

Zinus FGPP-QS

ZINUS Judy Upholstered Platform Bed Frame Instruction Manual

Model: FGPP-QS (Queen Size, Dark Grey)

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your ZINUS Judy Upholstered Platform Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

To ensure safe use of this product, please observe the following:

- The maximum weight recommendation for this bed frame is **350 pounds**. Do not exceed this limit.
- Be aware of potential pinch points during assembly due to dense foam padding and moving parts.
- Proper **two-person assembly** is required to prevent instability or collapse.
- Ensure all bolts and connections are securely tightened before use.

SETUP AND ASSEMBLY

Your ZINUS Judy Upholstered Platform Bed Frame is designed for easy assembly. All necessary tools and instructions are conveniently packed within the WonderBox™ packaging. We recommend two people for assembly, which typically takes under an hour.

Assembly Steps Overview:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included instruction manual for a complete list of parts and hardware. While some parts may not be explicitly labeled on the components themselves, the visual diagrams in the manual are designed to guide identification.
3. **Assemble Frame:** Follow the step-by-step diagrams to connect the frame components using the provided bolts and

wrench. Ensure all connections are snug but do not overtighten until the frame is fully assembled.

4. **Install Slats:** Position the wood slats onto the frame. These slats provide direct support for your mattress, eliminating the need for a box spring.
5. **Final Tightening:** Once the entire frame is assembled, go back and securely tighten all bolts.

For visual guidance, please refer to the detailed instruction manual included in your package. A digital version of the installation manual (PDF) may also be available online from the manufacturer.

OPERATING INSTRUCTIONS

The ZINUS Judy Upholstered Platform Bed Frame is designed to provide sturdy support for your mattress without the need for a box spring.

- **Mattress Compatibility:** This platform bed is suitable for spring, memory foam, or latex mattresses. The durable wood slats provide ample support.
- **Headboard Comfort:** The geometric-designed headboard features foam padding, offering a comfortable backrest for reading or relaxing.
- **Underbed Clearance:** The frame design provides clearance underneath for storage, allowing you to maximize space in your bedroom.

MAINTENANCE

To maintain the appearance and longevity of your bed frame:

- **Cleaning:** The upholstered fabric should be **spot cleaned only**. Use a mild detergent and a damp cloth for any spills or marks. Avoid harsh chemicals.
- **Periodic Check:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten as necessary to maintain stability and prevent squeaking.

TROUBLESHOOTING

If you encounter any issues during or after assembly, please refer to the following common solutions:

- **Parts Not Labeled / Unclear Instructions:** Refer to the visual diagrams in the included instruction manual. If available, search for official assembly videos from Zinus online, as these often provide clearer visual guidance.
- **Screws Not Fitting / Misaligned Holes:** Double-check that you are using the correct hardware for each step. If holes appear to be obstructed or misaligned, gently try to adjust the frame components. If the issue persists and appears to be a manufacturing defect, contact customer support.
- **Frame Instability / Squeaking:** Ensure all bolts are fully tightened. An unstable frame or squeaking often indicates loose connections. Re-check every bolt on the frame.
- **Headboard Bending / Not Solid:** The headboard is designed with foam padding for comfort. If you experience excessive bending or structural issues, verify that it is correctly attached to the frame according to the instructions. If it appears defective, contact customer support.

SPECIFICATIONS

Size	Queen
Material	Alloy Steel, Foam Padding, Wood
Product Dimensions (L x W x H)	84.4" x 62.8" x 40.8"
Style	Geometric Tufted Headboard
