GETTING STARTED: SETUP

1. What's in the Box

Upon opening your RADLEY Series 32 Smart Watch package, you should find the following items:

- RADLEY Series 32 Smart Watch
- USB Charging Cable
- Instruction Manual (this document)

In the box...

2
YEAR
GUARANTEE
INSTRUCTIONS
& CHARGER

2. Charging Your Smart Watch

Before first use, fully charge your smart watch.

1. Connect the USB charging cable to a compatible USB power adapter (not included) or a computer's USB port.
2. Attach the magnetic end of the charging cable to the charging points on the back of your watch. Ensure proper alignment for a secure connection.
3. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

3. App Installation and Pairing

To unlock the full functionality of your RADLEY Series 32 Smart Watch, you must download and pair it with the official Radley London App.

1. **Download the App:** Search for "Radley London App" on the Apple App Store (for iOS 12+ devices) or Google Play Store (for Android 8.0+ devices).
2. **Create Account:** Open the app and follow the on-screen instructions to create a new user account or log in if you already have one.
3. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
4. **Pairing:** In the Radley London App, navigate to the device pairing section. Select "Add Device" or similar option. Your watch should appear in the list of discoverable devices (e.g., "Radley Series 32"). Tap to connect.
5. **Confirm Pairing:** A pairing request may appear on both your phone and watch. Confirm the pairing on both devices.
6. **Initial Sync:** Once paired, the watch will synchronize data with the app. This may take a few moments.

OPERATING YOUR SMART WATCH

Basic Navigation

The RADLEY Series 32 Smart Watch features a 1.8-inch touch display and a side button for navigation.

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick-view widgets (e.g., heart rate, weather, activity data).
- **Tap:** Select an item or open an application.
- **Side Button:** Press to return to the watch face or wake the screen. Long press for power options or emergency SOS.

 IP68 WATER RESISTANT	 WOMEN'S HEALTH
 MULTIPLE DIALS	 BLOOD OXYGEN

Image: An infographic detailing the key features of the RADLEY Series 32 Smart Watch, including calling, notifications, health tracking, and more.

- **Make & Receive Calls:** With the built-in Bluetooth calling feature, you can make and receive phone calls directly from your wrist. Ensure your watch is connected to your smartphone via Bluetooth.
- **Notifications:** Receive alerts for incoming calls, text messages, and social media notifications directly on your watch. Manage notification settings via the Radley London App.
- **Health & Wellness Tracking:**
 - *Heart Rate Monitor:* Continuously tracks your heart rate throughout the day.
 - *Sleep Tracker:* Monitors your sleep patterns, including deep, light, and REM sleep.
 - *Blood Oxygen Readings:* Provides on-demand blood oxygen saturation levels.
 - *Step Counter & Calorie Counter:* Tracks your daily steps and estimated calories burned.
 - *Cycle Tracking:* For women's health, track menstrual cycles.
 - *Breathing Exercises:* Guided breathing sessions for relaxation.

- **Hydration Reminders:** Set reminders to drink water.
- **Multiple Sports Modes:** Track various activities such as walking, running, cycling, and more. The watch records data like distance, duration, and calories burned.
- **SOS Emergency Feature:** In an emergency, long-press the side button to activate the SOS feature, which can sound a loud alarm and call your designated emergency contact (setup required in the app).
- **Music Control:** Control music playback on your smartphone directly from your watch (play, pause, skip tracks).
- **GPS Connection:** Connects to your phone's GPS for accurate tracking of outdoor activities.
- **Live Weather Updates:** Get real-time weather information for your location.
- **Voice Assistant:** Access your smartphone's voice assistant through the watch.
- **Selfie Camera Control:** Use your watch as a remote shutter for your smartphone's camera.
- **Dial Personalization:** Choose from an extensive collection of watch faces or upload your own photo to personalize the dial via the Radley London App.

MAINTENANCE

Cleaning Your Smart Watch

To maintain the appearance and functionality of your watch, clean it regularly.

- Wipe the screen and strap with a soft, lint-free cloth.
- For stubborn marks, slightly dampen the cloth with water. Avoid using harsh chemicals, abrasive cleaners, or solvents.
- Ensure the charging contacts on the back of the watch are clean and dry before charging.

Water Resistance (IP68)

The RADLEY Series 32 Smart Watch has an IP68 water resistance rating. This means it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes.

- It is suitable for daily use, such as hand washing, rain, and brief splashes.
- It is **not** suitable for showering, swimming, diving, or high-pressure water activities.
- Avoid exposing the watch to hot water, steam, or corrosive liquids.
- If the watch gets wet, dry it thoroughly before charging or operating.

Battery Care

To maximize battery life and performance:

- Charge the watch fully before first use.
- Avoid extreme temperatures, which can degrade battery performance.
- If storing the watch for an extended period, charge it to about 50% and store in a cool, dry place.

TROUBLESHOOTING

If you encounter issues with your RADLEY Series 32 Smart Watch, refer to the common problems and solutions below.

Problem	Possible Solution
Watch will not turn on or charge.	<p>Ensure the charging cable is securely connected to both the watch and the power source.</p> <p>Check if the charging contacts on the watch and cable are clean and free of debris.</p> <p>Try a different USB power adapter or USB port.</p> <p>Allow the watch to charge for at least 30 minutes before attempting to turn it on.</p>
Cannot pair the watch with the app.	<p>Ensure Bluetooth is enabled on your smartphone.</p> <p>Make sure the watch is sufficiently charged.</p> <p>Restart both your smartphone and the watch.</p> <p>Forget the device in your phone's Bluetooth settings and try pairing again through the Radley London App.</p> <p>Ensure the app is updated to the latest version.</p>

Problem	Possible Solution
Notifications are not appearing.	<p>Verify that the watch is connected to your smartphone via Bluetooth.</p> <p>Check notification permissions for the Radley London App in your phone's settings.</p> <p>Ensure notification settings are enabled within the Radley London App for specific applications.</p> <p>Disable "Do Not Disturb" mode on both your phone and watch.</p>
Health data (e.g., heart rate, steps) seems inaccurate.	<p>Ensure the watch is worn snugly on your wrist, about one finger's width above your wrist bone.</p> <p>Clean the sensor on the back of the watch.</p> <p>Ensure your personal information (height, weight, age) is accurately entered in the Radley London App.</p> <p>Restart the watch and the app.</p>
Bluetooth call quality is poor.	<p>Ensure your watch is within close proximity to your smartphone.</p> <p>Check for any obstructions between the watch and phone.</p> <p>Ensure your phone's microphone and speaker are clear.</p> <p>Restart both devices.</p>
