6. MAINTENANCE

Proper care will ensure the longevity and appearance of your Tribesigns Office Desk Set:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by drying with a clean cloth. Avoid abrasive cleaners or harsh chemicals, as they can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood and metal components.
- **Protection:** Although the desk features a scratch-resistant laminate finish, it is advisable to use coasters for drinks and protective pads under heavy or sharp objects to prevent potential damage.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the desk surface.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Desk Wobbles:**
 - Ensure the desk is on a level surface.
 - Adjust the adjustable foot pads at the bottom of each leg until the desk is stable.
 - Check that all assembly screws are securely tightened.
- **Missing Parts:**
 - Double-check the packaging and all corners of the box. Small parts can sometimes be overlooked.
 - Refer to the package contents list. If parts are genuinely missing, contact Tribesigns customer service with your purchase details.
- **Difficulty During Assembly:**
 - Review the assembly instructions carefully, paying close attention to diagrams and part orientations.
 - Ensure you are using the correct screws for each step.
