# Juskys Aria Double Polyrattan Hanging Chair Instruction Manual

Model: 51405

## INTRODUCTION

Thank you for choosing the Juskys Aria Double Polyrattan Hanging Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new hanging chair. Please read these instructions carefully before use and retain them for future reference.

The Juskys Aria Double Polyrattan Hanging Chair is designed for comfortable seating for two people, suitable for both indoor and protected outdoor environments. It features a robust frame, a spacious polyrattan basket, and soft cushions for enhanced comfort.

## SAFETY INSTRUCTIONS

- **Maximum Weight Capacity:** Do not exceed the maximum weight capacity of 220 kg (approximately 485 lbs). Overloading can cause damage to the chair and lead to injury.
- **Stable Surface:** Always place the hanging chair on a flat, stable, and level surface to prevent tipping.
- **Children and Pets:** Keep children and pets away from the chair during assembly. Supervise children when they are near or using the chair.
- **Assembly:** Ensure all components are correctly assembled and tightened according to the instructions before use. Regularly check all connections for tightness.
- **Weather Conditions:** While suitable for protected outdoor areas, avoid prolonged exposure to extreme weather conditions (heavy rain, strong winds, direct sunlight) to prolong the product's lifespan. Store cushions indoors during adverse weather.
- **Movement:** Do not stand on the chair or use it as a stepping stool. Avoid excessive swinging or sudden movements that could destabilize the chair.
- **Maintenance:** Regularly inspect the chair for any signs of wear, damage, or loose parts. Discontinue use if

any damage is found and contact customer support.

## PACKAGE CONTENTS

---

Before assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer service.

- Hanging Chair Basket (Polyrattan)
- C-shaped Stand with X-foot Base
- Spring Suspension Mechanism
- Chains for Height Adjustment
- Seat Cushion
- Head/Back Pillows
- Assembly Hardware (bolts, nuts, washers, tools if included)

## SETUP AND ASSEMBLY

---

Assembly typically requires two adults. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Base:** Connect the X-foot base components to the main C-shaped stand. Ensure all bolts are securely tightened. The stand features stable steel tubes and a powder-coated finish for durability.
3. **Form the Basket:** The polyrattan basket may come in sections. Carefully connect the sections to form the complete egg-shaped basket. Refer to the diagram below for visual guidance.

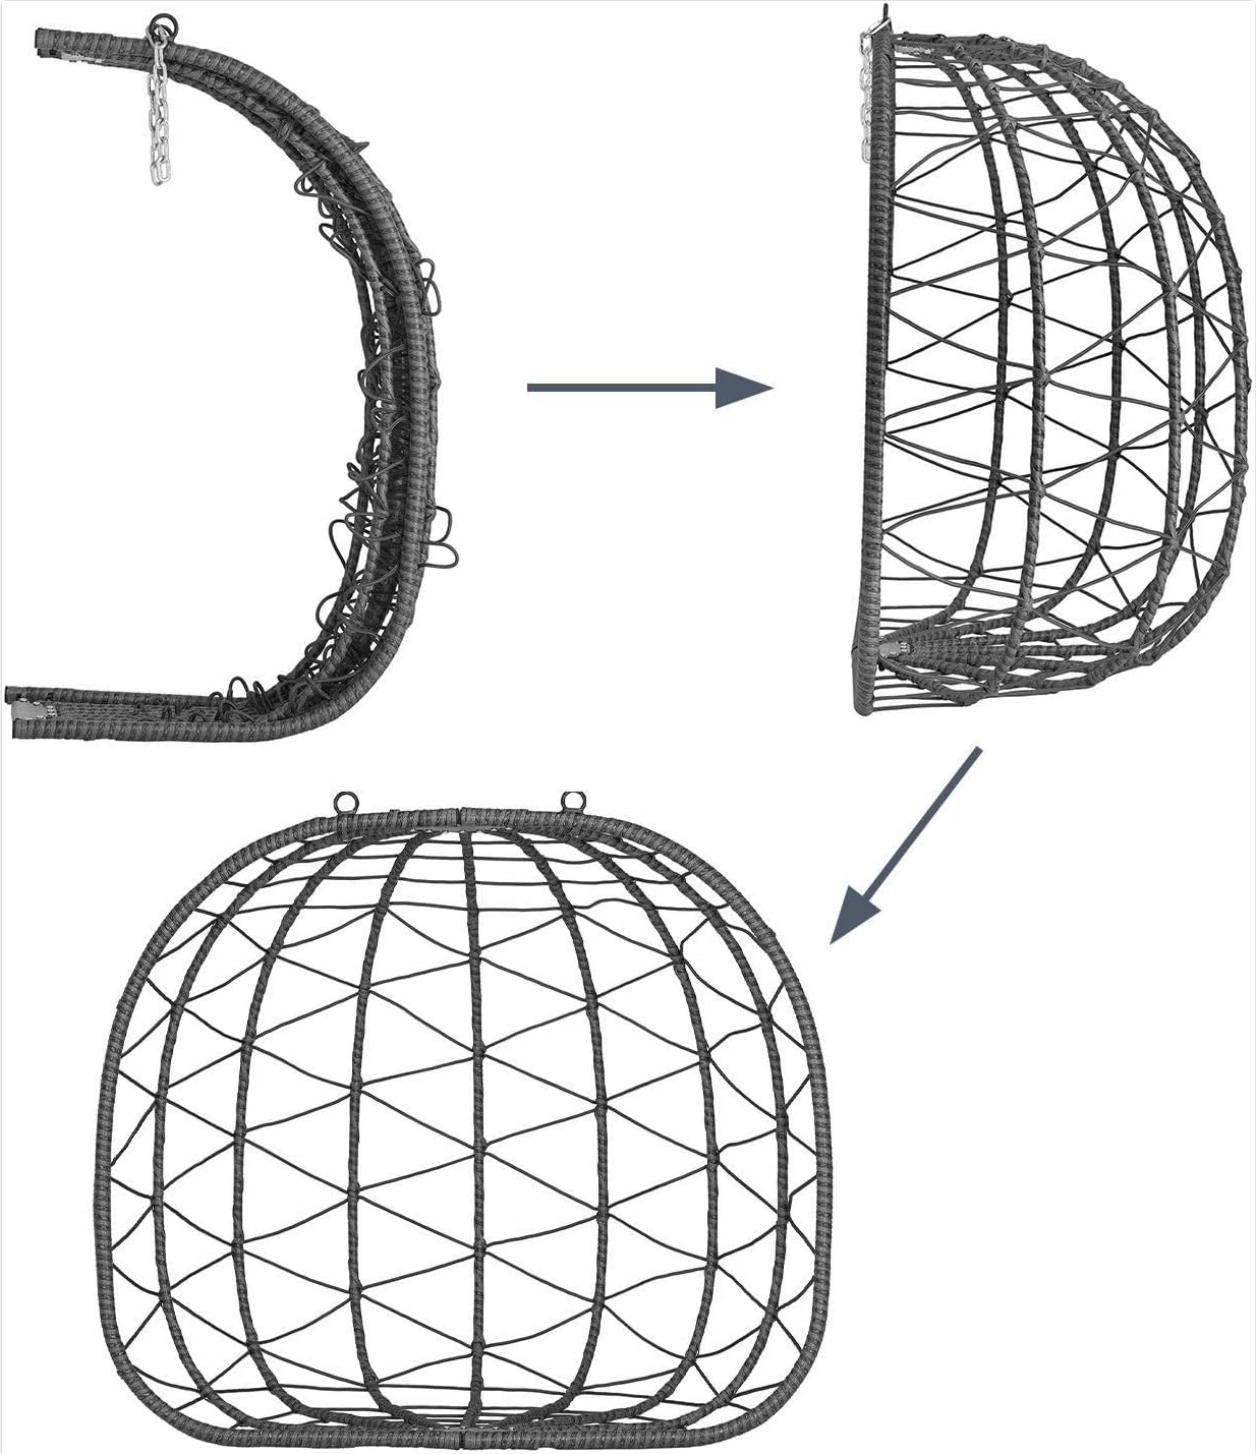

Image: Visual guide for assembling the polyrattan basket sections.

4. **Attach Suspension:** Connect the spring suspension mechanism to the top of the C-shaped stand. Then, attach the chains to the spring and to the designated points on the hanging chair basket. The chains allow for height adjustment.
5. **Place Cushions:** Position the large seat cushion inside the basket. Place the smaller head/back pillows as desired for comfort. Some cushions may have straps to secure them to the basket frame.

6. **Final Check:** Before first use, double-check all connections, bolts, and suspension points to ensure they are secure and properly tightened.

The assembled chair provides a comfortable and relaxing experience, featuring a breathable weave and an ergonomically shaped design.

## OPERATING INSTRUCTIONS

- **Seating:** Gently sit into the chair. The design accommodates two individuals comfortably.
- **Swinging Motion:** The chair is designed for a gentle, relaxing swinging motion. Avoid aggressive or sudden movements.
- **Height Adjustment:** The basket's height can be adjusted using the chains connected to the spring suspension. Ensure the chair is empty and stable before attempting to adjust the height.
- **Comfort:** Utilize the soft seat cushion and head/back pillows for optimal comfort and support.

## MAINTENANCE

- **Cleaning the Frame and Basket:** Wipe the polyrattan basket and metal frame with a damp cloth and mild

soap. Rinse thoroughly and dry completely to prevent water spots or rust. Avoid abrasive cleaners or harsh chemicals.

- **Cushion Care:** The cushion covers are washable. Refer to the care label on the cushions for specific washing instructions. Typically, they can be machine washed on a gentle cycle with cold water and air-dried.
- **Regular Inspection:** Periodically check all bolts, nuts, and suspension components for tightness and signs of wear. Tighten any loose fasteners.
- **Storage:** During prolonged periods of non-use or harsh weather, store the cushions indoors. If possible, cover the entire chair or store it in a protected area to extend its lifespan.

## TROUBLESHOOTING

- **Chair feels unstable:**  
*Solution:* Ensure the chair is placed on a completely flat and level surface. Check all assembly bolts and connections, especially on the base and stand, to ensure they are fully tightened.
- **Squeaking noise during swinging:**  
*Solution:* Apply a small amount of silicone-based lubricant to the spring suspension mechanism and chain links. Avoid oil-based lubricants that can attract dirt.
- **Cushions slipping:**  
*Solution:* Ensure the cushions are properly seated. If equipped, use the attachment straps to secure them to the basket frame.
- **Difficulty adjusting height:**  
*Solution:* Ensure the chair is empty before attempting to adjust the chain length. Check for any kinks or obstructions in the chain.

## SPECIFICATIONS

Feature	Specification
Model Number	51405
Dimensions (L x W x H)	127 cm x 130 cm x 197 cm (approximate total height)
Weight	35 kg
Maximum Weight Capacity	220 kg
Material	Polyrattan (basket), Steel (frame)
