## ACCOHOHO LM041-SERIES

# ACCOHOHO Farmhouse Queen Bed Frame LM041-SERIES Instruction Manual

Model: LM041-SERIES

## 1. INTRODUCTION

---

Thank you for choosing the ACCOHOHO Farmhouse Queen Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## 2. SAFETY INFORMATION

---

**WARNING: Failure to follow these safety instructions may result in injury or damage to the product.**

- Do not exceed the maximum load capacity of 1000 pounds.
- Be cautious of sharp edges and pinch points during assembly and use.
- Always follow assembly instructions carefully to prevent instability or collapse.
- Ensure all connections are securely fastened before use. Periodically check and tighten all fasteners.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use only the provided components and tools, or recommended alternatives.

## 3. PACKAGE CONTENTS

---

Your ACCOHOHO Queen Bed Frame is delivered in two packages. Please ensure all parts are present and undamaged before beginning assembly. Refer to the included parts list in your assembly guide for detailed component identification.

## 4. PRODUCT FEATURES

---

The ACCOHOHO Farmhouse Queen Bed Frame is designed with functionality and style in mind, offering multiple features for enhanced comfort and storage.

- **52-inch Tall Bookcase Headboard:** Provides ample storage space and a comfortable backrest. Features a faux solid wood texture.
- **Integrated Storage:** Includes two bedside storage cabinets with barn-door style fronts for privacy and dust protection, plus four hidden drawers and four open storage compartments beneath the bed.
- **LED Light Strip:** Features 16 color options and 4 dynamic modes, controllable via an included remote, for customizable ambiance.
- **Built-in Charging Station:** Conveniently located in the headboard with 110V/12A AC outlets and 5V/2A USB ports for charging devices.
- **Heavy-Duty Construction:** Constructed from engineered wood and solid wood slats with high-strength steel for stability, supporting up to 1000 pounds without noise.

## 5. SETUP AND ASSEMBLY

---

Assembly of the ACCOHOHO Queen Bed Frame is required. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. It is recommended to have at least two adults for assembly.

- **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware.
- **Headboard Assembly:** Begin by assembling the headboard sections, including the bookcase and storage compartments.
- **Frame Assembly:** Connect the side rails and footboard to the assembled headboard.
- **Slat Installation:** Install the solid wood slats across the bed frame to support the mattress.
- **Drawer Assembly:** Assemble and install the four under-bed drawers and ensure they glide smoothly.
- **Electrical Connections:** Connect the LED light strip and charging station according to the instructions. Ensure proper power source connection.
- **Final Check:** Verify all screws and fasteners are tightened. Ensure the bed frame is stable and level.

## 6. OPERATING INSTRUCTIONS

---

### 6.1 LED Light Strip

The LED light strip in the headboard can be controlled using the included remote control.

- **Power On/Off:** Press the power button on the remote to turn the lights on or off.
- **Color Selection:** Use the color buttons on the remote to choose from 16 different colors.
- **Mode Selection:** Select from 4 dynamic modes (e.g., flash, strobe, fade, smooth) to change the light effect.
- **Brightness Adjustment:** Use the brightness up/down buttons to adjust the intensity of the lights.

✓ CHARGING & STORAGE IN ONE

### Charging Station

110V/12A  
2AC Outlets

5V/2A  
2 USB Ports

Image 6.1: LED lights in the headboard with remote control.

## 6.2 Charging Station

The built-in charging station provides convenient power access for your electronic devices.

- **AC Outlets:** Plug in standard electrical devices into the 110V/12A AC outlets.
- **USB Ports:** Connect USB-compatible devices to the 5V/2A USB ports for charging.
- Ensure the bed frame is connected to a functional power outlet for the charging station to operate.

## 7. MAINTENANCE

- **Cleaning:** Wipe the bed frame surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Fastener Check:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Drawer Care:** Keep drawer glides clean and free of debris for smooth operation.
- **Electrical Components:** Ensure the LED light strip and charging station cables are not pinched or

damaged. Disconnect power before cleaning or inspecting electrical components.

## 8. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Bed frame is wobbly/unstable.	Loose fasteners. Uneven floor.	Check and tighten all screws and bolts. Adjust leg levelers if applicable, or place shims under legs on an uneven floor.
Drawers do not slide smoothly.	Debris in glides. Misaligned drawer.	Clean drawer glides. Re-align drawer on its tracks. Ensure drawer assembly is correct.
LED lights not working.	Power disconnected. Remote battery dead. Faulty connection.	Ensure power adapter is plugged in. Replace remote battery. Check LED strip connections.
Charging station not working.	Power disconnected. Device cable faulty.	Ensure bed frame is plugged into a working wall outlet. Try a different device cable.
