## 6. MAINTENANCE

---

To keep your HOOBRO BF47TS01 storage rack in excellent condition:

- Regularly wipe the surfaces with a dry, soft cloth to remove dust and dirt.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Periodically check all screws and connections to ensure they remain tight and secure.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your storage rack, consider the following:

- **Unstable Unit:** Ensure all assembly screws are fully tightened. Verify that the unit is placed on a flat, level surface. Confirm the anti-tip kit is correctly installed and secured to the wall.
- **Damaged Parts:** If any parts arrived damaged or are missing, please contact HOOBRO customer service for assistance.

## 8. SAFETY INFORMATION

---

Your safety is important. Please adhere to the following guidelines:

- Always use the provided anti-tip kit to anchor the storage rack to a solid wall. This is crucial to prevent the unit from tipping over, especially in homes with children or pets.
- Do not climb on or hang from the unit.
- Do not exceed the maximum weight capacity of 33 pounds. Overloading can compromise stability and lead to damage or injury.
- Keep small parts and assembly tools away from children during assembly.
