Maintenance

Cushion Care

The 5-inch thick cushions are designed with waterproof covers that are removable for easy cleaning. To maintain their appearance and longevity, regularly clean the covers according to the fabric care instructions. Ensure cushions are dry before storing or covering to prevent mildew.

Frame Care

The all-aluminum frame is rust-resistant. Clean the frame periodically with a mild soap and water solution. Rinse thoroughly and dry completely to prevent water spots. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
