- Sabel Palm (Sabal Palmetto) Fruit Extract
- Bitter Orange (Citrus Aurantium) Fruit Extract

3. Usage Instructions

Follow these guidelines for proper use of Bluestone Men Drops:

1. **Dosage:** The recommended dosage is typically indicated on the product label. Do not exceed the recommended dose.
2. **Administration:** Shake the bottle gently before use. Use the dropper to measure the correct amount of liquid. The drops can be taken directly or mixed with a small amount of water or juice.
3. **Timing:** Consult the product label for specific timing recommendations, such as taking with meals or at a particular time of day.
4. **Consistency:** For best results, use the product consistently as directed.

Always read the label carefully before use and consult with a healthcare professional if you have any questions or concerns.

4. Important Safety Information and Legal Disclaimer

Legal Disclaimer: Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

General Precautions:

- Keep out of reach of children.

- Do not use if the safety seal is broken or missing.
- Consult a healthcare professional before use if you have a medical condition, are taking medication, or are pregnant or nursing.
- Discontinue use and consult a doctor if any adverse reactions occur.

5. Storage and Maintenance

To ensure the quality and efficacy of Bluestone Men Drops:

- Store in a cool, dry place away from direct sunlight.
- Do not freeze.
- Keep the bottle tightly closed when not in use.
