› Neodrain Stainless Steel Wall-Mounted Shower Niche with Double Shelf, 60 x 20 cm, Black

Neodrain BAY2-2060-MB

Neodrain Stainless Steel Wall-Mounted Shower Niche with Double Shelf, 60 x 20 cm, Black

Model: BAY2-2060-MB

1. INTRODUCTION

The Neodrain Stainless Steel Shower Niche is designed to provide a sleek, integrated storage solution for your bathroom. This 60 x 20 cm black double niche offers convenient space for shower essentials, enhancing both functionality and aesthetics. Constructed from durable stainless steel, it is built for longevity and ease of maintenance.

2. SAFETY INFORMATION

Please read and follow all installation instructions carefully. Failure to do so may result in product damage or injury.

- Ensure the wall niche is securely fastened to the wall before placing any items on it.
- Avoid overloading the niche. Do not place heavy or bulky objects that could cause it to slip or fall.
- Use the wall niche only for its intended purpose. Do not place hazardous or flammable objects inside.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- 1 x Neodrain Stainless Steel Shower Niche (60 x 20 x 10 cm) with integrated double shelf
- 1 x Installation Manual

4. SPECIFICATIONS

5. SETUP AND INSTALLATION

The Neodrain shower niche is designed for easy wall mounting. For optimal results and to ensure a waterproof installation, professional installation is recommended, especially in wet areas like showers.

Installation Steps:

1. **Prepare the Opening:** Create a precise opening in your wall according to the niche's dimensions (60 x 20 cm). Ensure the opening is level and plumb.
2. **Test Fit:** Carefully insert the niche into the opening to ensure a snug fit. Adjust the opening as necessary.
3. **Secure the Niche:** Apply a waterproof sealant or adhesive around the edges of the niche before inserting it into the wall. Secure it using appropriate fasteners for your wall type (e.g., screws into studs or blocking).
4. **Waterproofing:** Ensure all seams and edges are thoroughly sealed with a high-quality waterproof sealant to prevent leaks. The niche features seamless welding for enhanced waterproofing.
5. **Finishing:** Once secured and sealed, you can proceed with tiling or other wall finishes around the niche.

Rust-proof 304 Stainless Steel

Seamless Welding 100% waterproof

6. OPERATING INSTRUCTIONS

The Neodrain shower niche provides convenient storage for various bathroom items. Simply place your shampoo, conditioner, shower gel, soaps, and other toiletries on the shelves. The double shelf design allows for organized storage.

- Utilize the upper and lower shelves to separate items as needed.
- The sloped bottom of the niche facilitates water drainage, preventing accumulation.

7. MAINTENANCE

To maintain the appearance and longevity of your Neodrain shower niche, follow these simple cleaning guidelines:

- **Daily Cleaning:** Wipe the niche with a soft, dry cloth after each use to prevent water spots and soap scum buildup.
- **Regular Cleaning:** For a more thorough clean, use a mild, non-abrasive bathroom cleaner and a soft sponge or cloth. Rinse thoroughly with water and dry completely.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemicals (e.g., bleach, ammonia-based cleaners) as these can damage the stainless steel finish.
- **Drainage:** The hollow shelf design and sloped bottom promote easy drainage. Ensure these areas remain clear of debris to maintain efficient water runoff.

8. TROUBLESHOOTING

If you encounter any issues with your Neodrain shower niche, consider the following:

- **Water Accumulation:** If water is pooling in the niche, verify that the installation was done correctly with the sloped bottom facing downwards and that the drainage holes are not obstructed.
- **Niche Feels Loose:** If the niche feels unstable after installation, immediately remove any items and re-check the mounting hardware and sealing. Consult a professional if necessary.
- **Stains or Discoloration:** Ensure you are using appropriate cleaning agents for stainless steel. Stubborn stains may require specialized stainless steel cleaner.

9. WARRANTY AND SUPPORT

Specific warranty information for the Neodrain Stainless Steel Shower Niche is typically provided at the point of purchase or within the product packaging. Please refer to your purchase documentation for details regarding warranty coverage and duration.

For technical support, installation assistance, or any other inquiries, please contact Neodrain customer service through the retailer where the product was purchased or visit the official Neodrain website for contact information.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
