Apluses 45PCS Magnetic Blocks Instruction Manual

Model: Apluses-D

INTRODUCTION

Welcome to your new Apluses 45PCS Magnetic Blocks set. These blocks are designed to foster creativity, spatial reasoning, and fine motor skills in children aged 3 and up. This manual provides essential information for safe and effective use, setup, operation, and maintenance of your magnetic blocks.

SAFETY INFORMATION

- Small parts: Not suitable for children under 3 years of age due to choking hazard.
- Adult supervision is recommended during play.
- Keep away from electronic devices and magnetic-sensitive items.

WHAT'S IN THE BOX

- 45PCS Magnetic Blocks (in 5 colors)
- 1pcs Storage Bag
- 1pcs Idea Booklet

The complete set includes 45 magnetic blocks, a storage bag, and an idea booklet for creative play.

SETUP

1. **Unpacking:** Carefully remove all magnetic blocks and accessories from the packaging.
2. **Initial Inspection:** Check all blocks for any damage or loose parts before first use. Discard any damaged blocks immediately.
3. **Familiarization:** Review the included idea booklet for initial building concepts and inspiration.

OPERATING INSTRUCTIONS

The Apluses Magnetic Blocks are designed for open-ended play, encouraging children to explore and create.

Basic Connection

Each block contains internal magnets allowing them to connect on all sides. Simply bring two blocks close together, and they will snap into place.

Building Structures

- **Flat Designs:** Start by creating 2D shapes and patterns on a flat surface.
- **3D Creations:** Progress to building three-dimensional structures such as towers, houses, animals, and vehicles. The strong magnets ensure stability for complex designs.
- **Sensory Play:** Enjoy the unique textures and the ASMR-like clicking sound the magnets make when connecting, which can be particularly engaging for sensory play.
- **Educational Play:** Utilize the blocks to develop color recognition, 3D spatial thinking, basic math concepts, and fine motor skills.

CLASS MUST HAVE TOYS

Digital Computation

Children can develop various skills through creative play with the magnetic blocks, including word formation and digital computation.

Examples of constructions suitable for different age groups, from simple shapes for toddlers to more complex designs for older children.

Compatibility

These magnetic blocks are compatible with other magnet sets, allowing for expanded building possibilities.

MAINTENANCE

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Do not immerse in water.
- **Storage:** Store all blocks in the provided storage bag or a suitable container when not in use to prevent loss and keep them clean.
- **Inspection:** Regularly inspect blocks for wear and tear. Discontinue use if magnets become exposed or blocks are damaged.

TROUBLESHOOTING

- **Blocks not sticking:** Ensure the blocks are clean and free from debris. Magnets may repel if oriented incorrectly; simply rotate one block 90 or 180 degrees.
- **Lost pieces:** Utilize the storage bag to keep all 45 pieces together. If pieces are lost, additional sets

can be purchased to expand your collection.
