1. Safety Information

Please read and understand all instructions before assembling and using this product. Keep this manual for future reference.

- Always assemble the stool according to the provided manual to ensure stability and safety. Do not use the stool until it is fully assembled.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not stand on the stool or use it as a ladder.
- Do not exceed the maximum weight capacity of 264 lbs (120 kg).
- Keep children away from the assembly area. Small parts may pose a choking hazard.
- Use on a flat, stable surface to prevent tipping.

2. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- 2 x Seat Back/Upholstered Seat
- 2 x Steel Leg Frame (with integrated footrest)
- 8 x Adjustable Foot Pads
- Hardware Pack (screws, washers, Allen wrench)
- Instruction Manual

Image: A size guide demonstrating the appropriate bar table height (35"-39" H or 89-99 cm) for the 27.2" (69 cm) seat height of the bar stool.

4. Assembly Instructions

Assembly is required. It is recommended to assemble the stools on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to identify each piece and ensure nothing is missing.
2. **Attach Legs to Seat:** Align the pre-drilled holes on the upholstered seat with the mounting points on the steel leg frame. Insert the provided screws and washers. Hand-tighten all screws initially.
3. **Secure All Fasteners:** Once all screws are in place, use the included Allen wrench to fully tighten all fasteners. Ensure they are snug but do not overtighten to avoid damaging the components.
4. **Install Adjustable Foot Pads:** Screw the adjustable foot pads into the bottom of each leg. These pads help protect your floor and provide stability on uneven surfaces. Adjust them as needed after the stool is upright.
5. **Repeat for Second Stool:** Follow the same steps to assemble the second bar stool.

HIGH COMFORT

Image: A close-up showing the robust steel legs, the integrated footrest, and the adjustable foot pads at the base of the stool.

5. Usage

These HOMCOM counter height bar stools are designed for use at kitchen counters, home bars, or high tables. The ergonomic curved back and thick foam-padded seat provide comfort for extended periods.

- Ensure the stool is placed on a stable, level surface before sitting.
- Use the footrest for added comfort and support.
- The adjustable foot pads can be rotated to compensate for minor unevenness in the floor, ensuring the stool remains stable.

SIZE GUIDE

Recommended for
a **35" -39" (89-99 cm)**
bar table

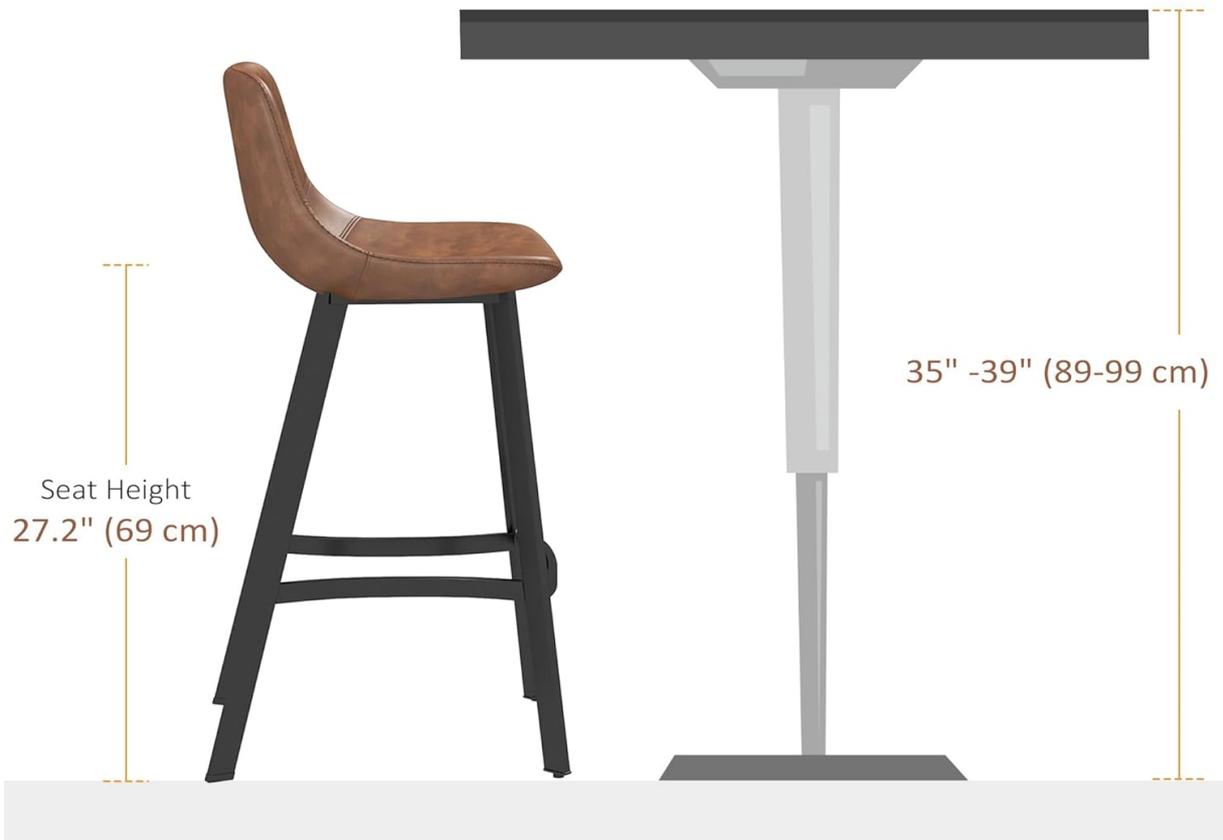

Image: Two HOMCOM bar stools arranged with a compact bar table, showcasing their versatility in various home environments.

6. Maintenance

Proper care will extend the life and appearance of your bar stools.

- **Cleaning Upholstery:** Wipe the PU leather upholstery with a soft, damp cloth. For stubborn stains, use a mild soap solution and immediately wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning Frame:** Clean the steel frame with a soft, dry cloth. If necessary, use a slightly damp cloth and dry thoroughly.
- **Regular Checks:** Periodically inspect all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the upholstery to fade or crack.

SET OF 2

Perfect for having a cosy drink with your friend

7. Troubleshooting

Problem	Possible Cause	Solution
Stool is wobbly	Loose fasteners or uneven floor.	Ensure all screws are tightened. Adjust the foot pads to level the stool on uneven surfaces.
Difficulty assembling	Incorrect part alignment or missing hardware.	Review the assembly instructions carefully. Ensure parts are oriented correctly. Check package contents for missing hardware. Contact customer support if parts are missing.
Squeaking noise	Loose connections.	Tighten all screws and bolts.

8. Warranty & Support

HOMCOM products are manufactured with quality and care. This product comes with a standard

manufacturer's warranty against defects in materials and workmanship. For specific warranty details, please refer to the documentation included with your purchase or contact Aosom Canada customer service.
