## SETUP AND ASSEMBLY

---

The figures and accessories in this set are designed for simple assembly and customization. Follow the steps below to prepare your items for display or play.

## 1. Daughter of the Brave Figure

The Daughter of the Brave figure is articulated, allowing for various poses. Ensure all joints move freely.

This image shows the Daughter of the Brave figure, ready for posing. The figure features articulated limbs and a detailed costume.

## 2. Ice Coffin [Seal] and Sword

The Ice Coffin [Seal] accessory can be used to store or display the included sword. Gently insert the sword into the coffin piece.

This image displays the Ice Coffin [Seal] accessory alongside a translucent blue sword. The sword can be placed within the coffin for display.

### **3. Sealed Weapon A**

Sealed Weapon A includes three distinct weapon pieces. These can be held by compatible figures or displayed as part of a scene.

This image shows the three weapon components of Sealed Weapon A, featuring various sword and blade designs.

#### 4. Sealed Weapon B

Sealed Weapon B consists of three additional weapon accessories. These weapons are designed to complement the figures in the set.

This image illustrates the three weapon components of Sealed Weapon B, including an axe and two distinct swords.

To attach weapons to figures, gently insert the hilt or handle into the figure's hand. Do not force connections to avoid damage.

## OPERATING AND INTERACTION

---

The BANDAI Gashapon Quest at the End of the Journey figures are designed for posing and imaginative play. Articulated joints allow for a range of motion. Gently manipulate the limbs and head to achieve desired poses.

- **Posing:** Carefully bend and rotate the figure's joints (shoulders, elbows, hips, knees) to create dynamic stances. Avoid excessive force.

- **Accessory Use:** Weapons and other accessories can be interchanged between compatible figures. Ensure a snug fit without forcing.
- **Display:** Once posed, figures can be displayed on a flat, stable surface. Consider using a display stand (not included) for more complex poses.

*Note: These are collectible figures and not intended for rough play.*

## MAINTENANCE AND CARE

---

- **Cleaning:** To clean the figures and accessories, gently wipe them with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals, abrasive cleaners, or solvents.
- **Storage:** Store figures and accessories in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause discoloration.
- **Handling:** Handle figures by their main body parts rather than delicate accessories or thin limbs to prevent breakage.
- **Avoid Moisture:** Do not submerge figures in water or expose them to high humidity, as this may damage the materials or paint.

This image shows a variety of weapon accessories included in the set, which should be handled with care during cleaning and storage.

## TROUBLESHOOTING

---

This section addresses common concerns you might encounter with your collectible figures.

### Loose Joints

If a joint feels too loose, it may be possible to tighten it slightly by applying a very small amount of clear nail polish or a specialized joint-tightening fluid to the joint, allowing it to dry completely before moving. Use sparingly.

### Stiff Joints

If a joint is stiff, gently warm the area with a hairdryer on a low setting for a few seconds to make the plastic more pliable. Do not overheat. Then, carefully attempt to move the joint.

### Missing Parts

Refer to the 'Package Contents' section. If any listed parts are missing upon initial unboxing, please contact

BANDAI customer support.
