EltaMD UV Clear Tinted Face Sunscreen SPF 46

EltaMD UV Clear Tinted Face Sunscreen SPF 46 Instruction Manual

Model: UV Clear Tinted Face Sunscreen SPF 46

1. Product Overview

The EltaMD UV Clear Tinted Face Sunscreen SPF 46 is an oil-free facial sunscreen formulated with Zinc Oxide. This product is designed to calm and protect sensitive skin types, including those prone to acne, rosacea, and discoloration. It provides broad-spectrum SPF 46 protection against UVA and UVB rays.

This tinted formula features Invisible Blend Technology, which ensures a sheer finish without leaving a white cast, particularly beneficial for deeper skin tones. It is lightweight and helps to even out skin tone for a smoother appearance.

2. Key Features and Benefits

- **Broad-Spectrum SPF 46:** Provides comprehensive protection against harmful UVA and UVB rays.
- **Oil-Free Formula:** Ideal for sensitive skin, acne-prone skin, and those with rosacea.
- **Zinc Oxide:** A natural mineral compound that reflects and scatters UVA and UVB rays.
- **Niacinamide (Vitamin B3):** Helps to reduce the appearance of blemishes and discoloration, and restores skin suppleness.
- **Invisible Blend Technology:** Ensures a sheer, no white cast finish on various skin tones.
- **Lightweight and Hydrating:** Absorbs quickly into the skin without feeling heavy or greasy.
- **Non-Comedogenic:** Will not clog pores.
- **Fragrance-Free, Paraben-Free, Dye-Free, Hypoallergenic:** Suitable for sensitive skin.

Figure 3: Formulated with Niacinamide (Vitamin B3) to reduce redness and restore suppleness.

Figure 4: Zinc Oxide is a natural mineral compound that works as a sunscreen agent by reflecting and scattering UVA and UVB rays.

3. Setup and Usage

Application Instructions:

1. Apply EltaMD UV Clear Tinted Face Sunscreen liberally to your face and neck 15 minutes before sun exposure.
2. Reapply at least every 2 hours to maintain protection.
3. Reapply immediately after towel drying, swimming, or sweating.

How to Prime the Pump:

Before first use, or if the pump stops dispensing product, prime the pump by following these steps:

1. Ensure the cap cover is securely in place over the pump.
2. Turn the container upside down.
3. Tap the bottom of the container firmly 8-10 times against a hard surface. This helps to move the product into the pump mechanism.

4. Turn the container upright and pump until product dispenses.

4. Product Care and Maintenance

Store the sunscreen in a cool, dry place away from direct sunlight. Ensure the cap is tightly closed after each use to prevent contamination and maintain product efficacy. Avoid extreme temperatures.

5. Troubleshooting

- **Pump not dispensing:** Refer to the "How to Prime the Pump" instructions in Section 3.
- **Skin irritation:** Discontinue use if irritation occurs. Consult a physician if symptoms persist.
- **Uneven application:** Ensure skin is clean and moisturized before applying. Apply in small sections and blend thoroughly.

6. Specifications

Attribute	Detail
Product Dimensions	1.63 x 1.63 x 4.69 inches
Item Weight	1.7 ounces (48 grams)
UPC	827854015277
