Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, use, and maintenance of your Sembo Rifle Building Blocks, Model 702920. Please read all instructions carefully before beginning assembly to ensure a correct and enjoyable building experience. This set consists of 1222 pieces and is recommended for ages 8 years and up.

SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.
- **Material:** The building blocks are made from plastic. Avoid exposing them to extreme heat or open flames.
- **Proper Use:** This product is a building toy. Do not use it as a real weapon or for any purpose other than its intended use as a toy model.

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included instruction booklet. The assembly process is designed to be intuitive, but careful attention to detail will ensure a sturdy and accurate model.

1. **Unpack Components:** Carefully open the packaging and remove all building block bags and the instruction booklet.
2. **Sort Pieces:** Before starting, it is highly recommended to sort the building blocks by color, size, or type. This will significantly speed up the assembly process and reduce frustration.
3. **Follow Booklet:** Refer to the numbered steps in the instruction booklet. Each step illustrates which pieces are needed and how they connect.
4. **Check Connections:** Ensure all pieces are firmly connected to prevent the model from falling apart.

during or after assembly.

5. **Patience is Key:** Building complex models requires patience. If you encounter difficulty, re-examine the previous steps.

OPERATING THE MODEL

The Sembo Rifle Building Blocks Model 702920 is primarily designed as a display model. While it is a sturdy construction, it is not intended for rough play. Handle the assembled model with care to preserve its integrity.

- **Display:** Place the model on a stable, flat surface away from direct sunlight or extreme temperatures.
- **Gentle Interaction:** Some parts may have limited articulation. Operate any moving parts gently to avoid breakage.

MAINTENANCE

Proper care will help maintain the appearance and longevity of your building block model.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust.

TROUBLESHOOTING

If you encounter issues during or after assembly, consider the following:

- **Missing Pieces:** Double-check all packaging and the assembly area. If pieces are genuinely missing, refer to the support section for assistance.
- **Incorrect Assembly:** Review the instruction booklet carefully. It is common to misinterpret a step or place a piece incorrectly. Disassemble the problematic section and re-assemble.
- **Loose Connections:** Ensure all pieces are pressed firmly together. Sometimes a piece may appear connected but is not fully seated.
