BIADNBZ Wooden Full Size Loft Bed with Desk and Storage Instruction Manual

INTRODUCTION

Thank you for choosing the BIADNBZ Wooden Full Size Loft Bed. This instruction manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new loft bed. Please read this manual thoroughly before beginning assembly and retain it for future reference.

Important Safety Information

- Always follow assembly instructions carefully.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as needed.
- Do not allow children under 6 years of age on the upper bunk.
- Use only mattresses that comply with the recommended thickness (4-6 inches) and dimensions for a full-size bed.
- The maximum weight capacity for the upper bed is 350 LBS. Do not exceed this limit.
- Do not use power tools for assembly as this may damage the wood or strip screws.
- Keep small parts away from children during assembly to prevent choking hazards.

SETUP AND ASSEMBLY

Your BIADNBZ Wooden Full Size Loft Bed is designed for home assembly. It is recommended that two adults participate in the assembly process. Please note that the item is shipped in multiple packages (typically 3) which may arrive separately over several days. Please wait for all packages to be delivered before starting assembly.

Included Components

- Loft Bed Frame components
- Desk components
- Staircase components
- Wardrobe components

- Drawer components
- All necessary hardware and tools for assembly

Estimated Assembly Time

Approximately 60 minutes for two people.

General Assembly Steps

1. Unpack all components and verify against the parts list provided in your package. Contact customer support immediately if any parts are missing or damaged.
2. Lay out all parts on a clean, soft surface (e.g., a carpet or blanket) to prevent scratching.
3. Follow the step-by-step diagrams and instructions provided in your physical assembly manual.
4. Assemble the main bed frame structure first, ensuring all connections are secure but not overtightened until the frame is fully aligned.
5. Attach the staircase, desk, wardrobe, and drawers according to the instructions.
6. Once fully assembled, tighten all hardware firmly.

OPERATING INSTRUCTIONS

The BIADNBZ Full Size Loft Bed is designed to maximize space and provide multiple functionalities within a single unit.

Using the Loft Bed

- **Upper Bed:** Access the upper bed via the integrated staircase. The high guardrails are designed for safety. Ensure the recommended mattress thickness of 4-6 inches is used to maintain guardrail effectiveness.
- **Staircase Storage:** Each step of the staircase features a storage compartment, some with doors, ideal for organizing books, toys, or other personal items.
- **Integrated Desk:** The spacious desk area beneath the loft bed provides a dedicated space for studying, working, or creative activities.
- **Shelves:** Adjacent to the desk, open shelves offer additional storage for books, decor, or supplies.

- **Wardrobe:** The built-in wardrobe provides a convenient space for hanging clothes and includes a lower drawer for folded items.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your loft bed.

Cleaning Instructions

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- For spills, blot immediately with a clean, dry cloth.

Hardware Checks

- Periodically check all bolts, screws, and fasteners to ensure they remain tight. Re-tighten as necessary to maintain structural integrity and safety.
- Inspect wooden components for any signs of wear, cracks, or damage. Address any issues promptly.

TROUBLESHOOTING

This section addresses common issues you might encounter.

Missing or Damaged Parts

- If you receive packages separately, please wait for all to arrive before checking for missing parts.
- If parts are genuinely missing or damaged upon arrival, please contact BIADNBZ customer support with your purchase details and a description of the issue.

Bed Instability or Wobbling

- Ensure all bolts and screws are fully tightened.
- Verify that the bed is assembled on a flat, level surface.
- Review the assembly instructions to confirm all components are correctly installed.

Drawers or Doors Not Closing Properly

- Check for any obstructions within the drawer slides or door hinges.
- Ensure the drawer slides and hinges are correctly aligned and securely fastened.
