

Amazon Basics AMZ-34FTHT-BK

Amazon Basics 34-inch Portable Folding Table (Model: AMZ-34FTHT-BK) User Manual

INTRODUCTION

Thank you for choosing the Amazon Basics 34-inch Portable Folding Table. This manual provides essential information for the safe and efficient setup, operation, and maintenance of your new table. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

- **Pinching Hazard:** Exercise extreme caution when folding or unfolding the table and its legs to prevent pinching fingers. Keep hands clear of all moving parts and hinges.
- **Stability:** Always ensure the table is fully unfolded, and all legs are securely locked into place before use. Uneven surfaces can compromise stability.
- **Weight Limit:** Do not exceed the maximum weight capacity of 200 pounds (90.7 kg) to prevent damage to the table or potential injury.
- **Intended Use:** This table is designed for indoor use as a dining, card, or utility table. While portable, it is not intended for heavy-duty industrial or outdoor exposure to harsh weather conditions.
- **Children:** Keep children away from the table during setup and folding. Supervise children when they are using the table.

PACKAGE CONTENTS

- 1 x Amazon Basics 34-inch Portable Folding Table
- 1 x Assembly Guide (included with product)

SETUP INSTRUCTIONS

Unfolding the Table

1. Place the folded table on a flat, stable surface.
2. Carefully unfold the table halves until they lay flat, ensuring the auto-locking system engages to secure the tabletop.

3. Grab each leg and pull it outwards and downwards until it fully extends and clicks into its locked position. Ensure all four legs are securely locked.
4. Once all legs are locked, carefully flip the table upright. Verify that the table is stable before placing any items on it.

OPERATION

The Amazon Basics Portable Folding Table is designed for versatile use. It can serve as a temporary dining table, a card table for games, or an extra surface for various activities. Ensure the table is placed on a level surface and that all locking mechanisms are engaged for optimal stability. The table has a maximum weight capacity of 200 pounds (90.7 kg).

FOLDING AND STORAGE

Collapsing the Table for Storage

1. Clear all items from the tabletop.
2. Carefully flip the table over so the tabletop faces the floor.
3. Locate the grey pinch-free button on each leg. Press the button and gently push the leg inward and upward to release it from its locked position.
4. Fold all four legs completely inward.
5. Unlatch the auto-locking system in the center of the table and fold the table in half. Ensure the two halves are securely latched together.
6. Use the built-in carrying handle for easy transport. Store the folded table in a dry, safe place away from direct sunlight or extreme temperatures.

MAINTENANCE

To clean the table, simply wipe it with a dry cloth. For tougher stains, a damp cloth with mild soap can be used, followed by drying thoroughly. Avoid using abrasive cleaners or harsh chemicals, as these may damage the surface. Store the table in a clean, dry environment when not in use.

TROUBLESHOOTING

- **Table feels unstable:** Ensure all four legs are fully extended and the locking mechanisms are engaged. Check that the tabletop halves are securely latched together. Place the table on a flat, level surface.
- **Difficulty folding/unfolding legs:** Make sure the grey pinch-free button on each leg is fully depressed when attempting to adjust the leg position. Do not force the legs; if resistance is met, re-check the button and alignment.

- **Tabletop not flat:** Verify that the central auto-locking system is properly engaged when the table is unfolded. If it's not clicking into place, gently adjust the table halves until it locks.

SPECIFICATIONS

Brand	Amazon Basics
Model Name	AMZ-34FTHT-BK
Product Dimensions (D x W x H)	33.9" x 33.9" x 29.1" (86.1 cm x 86.1 cm x 73.9 cm)
