

SONGMICS ULFM031B01

SONGMICS ULFM031B01 Arched Full Length Mirror Instruction Manual

Model: ULFM031B01

1. SAFETY INFORMATION

This product is designed with safety in mind, featuring high-strength tempered glass and a safety film to minimize shattering risks. Please read and follow all safety guidelines to ensure safe use.

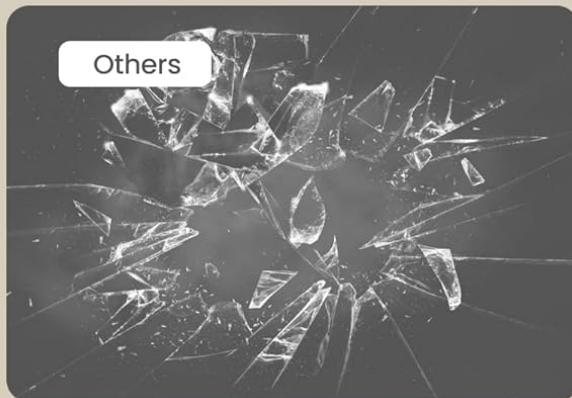

- When unpacking the mirror, handle with care to avoid damage.
- In the rare event of breakage, do not touch any broken glass with bare hands.
- If using the freestanding option, always ensure the stand is fully open and stable before use to prevent tipping.

Quality Glass Mirror

Brings a clear reflection and secure experience

3. SETUP AND INSTALLATION

The SONGMICS ULFM031B01 mirror requires no assembly and can be used immediately as a freestanding unit or mounted to a wall.

3.1 Freestanding Setup

- Carefully remove the mirror from its packaging.
- Unfold the integrated U-shaped stand at the back of the mirror.
- Place the mirror in your desired location, ensuring the stand is fully extended and stable on a flat surface.

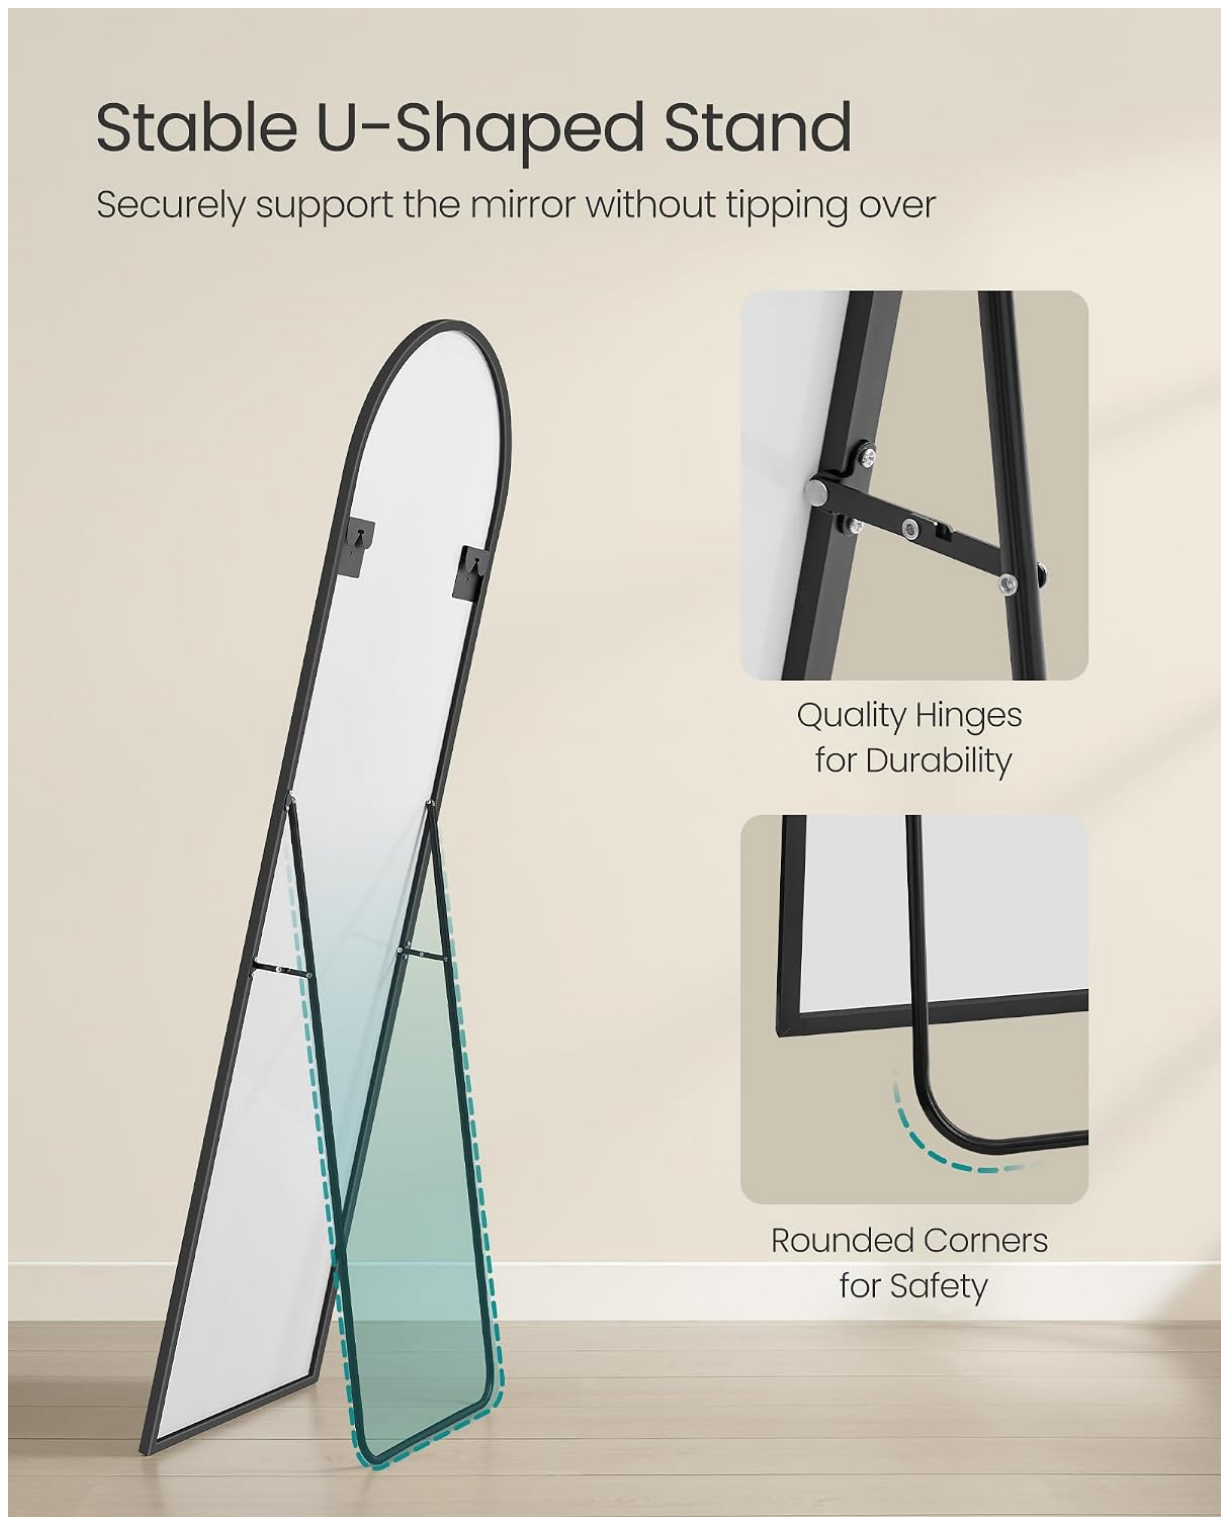

Image 3.1: The stable U-shaped stand for freestanding use.

3.2 Wall-Mounting Installation

If you choose to wall-mount the mirror, follow these steps:

1. **Assess Wall:** Ensure the wall can safely bear the weight of the mirror.
2. **Drill Holes:** Drill holes and insert expansion screws, leaving approximately 0.6 inches (1.5 cm) space from the wall.
3. **Hang Mirror:** Carefully hang the mirror onto the installed screws using the pre-attached hooks on the

back.

4. **Test Stability:** Gently shake the mirror to confirm it is securely mounted and stable.

4. OPERATING AND PLACEMENT

The mirror is designed for simple operation and flexible placement to suit your needs.

4.1 Usage

- The 63 x 20 inch surface provides a full view for dressing and checking your appearance.
- Ensure the mirror is placed in a well-lit area for optimal reflection.

4.2 Recommended Placements

This versatile mirror is suitable for various rooms:

- **Bedroom:** Ideal for daily dressing and outfit checks.
- **Living Room:** Adds elegance and can make the space appear larger.
- **Cloakroom/Entryway:** Convenient for a final check before leaving.
- **Home Gym:** Useful for monitoring posture during workouts.

5. MAINTENANCE

To keep your mirror in optimal condition, follow these simple maintenance guidelines:

- **Cleaning the Glass:** Use a soft, lint-free cloth and a standard glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid streaks and protect the frame.

- **Cleaning the Frame:** Wipe the aluminum alloy frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check the stand and frame for any signs of wear or damage. Ensure all connections are secure if wall-mounted.
- **Handling:** Always lift the mirror by its frame when moving it. Avoid placing heavy objects on the mirror or leaning it against unstable surfaces.

6. TROUBLESHOOTING

If you encounter any issues with your mirror, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror appears unstable (freestanding)	Stand not fully extended or uneven surface.	Ensure the U-shaped stand is fully open and locked into position. Place the mirror on a flat, level surface.
Unclear or streaky reflection	Dirty glass or improper cleaning method.	Clean the glass using a lint-free cloth and a quality glass cleaner. Avoid spraying cleaner directly onto the mirror.
Mirror wobbles (wall-mounted)	Screws not fully tightened or improper installation.	Re-check the wall-mounting steps. Ensure screws are securely fastened and the mirror hooks are properly engaged.

If the problem persists or you experience any other issues, please contact SONGMICS customer support.
