PRODUCT COMPONENTS AND FEATURES

The Macally IPKBCASEA11 keyboard case includes several key components designed for functionality and protection.

Image: An exploded view of the Macally IPKBCASEA11 keyboard case, highlighting its individual components: the edge-to-edge protective case for the iPad, the foldable iPad stand, the magnetic attachment points, the backlit keyboard, the multi-touch trackpad, iPadOS shortcuts, a USB-C charge port, and an integrated Apple Pencil holder.

- **Edge-to-Edge Protective Case:** Provides 360-degree protection for your iPad against bumps, scratches, and drops.
- **Detachable Backlit Keyboard:** Features responsive keys with iPadOS shortcut keys for enhanced productivity. The keyboard is magnetically attached and can be removed.
- **Multi-Touch Trackpad:** A large, responsive trackpad that supports multi-gesture controls, ideal for leveraging iPadOS Stage Manager for multitasking.
- **Integrated Stand:** Supports both portrait and landscape viewing modes, adjustable from 15° to 75° for optimal comfort.
- **Apple Pencil Holder:** A magnetic slot to securely store your Apple Pencil.
- **USB-C Charge Port:** For recharging the keyboard's internal battery.
- **Bluetooth Connectivity:** Allows seamless pairing with up to two Bluetooth-enabled devices.

SETUP INSTRUCTIONS

1. Installing Your iPad into the Case

1. Gently align your iPad with the protective case.
2. Press the iPad firmly into the case, ensuring all edges are securely seated. The case provides a snug, edge-to-edge fit.

2. Connecting the Keyboard via Bluetooth

1. Ensure your iPad's Bluetooth is enabled (Settings > Bluetooth).
2. Turn on the keyboard by pressing the power button, usually located on the top right of the keyboard. An indicator light will illuminate.
3. Press the Bluetooth pairing button on the keyboard (often indicated by a Bluetooth icon or 'Fn' + 'C' combination). The indicator light will flash, signifying it's in pairing mode.
4. On your iPad, look for "IPADKBCASE" or a similar name in the "Other Devices" list under Bluetooth settings.
5. Tap on the device name to connect. Once connected, the indicator light on the keyboard will stop flashing, and your iPad will show "Connected" next to the device name.

OPERATING INSTRUCTIONS

Using the Keyboard and Trackpad

- **Typing:** The keyboard provides a comfortable typing experience with responsive keys.
- **Backlight:** The keyboard features backlighting for use in low-light conditions. Use the dedicated backlight key (often a sun icon) to adjust brightness or turn it off.
- **iPadOS Shortcuts:** Utilize the dedicated shortcut keys for quick access to common iPad functions, such as Home, Search, Media Controls, and Volume.
- **Trackpad Gestures:** The multi-touch trackpad supports various iPadOS gestures for navigation and multitasking. Refer to your iPad's settings for a full list of supported gestures.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the exterior of the case and keyboard. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use for extended periods, store the keyboard case in a cool, dry place. Ensure the keyboard is turned

off to conserve battery life.

- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard battery frequently. Charge it regularly.
