CANMEIJIA CM-JQD-4L-S

CANMEIJIA 4-Light Bathroom Vanity Light Fixture User Manual

Model: CM-JQD-4L-S (Brushed Nickel)

1. INTRODUCTION

Thank you for choosing the CANMEIJIA 4-Light Bathroom Vanity Light Fixture. This modern fixture features a brushed nickel finish and elegant milky white glass shades, designed to enhance the aesthetic of your bathroom, bedroom, or living room. This manual provides essential information for safe installation, operation, and maintenance of your new lighting fixture. Please read all instructions carefully before beginning installation and retain this manual for future reference.

2. SAFETY INFORMATION

WARNING: Risk of electric shock. Disconnect power at the circuit breaker or fuse box before installation or servicing. Consult a qualified electrician if you are unsure about the installation process.

- Ensure all electrical connections comply with local codes and ordinances, as well as the National Electric Code (NEC).
- This fixture is intended for indoor use only. Do not expose to direct water spray or excessive moisture.

- Use only E26 base bulbs with a maximum wattage of 60W per light. Exceeding the maximum wattage can cause overheating and fire.
- Handle glass shades with care to prevent breakage.
- Do not install on a surface that is not structurally sound.

3. PRODUCT SPECIFICATIONS

4. WHAT'S IN THE BOX

Your CANMEIJIA 4-Light Bathroom Vanity Light Fixture package includes:

- 1 x Light Fixture Body (Brushed Nickel)
- 4 x Milky White Glass Shades
- Mounting Hardware (screws, wire nuts, mounting plate)
- User Manual

5. INSTALLATION INSTRUCTIONS

Please follow these steps carefully for proper installation. Ensure power is disconnected at the circuit breaker before starting.

1. **Prepare the Mounting Plate:** Attach the mounting plate to your electrical junction box using the provided screws. Ensure it is securely fastened.
2. **Connect Wiring:** Connect the fixture's wires to your household wiring. Connect the black wire (live) to the black wire, the white wire (neutral) to the white wire, and the ground wire to the ground wire.

Secure connections with wire nuts.

3. **Mount the Fixture:** Carefully align the fixture body with the mounting plate and secure it using the decorative nuts or screws provided.
4. **Install Glass Shades:** Gently attach each milky white glass shade to the fixture.
5. **Insert Bulbs:** Screw E26 base bulbs (not included, max 60W each) into the sockets.

6. OPERATING INSTRUCTIONS

Once installed, operate the light fixture using your standard wall switch. This fixture is compatible with E26 standard medium base bulbs. For optimal performance and desired light output, select bulbs that meet your specific needs (e.g., LED, incandescent, CFL) within the 60W maximum limit per socket.

7. MAINTENANCE

To maintain the appearance and functionality of your light fixture, follow these simple maintenance guidelines:

- **Cleaning:** Always disconnect power before cleaning. Wipe the fixture body with a soft, dry cloth. For glass shades, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish or glass.
- **Bulb Replacement:** Ensure power is off and bulbs have cooled before replacing. Screw in new E26 base bulbs (max 60W) firmly but gently.
- **Durability:** The brushed nickel finish is designed to resist rust and ensure long-lasting durability. Regular cleaning will help preserve its appearance.

8. TROUBLESHOOTING

If you encounter issues with your light fixture, refer to the following common problems and solutions:

- **Light does not turn on:**
 - Check if the power is on at the circuit breaker.
 - Ensure bulbs are screwed in correctly and are not burnt out.
 - Verify wiring connections are secure.
- **Flickering lights:**
 - Ensure bulbs are fully tightened.
 - Check for loose wiring connections.
 - Confirm bulbs are compatible with any dimmer switches, if applicable.
- **Fixture is loose:**
 - Tighten the mounting screws or decorative nuts securing the fixture to the mounting plate.

If problems persist, consult a qualified electrician or contact CANMEIJIA customer support.

9. WARRANTY AND SUPPORT

This CANMEIJIA light fixture is covered by a 3-year manufacturer's warranty. This warranty covers defects in materials and workmanship under normal use. For warranty claims or technical support, please contact CANMEIJIA customer service through the retailer where the product was purchased or visit the official CANMEIJIA website.
