FirFurd P073

FirFurd 120cm Kitchen Cabinet (Model P073)

Assembly and Care Manual

Introduction

Thank you for choosing the FirFurd 120cm Kitchen Cabinet. This versatile storage unit, Model P073, is designed to enhance your living room, dining room, kitchen, or hallway with its functional design and elegant appearance. Featuring three glass doors, two spacious drawers, and a durable tabletop, it provides ample storage and display options. This manual provides essential information for safe assembly, operation, and maintenance of your new cabinet.

Safety Information

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions provided in this manual.
- **Keep children away:** Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- **Use appropriate tools:** Ensure you have the correct tools for assembly. Do not use power tools unless specified, as they may damage the product.
- **Anti-tipping safety:** This cabinet includes an anti-tipping safety device. It is crucial to install this device to prevent the cabinet from tipping over, especially in households with children. Secure the cabinet to a wall using the provided hardware.
- **Weight limits:** Do not exceed the specified weight limits for shelves and drawers. Overloading can cause damage or injury.

- **Stable surface:** Assemble and place the cabinet on a flat, stable, and level surface.
- **Two-person assembly:** Assembly is recommended with two people for safety and ease.

Package Contents

Your FirFurd Kitchen Cabinet will arrive in two separate packages. Please ensure you have received both packages before beginning assembly. All parts are numbered for easy identification during the assembly process.

Image: An illustration depicting a delivery scenario, emphasizing that the product ships in two packages. It advises the user to wait for both packages before starting assembly.

Carefully unpack all components and verify against the parts list in the separate assembly instructions. If any parts are missing or damaged, please contact customer support.

Setup and Assembly

Assembly of the FirFurd Kitchen Cabinet is designed to be straightforward. Follow the detailed, step-by-step instructions provided in the separate assembly manual included with your product. Each component is clearly numbered to assist you.

1. **Preparation:** Clear a spacious area for assembly. Lay out all numbered parts and hardware.
2. **Follow instructions:** Adhere strictly to the sequence of steps outlined in the assembly manual.
3. **Secure connections:** Ensure all screws, bolts, and fasteners are tightened securely, but do not overtighten.
4. **Install anti-tipping device:** As a critical safety measure, install the anti-tipping device to secure the cabinet to a wall. This prevents accidental tipping.

Operating Instructions

The FirFurd Kitchen Cabinet is designed for convenient storage and display.

- **Drawers:** The two large drawers feature smooth metal glides for easy opening and closing. Use them for storing cutlery, linens, or other smaller items.
- **Glass Doors:** The three glass doors provide access to internal compartments. These compartments are ideal for displaying decorative items, glassware, or neatly stacked dishes while protecting them from dust.
- **Tabletop:** The spacious tabletop can be used for serving, displaying decor, or as a functional surface for kitchen appliances.
- **Adjustable Shelves:** The internal shelves may be adjustable to accommodate items of various heights. Refer to

your assembly manual for specific instructions on adjusting shelf positions.

Maintenance

Proper care will ensure the longevity and appearance of your FirFurd Kitchen Cabinet.

- **Cleaning the tabletop:** The tabletop is waterproof and easy to clean. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild, non-abrasive cleaner.
- **Cleaning other surfaces:** For other wooden surfaces, wipe with a soft, dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Glass care:** Clean glass doors with a standard glass cleaner and a soft cloth to avoid streaks.
- **Hardware:** Periodically check and tighten all hardware (screws, hinges, drawer glides) to ensure stability. The metal hinges are rust-resistant for long-term durability.

- **Avoid direct sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- **Avoid excessive moisture:** While the tabletop is waterproof, avoid prolonged exposure to excessive moisture to prevent damage to other parts of the cabinet. The raised base helps keep the cabinet dry.

Troubleshooting

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose connections; uneven floor.	Ensure all screws and fasteners are tightened. Check if the cabinet is on a level surface; use shims if necessary. Verify anti-tipping device is securely installed.
Drawers are difficult to open/close.	Misaligned glides; obstruction; overtightened screws.	Check that drawer glides are correctly aligned and free of obstructions. Loosen any overtightened screws on the glides.
Doors do not close properly.	Misaligned hinges; obstruction.	Adjust the hinges as per the assembly manual. Ensure nothing is blocking the door's path.
Missing parts during assembly.	Packaging error.	Contact FirFurd customer support with your purchase details and the specific missing part number.
