Domi 8' x 8' Hardtop Gazebo Instruction Manual

Model: LGMF-DR-1654A-Br-US

1. PRODUCT OVERVIEW

The Domi 8' x 8' Hardtop Gazebo is designed to provide a durable and comfortable outdoor living space. Constructed from premium aluminum and galvanized steel, it offers exceptional resistance to snow pressure (22 LBS./square foot) and wind (up to 60 mph), ensuring long-lasting performance. Its timeless yet modern design seamlessly integrates with various outdoor settings, from patios to backyards.

Key Features:

- **Durable Construction:** Crafted from aluminum and galvanized steel for superior strength and longevity.
- **Weather Resistance:** Withstands 22 LBS./square foot snow pressure and up to 60 mph winds.
- **Dual Roof Design:** Ensures effective ventilation and efficient rain/snow runoff.
- **Integrated Curtains & Netting:** Provides privacy, insect protection, and enhanced airflow.
- **Convenient Ceiling Hook:** Supports up to 20 lbs for hanging lights, fans, or decorations.
- **Multi-functional Use:** Ideal for barbecues, relaxation, outdoor dining, or as an outdoor office/yoga studio.

2. SAFETY INFORMATION

Always follow the assembly instructions provided. Ensure the gazebo is securely anchored to a stable, level surface. Do not exceed the maximum weight limit of 296 lbs. Avoid using the gazebo during extreme weather conditions, such as heavy snow or wind exceeding 60 mph. Inspect the gazebo regularly for any signs of damage or wear, and repair or replace components as necessary. Keep hands and fingers away from moving parts during assembly and disassembly. Adult supervision is recommended during assembly and use by children.

3. SETUP

Setting up your Domi outdoor gazebo pergola is made easier with comprehensive instructions and included hardware. We recommend assembling it with 2-5 people, typically taking 3-6 hours. Please note that the gazebo may arrive in 3 packages at different times.

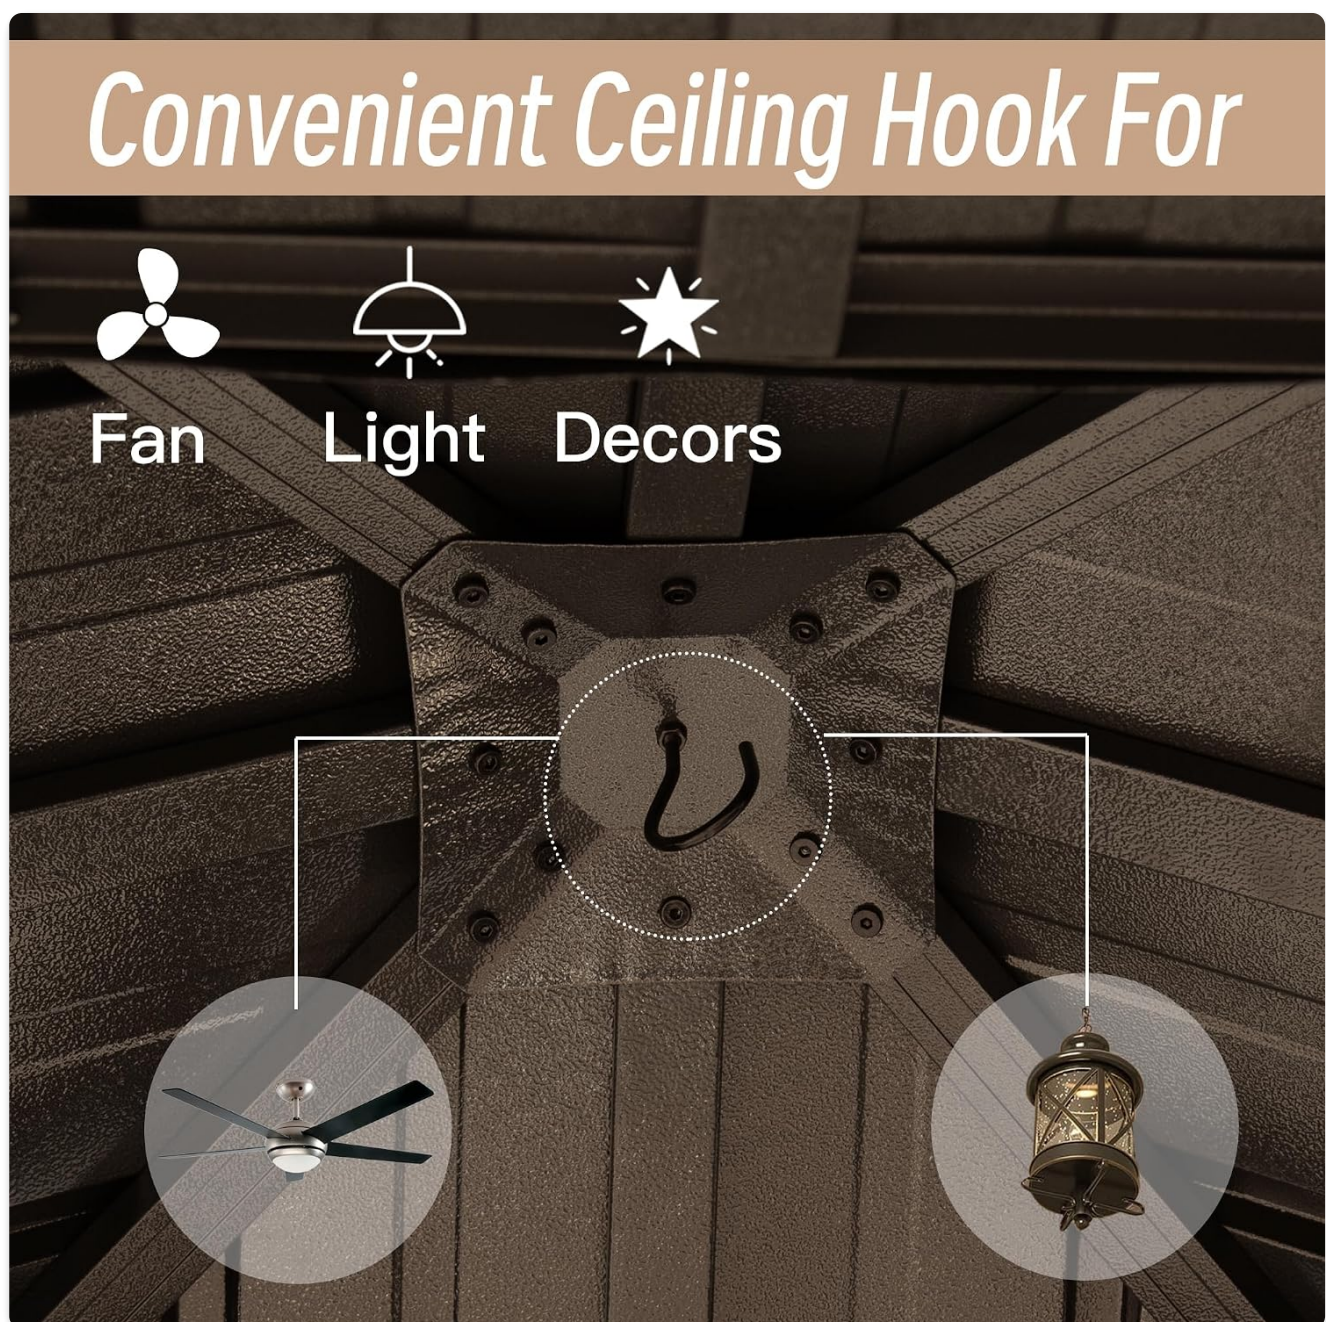

Figure 2: Gazebo components and tools for assembly.

Assembly Tips:

- Lay out all parts and hardware before beginning.
- Ensure the assembly area is clear and level.
- Follow the step-by-step instructions provided in the manual carefully.
- Do not fully tighten all bolts until the entire structure is assembled and aligned.
- Use appropriate safety gear, such as gloves, during assembly.

4. OPERATING INSTRUCTIONS

Curtains and Netting:

The Domi aluminum gazebo comes complete with curtains and netting, offering privacy and intimacy in your outdoor space, while the netting keeps insects away, ensuring a safe, serene, and well-ventilated atmosphere. The dual rail system allows for independent movement of curtains and netting.

Multi-Functional Curtains & Nettings

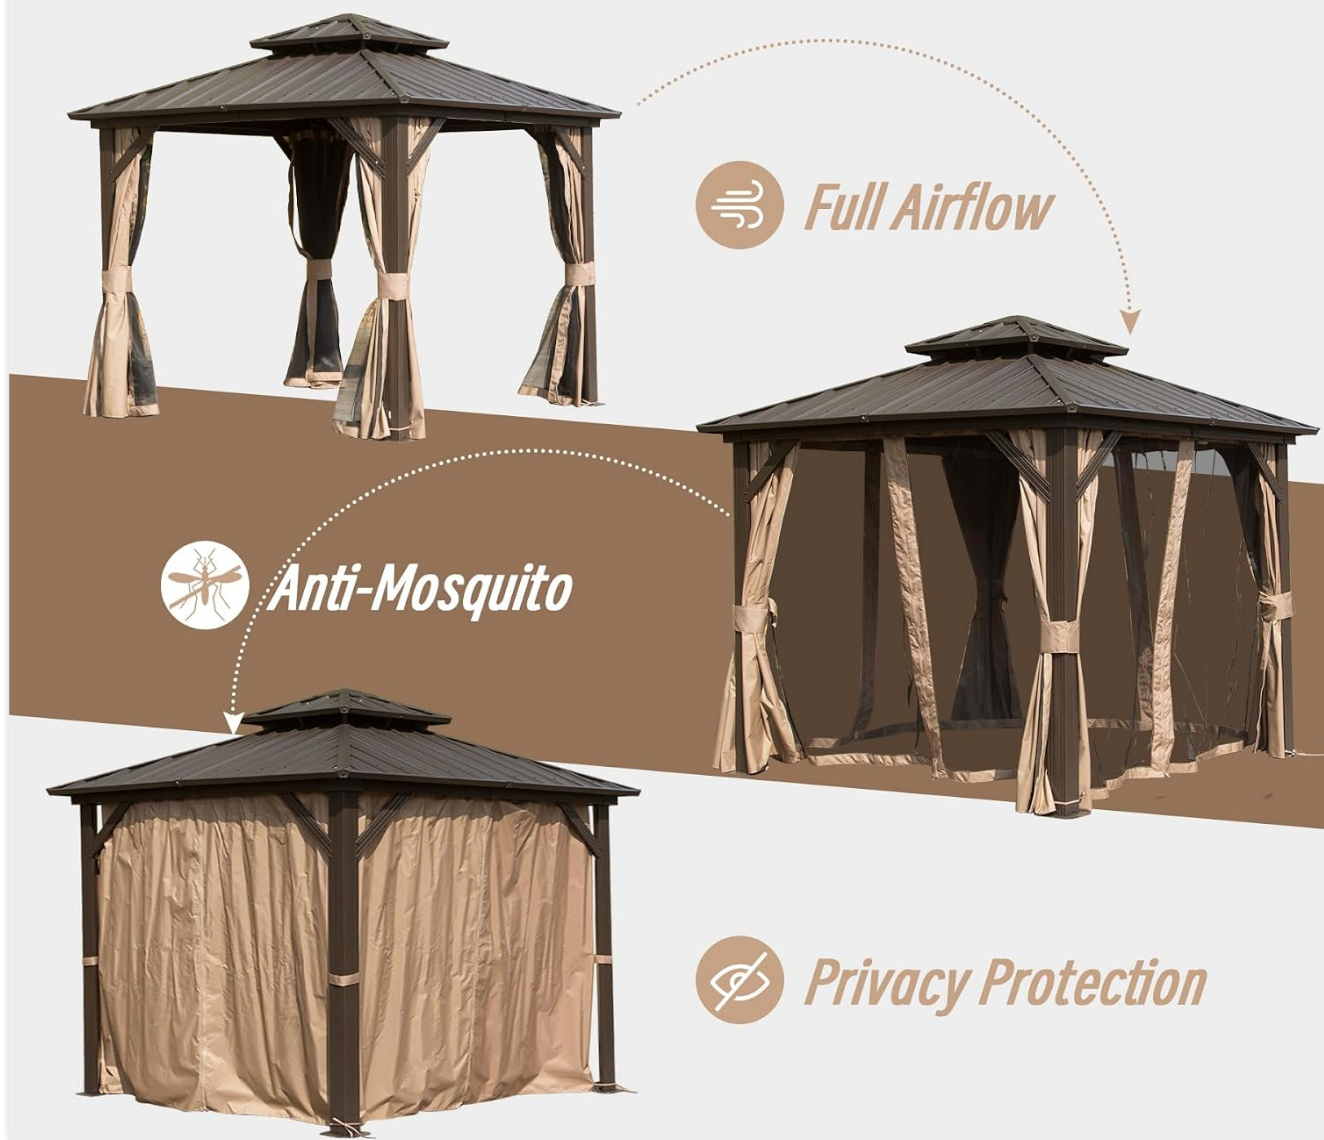

Figure 4: Enhanced strap design for effortless curtain and netting organization, and convenient double-sided zippers for seamless entry and exit.

Ceiling Hook:

Enhance your hardtop gazebo's versatility with a robust hook! The hook effortlessly holds up to 20 lbs, allowing you to hang lights, fans, or decorations effortlessly. Create your perfect outdoor atmosphere with ease.

Enhanced Slope Drainage

Efficiently Drains Rainwater, Prevents Accumulation!

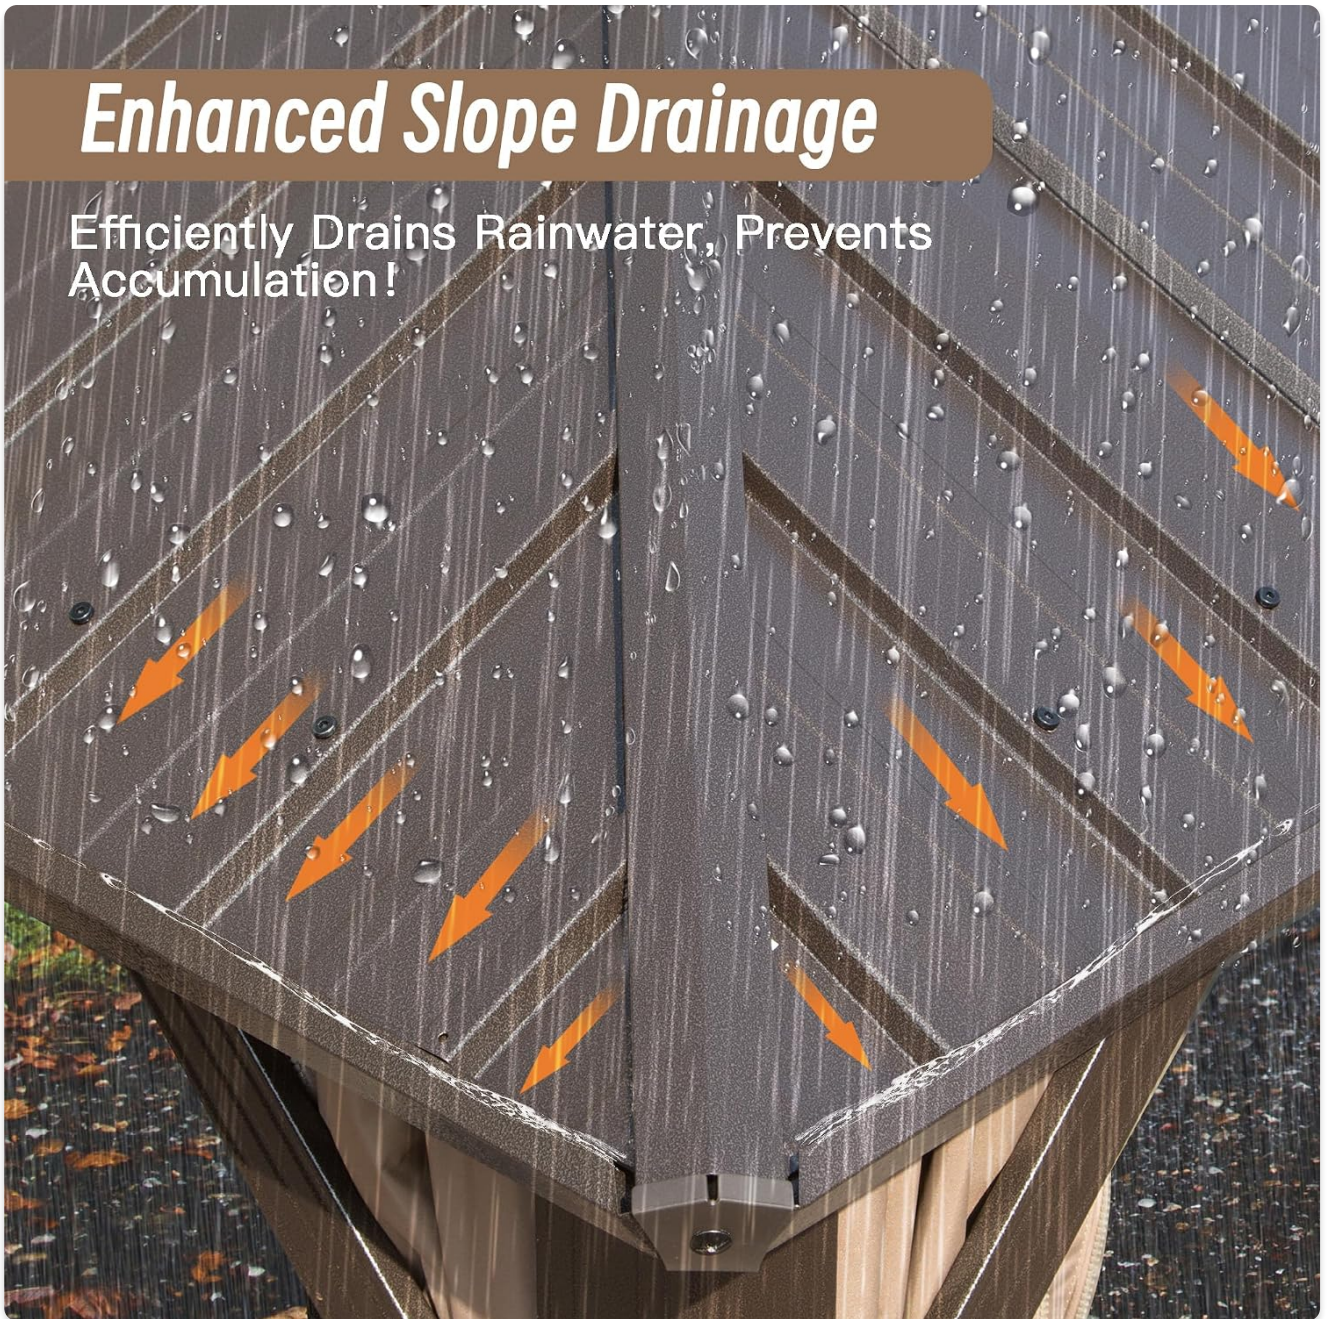

Figure 5: Convenient ceiling hook for hanging fans, lights, or decorative items.

Dual Roof Design:

Our double roof design creates an effective ventilation system, ensuring a cool and comfortable atmosphere on hot summer days, with the sloped roof facilitating efficient rain and snow runoff for year-round durability. Enjoy your gazebo with ease and comfort in any season.

A vibrant promotional banner for Prime Day. The background is a bright blue sky with stylized white clouds. Several balloons in green, yellow, and orange float around the text. At the bottom, three gift boxes are shown on a yellow, rocky ground. The central box is large and green with a yellow ribbon, flanked by two smaller boxes, one orange and one yellow. The text 'Prime Day' is written in a large, white, cursive font at the top. Below it, 'Last Call' is in a bold, white, sans-serif font. The price 'NOW \$ 534.99' is prominently displayed in white. To the left, the original price 'WAS \$ 569.99' is crossed out with a horizontal line. To the right, 'U.S. ONLY' is written in a bold, dark green font. At the bottom center, 'SHOP NOW' is written in a bold, dark green font.

5. MAINTENANCE

To ensure the longevity and appearance of your Domi Hardtop Gazebo, regular maintenance is recommended:

- **Cleaning:** Clean the metal frame and roof panels periodically with mild soap and water. Rinse thoroughly with clean water and dry completely to prevent water spots and corrosion.
- **Fabric Care:** The curtains and netting can be spot cleaned with mild detergent. For deeper cleaning, they may be removed and hand-washed. Ensure they are completely dry before reattaching or storing to prevent mildew.
- **Inspection:** Regularly check all bolts and connections to ensure they remain tight. Inspect the roof panels and frame for any signs of damage, rust, or wear. Address any issues promptly to prevent further deterioration.
- **Winter Care:** While the gazebo is designed to withstand snow and wind, it is advisable to clear heavy snow

accumulation from the roof to prevent excessive stress on the structure. Consider storing curtains and netting indoors during harsh winter months to extend their lifespan.

6. TROUBLESHOOTING

If you encounter any issues with your Domi Hardtop Gazebo, please refer to the following general troubleshooting tips:

- **Stability Issues:** Ensure all anchor points are securely fastened to a stable surface. Re-check all frame connections and tighten any loose bolts.
- **Water Leakage:** Verify that all roof panels are correctly installed and sealed. Check for any gaps or misalignments in the roof structure.
- **Curtain/Netting Malfunction:** Inspect the dual rail system for any obstructions or damage. Ensure zippers are clean and move freely.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately with your order details.

For persistent issues or concerns not covered here, please refer to the Warranty and Support section for contact information.

7. SPECIFICATIONS

Attribute	Value
