ZINUS CSPB-FS

ZINUS Dachelle Upholstered Platform Bed Frame User Manual

Model: CSPB-FS

Introduction

The ZINUS Dachelle Upholstered Platform Bed Frame is designed to provide sturdy support for your mattress without the need for a box spring. It features a modern dark grey upholstery with a button-tufted headboard, enhancing the aesthetic of any bedroom. This bed frame is engineered for durability and ease of assembly, arriving in a compact WonderBox™ packaging to minimize environmental impact.

Safety Information

Always follow the assembly instructions carefully to prevent instability or collapse. Do not exceed the weight limit of 700 lbs. Ensure all connections are secure before use. Keep small parts away from children during assembly.

Package Contents

Your ZINUS Dachelle Platform Bed Frame package includes all necessary components for assembly. Please verify that all items listed below are present before beginning:

- Upholstered Headboard
- Side Rails (2)
- Footboard
- Wood Slats
- Center Support Beam(s)

- Legs
- Assembly Tools (Ratchet Hex Wrench)
- Fasteners and Hardware
- Installation Manual (PDF available online: Download Manual)

Setup and Assembly

The Dachelle Platform Bed Frame is designed for easy, two-person assembly, typically taking less than an hour. All required tools are included in the innovative WonderBox™ packaging, which also helps reduce the carbon footprint.

1. Unpack all components from the WonderBox™ packaging. The headboard often contains other parts zipped inside.
2. Follow the clear instructions provided in the installation manual.
3. Assemble the frame by connecting the side rails to the headboard and footboard using the provided fasteners.
4. Install the center support beam(s) and legs for added stability.
5. Lay the wooden slats across the frame. The slats are designed to be secured in place, often with Velcro, for noise-free use

and to prevent mattress shifting.

6. Ensure all connections are tightened securely before placing your mattress on the frame.

Operating Instructions

The ZINUS Dachelle Platform Bed Frame is designed to support your mattress directly, eliminating the need for a box spring. Simply place your spring, memory foam, or latex mattress directly onto the wooden slats. The sturdy design ensures optimal support and extends the life of your mattress.

Maintenance

To maintain the appearance and longevity of your upholstered bed frame, follow these care instructions:

- **Spot Clean Only:** For spills or stains on the upholstery, use a clean, damp cloth and a mild fabric cleaner. Blot gently; do not rub.
- **Regular Dusting:** Dust the upholstered surfaces regularly with a soft brush or vacuum cleaner with an upholstery attachment to prevent dust buildup.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the fabric to fade.
- **Check Connections:** Periodically check all bolts and connections to ensure they remain tight and secure. Tighten if necessary.

Troubleshooting

If you encounter any issues with your ZINUS Dachelle Platform Bed Frame, consider the following common solutions:

- **Squeaking Noises:** Squeaking can often be resolved by re-tightening all assembly bolts. Ensure the wooden slats are properly seated and secured (e.g., via Velcro).
- **Instability/Wobbling:** Check that all legs are firmly attached and that the frame is assembled on a flat, level surface. Re-tighten all hardware.
- **Missing Parts:** If any parts were missing upon delivery, please contact ZINUS customer support immediately for assistance.

Specifications
