ELEMARA P17

ELEMARA Ride-On Car Instruction Manual (Model P17)

Your guide to safe and enjoyable operation

1. INTRODUCTION AND SAFETY INFORMATION

Thank you for choosing the ELEMARA Ride-On Car, Model P17. This manual provides essential instructions for assembly, operation, maintenance, and safety to ensure a fun and secure experience for your child. Please read this manual thoroughly before initial use and retain it for future reference.

Important Safety Warnings

WARNING: CHOKING HAZARD - Small parts. The product contains small parts. Keep children away during assembly.

- Always supervise children when operating the ride-on car.
- Ensure the child wears appropriate safety gear, such as a helmet, when riding.
- Do not operate the vehicle near streets, cars, steep inclines, swimming pools, or other bodies of water.
- Only use on flat, dry surfaces. Avoid sand, loose dirt, or gravel.
- The maximum weight capacity for this vehicle is **66 lb (30 kg)**.
- Recommended age for use: **3 - 8 years**.
- Only use the charger and battery provided by the manufacturer.
- Regularly inspect the vehicle for damage or loose parts before each use.

2. WHAT'S IN THE BOX

Please verify that all components are present before beginning assembly:

- Ride-On Car x 1
- Remote Control x 1
- Instruction Manual x 1

3. ASSEMBLY INSTRUCTIONS

The ELEMARA Ride-On Car requires some assembly before first use. Please follow the detailed instructions provided in the included printed manual for step-by-step guidance. Ensure all connections are secure and all parts are correctly installed.

4. OPERATING YOUR RIDE-ON CAR

Driving Modes

The ELEMARA Ride-On Car offers two modes of operation:

- **Child Manual Control:** The child can operate the vehicle using the steering wheel and foot pedal. This mode typically offers 2 speed settings.
- **Parental Remote Control:** An adult can control the vehicle's direction and speed using the included remote control. The remote control takes priority over manual operation for enhanced safety. This mode typically offers 3 speed settings.

Slow-Start Function

For your child's safety and comfort, the vehicle is equipped with a slow-start function. This feature ensures a gradual acceleration, preventing sudden jolts.

Entertainment Features

Enhance the riding experience with built-in entertainment options:

- **Pre-loaded Music:** The car includes several pre-loaded music tracks.
- **Bluetooth Connectivity:** Connect your device via Bluetooth to play your child's favorite audio.
- **USB Input:** Use the USB port to play media from a USB drive.
- **Radio Function:** Tune into local radio stations.

Storage Function

The ride-on car features a convenient storage compartment, allowing your child to carry small toys or personal items during their adventures.

5. MAINTENANCE

Battery Charging

The ELEMARA Ride-On Car is powered by a **12V 7AH battery**. To ensure optimal performance and battery longevity, follow these charging guidelines:

- **Charging Time:** A full charge typically takes **8-12 hours**. Do not overcharge.
- **Operating Time:** A fully charged battery provides approximately **1.5 to 2 hours** of continuous play, depending on usage and terrain.
- **Low Battery Warning:** The vehicle is equipped with a low battery warning system to alert you when charging is needed.
- Always charge the battery in a dry, well-ventilated area.
- Disconnect the charger once the battery is fully charged.

 **Play Time:**
80-110 Mins

 **Charging Time:**
8-12 Hours

 **Low Power
Reminder Sound**

Cleaning and Storage

- Clean the vehicle with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Store the vehicle in a dry, cool place away from direct sunlight and moisture.
- If storing for an extended period, ensure the battery is fully charged before storage and recharge it periodically (e.g., once a month) to maintain battery health.

6. TROUBLESHOOTING

If you encounter issues with your ELEMARA Ride-On Car, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Vehicle does not move or turn on.	Low battery; loose battery connection; blown fuse; motor issue.	Charge the battery; check battery terminals; inspect fuse; contact customer support.
Remote control is not working.	Remote batteries are dead; remote not paired; interference.	Replace remote batteries; re-pair the remote control (refer to manual); move to an area with less interference.
Vehicle moves slowly or lacks power.	Low battery; overloaded vehicle; operating on unsuitable terrain.	Charge the battery fully; ensure weight is within limits; use on flat, hard surfaces.
Unusual noises during operation.	Loose parts; debris in wheels/motor; worn gears.	Inspect for loose parts and tighten; clear any debris; contact customer support if noise persists.

7. SPECIFICATIONS

Feature	Detail
Model Number	P17
Product Dimensions	41 x 25 x 21 inches
Item Weight	27 pounds
Manufacturer Recommended Age	3 - 8 years
Battery	1 x 12V (7AH) (included)
