Flever QT-085

Flever Moon Magic Miniature DIY Dollhouse Kit Instruction Manual

Model: QT-085 | Brand: Flever

INTRODUCTION

This instruction manual provides detailed guidance for assembling your Flever Moon Magic Miniature DIY Dollhouse Kit. Designed for individuals aged 14 years and older, this kit requires patience and attention to detail. The finished product is a charming miniature scene, perfect for display.

Important Safety Note: This kit contains sharp tools and small parts. Please handle with care and keep out of reach of small children.

The estimated assembly time is 18-24 hours, varying based on individual crafting experience.

PRODUCT DIMENSIONS

- **Finished Product Size:** 3.5 inches (Length) x 3.5 inches (Width) x 4.5 inches (Height)
- **Scale:** 1:32
- **Weight:** 0.5 pounds

WHAT'S IN THE BOX

Your Flever Moon Magic Miniature DIY Dollhouse Kit includes the following components:

- Pre-cut MDF wooden pieces for the house structure and furniture.
- Fabric and printed paper for decorations and accessories.
- Plexiglass pieces for the dust cover.
- LED light wires and other miniature decorations & accessories.
- English instruction manual (a PDF version can be requested from the seller if needed).
- Toolkit including a knife, tweezers, ruler, and screwdriver.

Items Not Included (Required for Assembly):

6. **Accessory Placement:** Decorate the interior with the fabric and other miniature accessories. Use tweezers for precise placement of small items.
7. **LED Light Installation:** Carefully install the LED light wires as indicated in the manual. Ensure all connections are secure.
8. **Dust Cover:** Once the main assembly and decoration are complete, attach the plexiglass dust cover to protect your miniature scene.

For a visual guide, please refer to the official assembly videos provided by Flever Dollhouse.

OPERATING INSTRUCTIONS (LED LIGHTS)

To illuminate your Flever Moon Magic dollhouse, insert 3 LR44 button cell batteries into the designated battery compartment, typically located at the base of the kit. Follow the polarity markings (+/-) to ensure correct installation. Once batteries are in place, activate the lights using the integrated switch.

Tested & Loved Before Launch

MAINTENANCE

To ensure the longevity and appearance of your miniature dollhouse:

- **Storage:** Do not store the product near a fire source or in a damp environment to avoid damage to the parts.
- **Cleaning:** Gently dust the dollhouse and its components with a soft, dry brush or cloth. Avoid using liquid cleaners, which may damage the materials.
- **Handling:** Handle the assembled dollhouse with care to prevent small parts from detaching.

TROUBLESHOOTING

Issue	Solution
Missing or damaged parts	Contact the seller for assistance and replacement parts.
Instructions are unclear	Refer to the detailed diagrams in the paper manual. If further clarification is needed, contact the seller for a PDF version or video links.
LED lights not working	Ensure 3 LR44 button cell batteries are correctly installed with proper polarity. Check the switch position.
Parts not adhering properly	Use a quick-dry tacky glue for best results. Apply a small, even amount and hold pieces together until set.
