Zinus OLB-MBBF-6FS

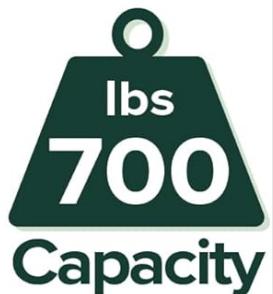

Zinus Joseph Low Profile 6 Inch Platform Bed Frame User Manual

Model: OLB-MBBF-6FS | Brand: [Zinus](#)

INTRODUCTION

The Zinus Joseph Low Profile 6 Inch Platform Bed Frame provides a sturdy and modern foundation for your mattress. Designed for easy assembly and durability, this frame eliminates the need for a box spring, offering direct support for various mattress types. Its low-profile design is ideal for those who prefer a lower sleeping surface or to create a more open feel in their bedroom.

SETUP AND ASSEMBLY

This bed frame is designed for simple, two-person assembly in under an hour. All necessary parts, tools, and instructions are efficiently packed in the eco-friendly WonderBox™.

Package Contents:

- Steel Frame Components
- Wood Slats
- Assembly Tools (including a handy ratchet)
- Installation Manual

Assembly Steps:

1. Unpack all components from the WonderBox™ and verify against the parts list in the manual.
2. Follow the numbered instructions for connecting the steel frame pieces. The design features a robust security mechanism for secure connections.

3. Install the durable wood slats onto the frame. The slats are designed to support your mattress without the need for a box spring.
4. Ensure all connections are tightened securely using the provided tools.

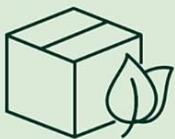

Original vs. New Box

Original big box

**Innovative,
smaller box**

**Conveniently
packed & delivered
to your doorstep**

**Same quick &
easy delivery with
a smaller carbon
footprint**

**Incredible comfort,
dependable value**

**Incredible comfort,

OPERATING INSTRUCTIONS

The Zinus Joseph Platform Bed Frame is designed to provide optimal support for your mattress without the need for a box spring. Its strong and durable steel frame combined with plywood slats ensures stability and extends the life of your mattress.

Mattress Placement:

Place your spring, memory foam, or latex mattress directly onto the wood slats. The slats are spaced to provide adequate ventilation and support.

Weight Capacity:

The frame supports up to 350 lbs for Narrow Twin and Twin sizes, and up to 700 lbs for all other sizes (Full, Queen, King).

MAINTENANCE

To maintain the quality and longevity of your Zinus Joseph Platform Bed Frame, follow these simple care instructions:

- **Cleaning:** Wipe the metal frame with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaks.
- **Ventilation:** Ensure adequate airflow around and under the mattress to prevent moisture buildup.

TROUBLESHOOTING

If you encounter any issues with your bed frame, consider the following:

- **Squeaking Noises:** Squeaks can often be resolved by re-tightening all assembly bolts. Ensure the mattress is

properly seated on the slats. The frame includes squeak-free foam pads to minimize noise.

- **Instability:** Verify that all frame components are correctly assembled and securely fastened. Check for any loose connections or improperly installed slats.
- **Mattress Shifting:** Some models may include adhesive strips on the slats to help prevent mattress movement. Ensure these are properly applied if available.
