Zinus Joseph 10 Inch Platform Bed Frame User Manual

Brand: **ZINUS** | Model: **OLB-MBBF-10QS**

Product Overview

With its modern steel frame and wood slats, the Joseph Platform Bed Frame supports a restful night's sleep in durable style. It's available in four different profile heights—6 inches, 10 inches, 14 inches and 18 inches—so whether you prefer a lower profile aesthetic or a more elevated sleeping surface, you'll find the ideal height for your mattress. This new version ships in a smaller WonderBox(TM) that's expertly engineered to leave a smaller carbon footprint. Its sturdy steel frame and durable wood slat platform give your mattress all the support it needs without a box spring. And the 10-inch profile height offer underbed clearance, giving you extra space for odds and ends. All the tools and instructions you need for simple setup are included in the new, smaller box and shipped right to your door. With its affordable price and 5-year worry-free warranty, this Joseph Platform Bed Frame is a stylish value that's built to last.

Maintenance

To maintain the appearance and longevity of your bed frame, wipe it with a dry cloth as needed. Regularly check all bolts and connections to ensure they remain tight.

Troubleshooting

Squeaking Noises

If you experience squeaking, ensure all bolts are securely tightened. The frame is designed with squeak-free foam pads, but loose connections can cause noise. Re-tighten all assembly hardware.

Mattress Shifting

While the wooden slats provide good grip, if your mattress tends to shift, consider using a non-slip mattress pad between the

mattress and the slats.
