Millionspring F-C9771

Millionspring Cullen House Building Set Instruction Manual

Model: F-C9771

1. Important Safety Information

Please read all instructions carefully before beginning assembly. This building set contains small parts and is not suitable for children under 3 years of age due to a **choking hazard**. Adult supervision is recommended for younger builders (ages 12 and above, as recommended by the manufacturer).

- Keep all small parts away from infants and young children.
- Do not ingest any parts of the building set.
- Ensure all connections are secure to prevent the model from collapsing.

2. Package Contents

Before starting assembly, verify that all components are present. Your Millionspring Cullen House Building Set includes:

- 864 pieces of building blocks.
- 1 x Clearly-printed assembly manual.

The building blocks are organized into separate bags according to the assembly steps to facilitate the building process.

3. Setup and Assembly

This building set is designed for easy assembly, with a detailed, color-printed instruction manual guiding you through each step. The recommended age for assembly is 12 years and above.

Assembly Steps:

1. **Unpack and Organize:** Open the package and sort the building blocks by their numbered bags. This will correspond to the steps in the manual.
2. **Follow the Manual:** Refer to the color-printed instruction manual for step-by-step guidance. Each step illustrates which pieces to use and where to place them.
3. **Secure Connections:** Ensure each block is firmly connected to the others to create a stable structure. The blocks are designed to be comfortable to touch and interlock securely.
4. **Progressive Building:** The manual guides you through building the base, then each floor, and finally the roof and exterior details.

4. Operating and Display

Once assembled, the Millionspring Cullen House Building Set serves as an innovative home decoration. Its detailed design and comfortable-to-touch blocks make it a pleasant display piece.

- **Display:** Place the completed model on a stable, flat surface away from direct sunlight or extreme temperatures.
- **Interaction:** The model is designed for display. While durable, avoid excessive force or rough handling to maintain its structural integrity.

5. Maintenance

To keep your Millionspring Cullen House Building Set in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, lightly dampen a cloth with water (no harsh chemicals) and wipe carefully.
- **Storage:** If disassembling for storage, keep all pieces organized in sealed bags or containers to prevent loss and damage. Store in a cool, dry place.
- **Avoid Extreme Conditions:** Do not expose the model to extreme heat, cold, or prolonged direct sunlight, as this may cause warping or discoloration of the ABS material.

6. Troubleshooting

Should you encounter any issues during assembly or with your completed model, please refer to the following common solutions:

- **Missing Pieces:** If you find any missing parts, please contact Millionspring customer service immediately. Refer to the 'Warranty and Support' section for contact details.
- **Loose or Misaligned Connections:** Carefully re-examine the instruction manual for the specific step. Ensure that blocks are pressed firmly together until they interlock securely. Sometimes, a slight adjustment can resolve alignment issues.
- **Difficulty with a Step:** Review the corresponding section in the instruction manual. If still stuck, try disassembling a few steps back and re-assembling carefully.
