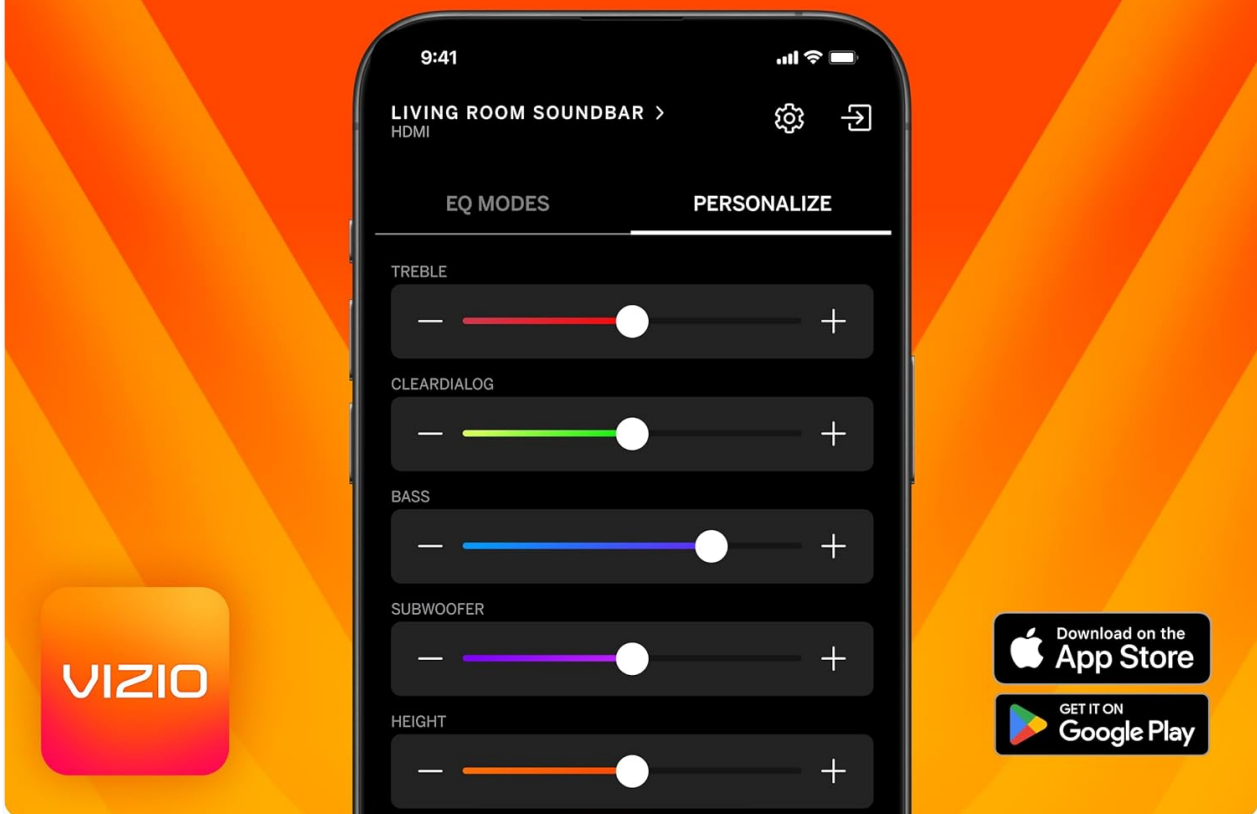

Image: This image demonstrates the QuickFit feature, showing a VIZIO soundbar seamlessly attached to the bottom of a compatible VIZIO TV, creating a clean and integrated look without any visible gap.

OPERATING THE SOUNDBAR

1. Initial Power On

After connecting the power cable, the soundbar will typically power on automatically or can be turned on using the power button on the soundbar itself or via the VIZIO app.

2. VIZIO App Control

The VIZIO app provides comprehensive control over your soundbar's functions and settings.

1. Download the VIZIO app from the App Store (for iPhone) or Google Play Store (for Android).
2. Open the app and follow the on-screen instructions to connect to your soundbar. A VIZIO Account is required.
3. Through the app, you can adjust EQ modes, treble, bass, subwoofer levels, ClearDialog, Height Level, Virtual:X, Night Mode, and Digital Audio Out settings.

Pair effortlessly.

Easily stream music, podcasts, and more

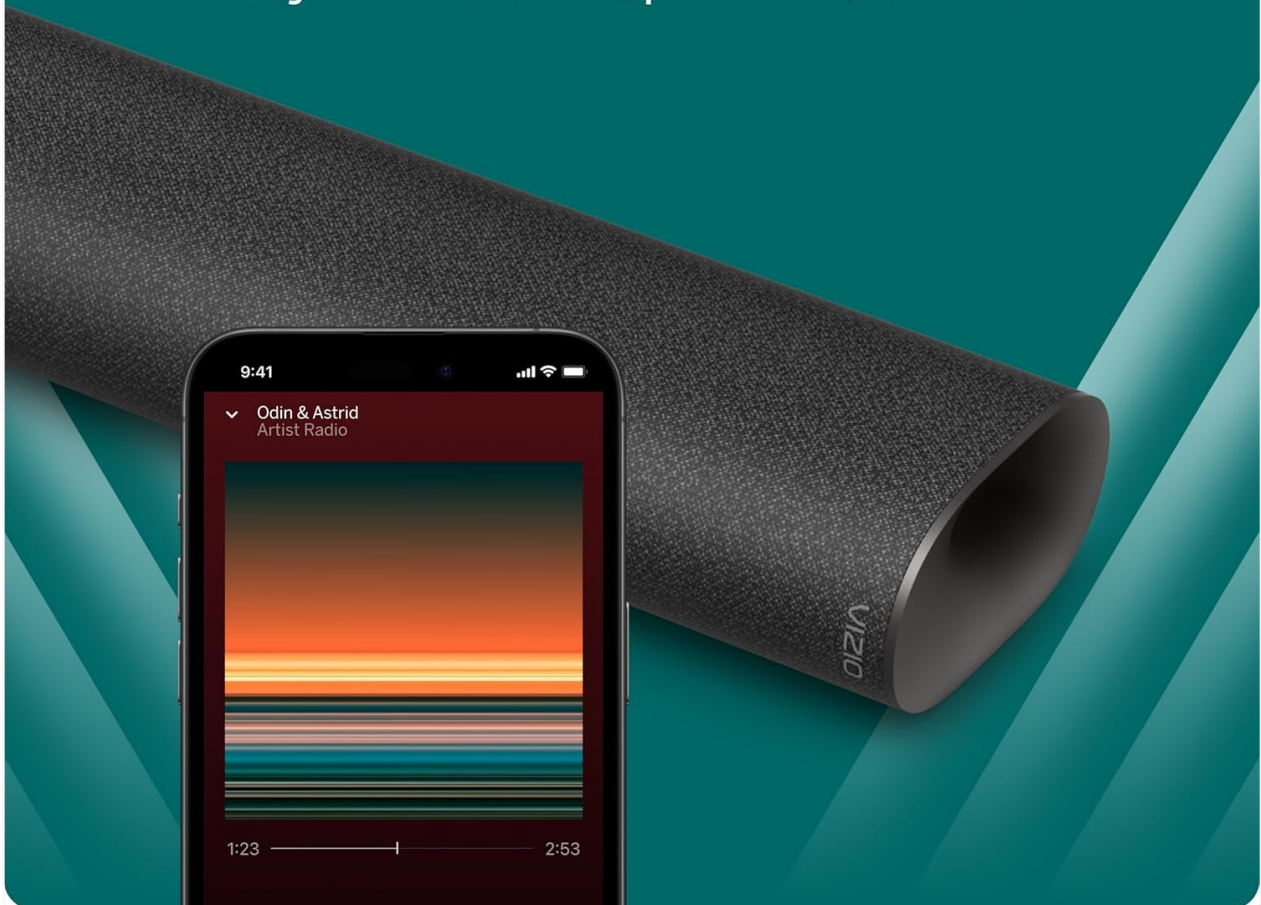

Image: This image displays a smartphone screen showing the VIZIO app interface, which allows users to access and personalize audio controls such as treble, ClearDialog, bass, subwoofer, and height settings for their soundbar.

3. Bluetooth Streaming

To stream audio wirelessly from a mobile device:

1. Ensure Bluetooth is enabled on your mobile device.
2. Put the soundbar into Bluetooth pairing mode (refer to the soundbar's indicator lights or VIZIO app for status).
3. On your mobile device, search for available Bluetooth devices and select your VIZIO soundbar (e.g., "VIZIO SV210D-0806").
4. Once paired, audio from your device will play through the soundbar.

Setup in a snap

QuickFit™ lets you easily attach this soundbar to select VIZIO TVs. No tools required.

QuickFit™ is only compatible with select VIZIO TVs and Soundbars. To learn more and view compatible model list, visit <https://www.vizio.com/quickfit>

Image: This image shows a smartphone playing music, with the Bluetooth logo prominently displayed, indicating effortless wireless streaming of audio content to the VIZIO soundbar.

4. ClearDialog Setting

The ClearDialog feature enhances spoken words, making dialogue clearer and easier to understand, especially during movies or TV shows with complex soundscapes.

- Access the ClearDialog setting through the VIZIO app or your TV's integrated audio menu (if paired with a VIZIO Smart TV).
- Adjust the level (e.g., Low, Medium, High) to suit your preference.

All-in-One 2.1 System includes

34" Soundbar with 4 Speakers
and 2 Integrated Subwoofers

HDMI® eARC cable for TV connection
and essential cables

QuickFit* mounting screws
for compatible VIZIO TVs

Soundbar remote control not included. Control your soundbar settings with the VIZIO app or TV remote.
*QuickFit™, only from VIZIO, lets you attach your VIZIO soundbar directly to the bottom of compatible VIZIO TVs.

Image: A television screen displays the VIZIO Soundbar audio settings menu, with the 'ClearDialog' option highlighted and set to 'High'. This feature helps to improve the clarity of spoken words in audio content.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your soundbar.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the surface of the soundbar. Do not use liquid cleaners, aerosols, or abrasive cleaning agents.
- **Ventilation:** Ensure the soundbar's vents are not blocked to prevent overheating.
- **Storage:** If storing the soundbar for an extended period, disconnect it from power and store it in a cool, dry place.

TROUBLESHOOTING

If you encounter issues with your VIZIO SV210D-0806 Soundbar, try the following steps:

- **No Power:** Ensure the power cable is securely connected to both the soundbar and a working electrical outlet. Try a different outlet.

- **No Sound:**

- Verify the soundbar is powered on and the volume is not muted or set too low.
- Check that the HDMI eARC cable is properly connected to both the TV and soundbar.
- Confirm your TV's audio output is set to HDMI ARC/eARC.
- If using Bluetooth, ensure the soundbar is paired and connected to your device.

- **Poor Sound Quality:**

- Adjust audio settings via the VIZIO app (e.g., EQ, bass, treble).
- Ensure the soundbar is placed correctly and not obstructed.

- **Bluetooth Pairing Issues:**

- Ensure the soundbar is in pairing mode.
- Disable and re-enable Bluetooth on your mobile device.
- Move your device closer to the soundbar.

- **Soundbar Not Responding:** Try power cycling the soundbar by unplugging it from the power outlet for 30 seconds, then plugging it back in.
