Gozney Arc & Arc XL Pizza Oven Stand Instruction Manual

Model: Arc & Arc XL Stand

Brand: Gozney

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and care of your Gozney Arc & Arc XL Pizza Oven Stand. Designed specifically for Gozney Arc and Arc XL pizza ovens, this stand offers a stable and functional platform for your outdoor cooking experience. Please read these instructions thoroughly before assembly and use to ensure proper function and longevity of the product.

SETUP AND ASSEMBLY

The Gozney Arc & Arc XL Pizza Oven Stand requires assembly. All necessary bolts, screws, and washers are included in the packaging, along with a manual for detailed steps. It is recommended to assemble the stand in the area where the oven will be positioned due to its weight and size.

- Unpack all components and verify against the included parts list.
- Follow the step-by-step instructions provided in the assembly manual.
- Ensure all connections are secure before placing the oven on the stand.

OPERATING FEATURES

This stand is specifically designed for compatibility with the Gozney Arc and Arc XL Pizza Ovens, ensuring a secure and stable fit. It incorporates several features to enhance your outdoor cooking experience:

- **Locking Wheels:** Equipped with four large castor wheels, each featuring an easy-to-lock press-down foot brake for stability and effortless repositioning.
- **Adjustable Wood Wings:** Two acacia wood wings provide additional surface area for holding ingredients, tools, or prepared food. These wings can be adjusted or folded down when not in use.
- **Integrated Gas Tank Platform:** A built-in steel platform is provided to securely store your gas tank, keeping it out of the way and maintaining a tidy cooking area.
- **Hanging Hooks:** Convenient hooks are integrated for hanging cookware such as pizza peels, turning peels, or servers, keeping essential tools within reach.

MAINTENANCE

To ensure the longevity and optimal performance of your Gozney Arc & Arc XL Pizza Oven Stand, regular maintenance is recommended:

- **Cleaning:** Wipe down the powder-coated steel and aluminum surfaces with a damp cloth and mild detergent. Dry thoroughly.
- **Wood Care:** The acacia wood wings may benefit from occasional treatment with food-safe wood oil to maintain their appearance and protect against weather elements.
- **Wheel Inspection:** Periodically check the castor wheels and locking mechanisms for smooth operation and ensure they are free from debris.
- **Storage:** When not in use for extended periods, consider storing the stand in a covered area to protect it from harsh weather. A cover is sold separately.
