The bed frame features a distressed finish and robust construction, supporting up to 1000 pounds. Its design incorporates both aesthetic appeal and practical storage solutions for your bedroom.

2. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not exceed the maximum weight limit of **1000 pounds** for the bed frame.
- Exercise caution with sharp edges and potential pinch points during assembly and daily use.
- Ensure all connections are securely fastened after assembly and periodically check for tightness.
- Keep electrical components (LED lights, charging station) away from liquids.
- This product is intended for adult use.

3. PACKAGE CONTENTS

Your bed frame will be delivered in two separate packages. Please ensure you have received both packages and all components before beginning assembly. In case of missing or damaged parts, refer to the 'Warranty and Customer Support' section.

Expected components include:

- Headboard with integrated storage, LED strip, and charging station
- Footboard
- Side Rails
- Wooden Slats and Support Legs
- Four Under-bed Drawers
- Assembly Hardware (screws, bolts, cam locks, etc.)
- LED Remote Control

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this bed frame. It is recommended to have at least two people for assembly due to the size and weight of components. Follow the included step-by-step instructions carefully. While power tools can expedite the process, manual tools are often sufficient and can prevent overtightening or damage.

Estimated Assembly Time: 4-8 hours (may vary based on experience).

Assembly Tips:

- Unpack all components and verify against the parts list before starting.
- Lay out all hardware and tools within easy reach.
- Assemble on a soft, clean surface to prevent scratching the furniture.
- Do not fully tighten all screws until the entire frame is assembled to allow for minor adjustments.

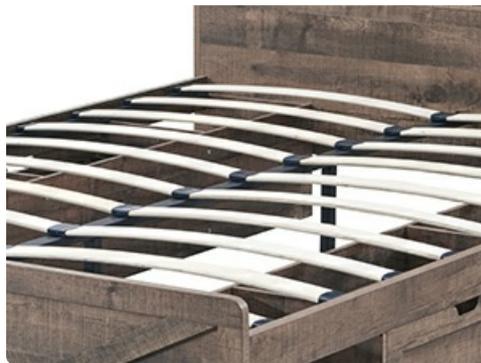

Image 4.1: Slats and Support Structure

The bed frame utilizes a platform design, eliminating the need for a box spring. Simply place your mattress directly onto the assembled slats.

6. CARE AND MAINTENANCE

To ensure the longevity and appearance of your bed frame, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth to prevent buildup.
- **Spills:** Immediately blot any spills with a clean, dry cloth.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Tighten as necessary to maintain stability.
- **LED Lights:** If LED lights malfunction, check the power connection and remote control battery.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, please refer to the following common solutions:

- **LED Lights Not Working:** Ensure the power adapter is securely plugged into both the bed frame and a working wall outlet. Check the remote control battery.
- **Drawers Not Closing Properly:** Verify that the drawer slides are correctly aligned and free of obstructions. Ensure the drawers were assembled according to instructions.
- **Bed Frame Squeaks or Wobbles:** Re-tighten all assembly hardware. Ensure the bed frame is on a level surface.
- **Missing Parts:** If any parts are missing upon delivery, please contact customer support immediately with your purchase details.
