Typical components include:

- Headboard panels and shelves
- Side rails and footboard

- Wood slats and support legs
- 4 storage drawers and their components
- LED light strip with remote control
- Built-in charging station unit
- Assembly hardware (screws, bolts, tools)
- Assembly instruction manual

5. Setup and Assembly

Assembly is required for this bed frame. Please follow the detailed step-by-step instructions provided in the separate assembly manual included with your product. While assembly is designed to be straightforward, it can be time-consuming due to the number of components. It is highly recommended to have two people for assembly, especially when handling larger sections.
No box spring is required; your mattress will rest directly on the sturdy wooden slats.

6. Operating Instructions

- **LED Lights:** Use the provided remote control to turn the LED lights on/off, change between 16 colors, and select from 4 dynamic modes. Ensure the LED strip is properly connected to a power source.
- **Charging Station:** Plug your electronic devices into the 2 AC outlets or 2 USB ports located in the headboard for convenient charging. Ensure the bed frame is connected to a wall outlet.
- **Storage Compartments:** The headboard features hinged barn-door style cabinets. Gently pull the front panel to open and access the hidden storage. The under-bed drawers slide out smoothly for access to stored items.

7. Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Weight Distribution:** Distribute weight evenly across the bed frame and storage areas to prevent stress on individual components.

8. Troubleshooting

- **Bed Frame is Noisy:** Ensure all assembly hardware is securely tightened. Loose connections are a common cause of squeaking.
- **LED Lights Not Working:** Check if the LED strip is properly plugged into the charging station and if the charging station is connected to a live power outlet. Ensure the remote control has working batteries.
- **Charging Station Not Functioning:** Verify that the bed frame's power cord is securely plugged into a functional wall outlet. Test the outlet with another device.
- **Missing Parts:** If any parts are missing or damaged upon delivery, please contact ACCOHOHO customer support immediately for assistance.
