# RELAX4LIFE Wicker Patio Outdoor Daybed Instruction Manual

Model: RXE-HW70644

## 1. INTRODUCTION

Thank you for choosing the RELAX4LIFE Wicker Patio Outdoor Daybed. This versatile 2-piece furniture set is designed to enhance your outdoor living space, offering comfort and functionality. It includes a loveseat and a storage ottoman, featuring an adjustable backrest and retractable side trays. This manual provides essential information for assembly, operation, maintenance, and safety to ensure optimal use and longevity of your product.

## 2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Store cushions indoors during inclement weather or when not in use to minimize exposure to elements that could increase flammability.
- Ensure all components are securely fastened before use. Regularly check and tighten fasteners as needed.
- Do not exceed the weight capacity of the loveseat (800 lbs) or ottoman (800 lbs).
- Keep children and pets away from the assembly area.
- Avoid placing hot items directly on the rattan surface or cushions.

## 3. PRODUCT OVERVIEW

## 4. SETUP AND ASSEMBLY

Detailed assembly instructions are required for all components. Please follow the step-by-step guide provided in the separate assembly manual included with your product. Ensure all parts are present before beginning assembly.

- Do not tighten screws completely until all holes are aligned and all components are in place.
- It is recommended to assemble the daybed with at least two people.

## 5. OPERATING INSTRUCTIONS

### 5.1. Adjusting the Backrest

The loveseat features a 4-level adjustable backrest. To adjust, gently lift the backrest to disengage it from its current position, then move it to the desired angle and ensure it locks securely into one of the four available notches.

## 8. TROUBLESHOOTING

If you encounter any issues with your RELAX4LIFE Wicker Patio Outdoor Daybed, please refer to the following common troubleshooting tips:

- **Stability Issues:** Ensure all bolts and screws are tightened securely. If the unit wobbles, re-check the assembly steps to confirm all parts are correctly aligned.
- **Cushion Movement:** The ottoman cushion is designed with fixing ties. Ensure these ties are properly secured to the frame to prevent slipping.
- **Retractable Tray Sticking:** Check for any obstructions in the sliding mechanism. Clean the tracks if necessary.
- **Backrest Adjustment:** If the backrest is difficult to adjust, ensure no cushions are obstructing the mechanism. Apply gentle, even pressure when lifting and lowering.
