SETUP AND ASSEMBLY

Assembly is required for this patio conversation set. An instruction manual is included in the packaging to guide you through the installation process. Please follow the steps carefully.

1. Unpack all components from the 3 boxes. Ensure all parts and hardware are present according to the included parts list.
2. Assemble each sofa unit and the coffee table following the step-by-step instructions provided in the separate assembly guide.
3. Once individual units are assembled, arrange them into your desired configuration. The modular design allows for flexible arrangements.
4. Use the provided sofa clamps to secure the individual sofa units together, preventing them from shifting during

use.

5. Place the cushions on the assembled sofa units.

OPERATING INSTRUCTIONS

Modular Configuration

The 7-piece set offers a modular design, allowing you to freely combine the corner sofas and armless sofas to create various layouts suitable for your outdoor space, such as a large sectional, separate seating areas, or a U-shaped arrangement.

Cushion Comfort

The cushions are made with high elastic sponges designed for comfort and resilience. The backrests feature a 105-degree slope for lumbar support.

Coffee Table Use

The coffee table features a tempered glass top for durability. Four suction cups secure the glass to the rattan frame, preventing movement and protecting the wicker underneath.

MAINTENANCE

Cleaning

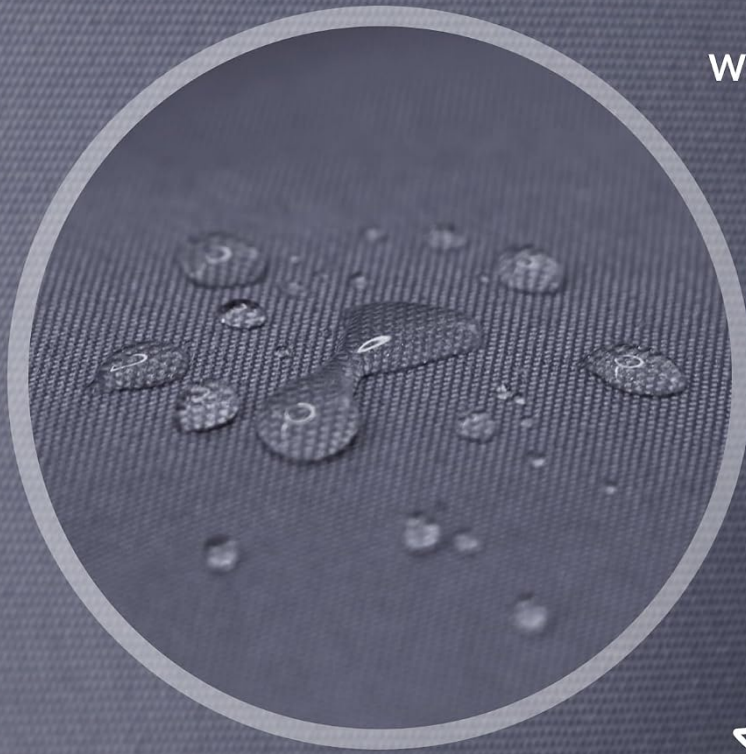

The PE resin wicker rattan is UV-resistant and waterproof. For general cleaning, wipe the rattan and tempered glass with a damp cloth. The cushion covers are equipped with zippers for easy removal and cleaning.

Weather Protection

The patio sofa set includes a protective waterproof cover made from 500D oxford fabric with a PU coating. This cover is designed to be UV-resistant and 100% waterproof, protecting your furniture from the elements. Please cover the sofas when not in use, especially during adverse weather conditions, to prolong their lifespan.
