MAINTENANCE

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning:** Wipe the surfaces of the vanity desk and stool with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the engineered wood finish. For the mirror, use a glass cleaner applied to a cloth, not directly to the mirror surface.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage.
- **Light Bulbs:** If a bulb needs replacement, ensure the mirror is unplugged and allow bulbs to cool before handling. Replace with bulbs of the same type and wattage.
- **Hardware:** Periodically check all screws and fasteners and tighten them if they have loosened over time.
