PayLessHere Home Office Chair

PayLessHere Home Office Chair User Manual - Adjustable Ergonomic Mesh Chair

Model: Home Office Chair | Brand: PayLessHere

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your PayLessHere Home Office Chair. Designed for optimal comfort and support, this adjustable ergonomic mesh chair features lumbar support, armrests, high-density mesh, and 360-degree swivel functionality. Please read this manual thoroughly before use to ensure proper setup and safe operation.

Product Parameter

IMPORTANT SAFETY INFORMATION

- **Maximum Weight Capacity:** 200 lbs. Do not exceed this limit to ensure stability and prevent injury.
- **Assembly:** Improper assembly may lead to instability or injury. Follow all assembly instructions carefully.
- **Usage:** Use the chair only for its intended purpose. Avoid standing on the chair or using it as a step stool.
- **Maintenance:** Regularly check all bolts and screws to ensure they are tight. Retighten as necessary.

SETUP AND ASSEMBLY

Your PayLessHere Home Office Chair requires assembly. Please ensure all components are present before beginning. A typical assembly process involves attaching the base, gas lift, seat, backrest, and armrests. All necessary tools are usually included.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.

2. Attach the five-star base to the casters (wheels). Ensure they are securely inserted.
3. Insert the gas lift cylinder into the center hole of the five-star base.
4. Attach the seat plate mechanism to the underside of the seat cushion using the provided screws.
5. Connect the backrest to the seat plate mechanism or directly to the seat, depending on the design, using the appropriate hardware.
6. Attach the armrests to the seat and/or backrest as indicated in the specific instructions provided with your chair.
7. Place the assembled seat and backrest onto the gas lift cylinder.
8. Test all functions, including height adjustment and swivel, to ensure proper operation.

OPERATING INSTRUCTIONS

Your PayLessHere Home Office Chair offers several adjustable features to customize your seating experience for maximum comfort and ergonomic support.

Height Adjustment

To adjust the chair's height, locate the lever on the right side beneath the seat. While seated, pull the lever upwards to lower the chair. To raise the chair, stand up slightly to relieve weight from the seat, then pull the lever upwards. Release the lever at your desired height.

Figure 3: Illustration of the chair's 360-degree rotation and height adjustment mechanism.

360-Degree Swivel and Rolling

The chair is equipped with a 360-degree swivel function, allowing for easy rotation without moving the base. The smooth-rolling casters provide effortless mobility across various floor surfaces, ideal for dynamic workspaces.

Office Chair

For study, office and conference room

Cylinder Connector

Attaches to the base and cushion to control height changes

360 rotating wheels

360 degree rotation, flexible operation, quiet rolling

Lumbar Support and Ergonomic Design

The chair features an ergonomic design with built-in lumbar support to promote proper posture and reduce back strain during prolonged sitting. The mesh backrest allows for excellent airflow, keeping you comfortable.

Ergonomic Design

Adopting ergonomic design

Fit the spine curve

Relax the body, strengthen
and support the back

Comfortable Executive office Task Chair

comfort

ventilate

cushions are more comfortable and relieve your office fatigue

Thick backrest

High-density Sponge

Good air permeability

Figure 6: Key comfort features: thick backrest, high-density sponge cushioning, and breathable mesh for ventilation.

Tilting Function

The chair includes a tilting mechanism that allows you to recline. Use the tension control knob, usually located under the seat, to adjust the resistance of the recline. Pulling the height adjustment lever outwards may unlock the tilt, and pushing it inwards will lock the chair in an upright position.

MAINTENANCE

Regular maintenance will extend the life and performance of your office chair.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the mesh or fabric.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Retighten any loose fasteners to maintain stability and safety.
- **Casters:** Keep the casters free of hair and debris to ensure smooth rolling.
- **Gas Lift:** Do not attempt to disassemble or repair the gas lift cylinder yourself. Contact qualified personnel if it

malfunctions.

TROUBLESHOOTING

If you encounter any issues with your PayLessHere Home Office Chair, refer to the following common solutions:

Problem	Possible Cause	Solution
Chair does not adjust height	Gas lift malfunction or lever not engaged.	Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift may need replacement by a professional.
Chair is unstable or wobbly	Loose screws or improper assembly.	Check and tighten all screws and bolts, especially those connecting the seat to the base and backrest. Verify all components are correctly assembled.
Casters (wheels) fall off or do not roll smoothly	Casters not fully inserted or obstructed by debris.	Ensure casters are firmly pressed into the base. Clean any hair or debris from the caster wheels. If they continue to fall out, they may be damaged and require replacement.
Chair does not tilt or recline	Tilt lock engaged or tension knob too tight.	Disengage the tilt lock (usually by pulling the height adjustment lever outwards). Adjust the tilt tension knob (typically a round knob under the seat) to a looser setting.
