Jensen® Bluetooth® 3-Speed Turntable CD Player Home Stereo System User Manual

Model: JMC-1250

Product Overview

The Jensen 3-speed stereo turntable, equipped with a CD changer and dual cassette deck, caters to music enthusiasts who appreciate the versatility of playing various formats. It brings the old-school charm of making mix tapes into the modern era. This Jensen record player features cutting-edge Bluetooth 3.0 technology, allowing users to effortlessly stream their preferred tunes directly to their devices. This capability ensures an easy and hassle-free link between the record player and any device with Bluetooth functionality, offering users the highest level of convenience and an enhanced audio experience. The Jensen stereo features a turntable and is designed for multi-format compatibility, enabling users to enjoy music from MP3s, CDs, and CD-R/RW discs with excellent sound quality and reliability. This stereo with turntable is designed to be compatible across various formats, allowing for a seamless experience whether you are playing MP3 files, standard CDs, or even CD-R/RW discs. This flexibility ensures that users can enjoy a wide range of music media, from the latest digital tracks to cherished mixes on CDs, all with exceptional sound quality and reliability. A 2-speaker configuration offers an enriched stereo sound, beautifully crafted for improved acoustics and clarity. Perfect for music lovers and audiophiles, it delivers every note with exceptional precision, creating an immersive listening experience. Control your system effortlessly from anywhere in the room with the included remote. Easily adjust volume, change the input source, and navigate your media without moving, improving convenience and accessibility. Whether you're looking to enjoy vintage vinyl records or modern beats, this turntable bridges the gap between classic audio and contemporary technology, making it easier than ever to enjoy your music collection without the hassle of wires or complicated setups.

Figure 1: Front view of the Jensen Home Stereo System, showcasing the main unit with turntable, CD changer, dual cassette deck, and two detachable speakers, along with the remote control.

Setup Guide

Follow these steps to set up your Jensen Home Stereo System:

1. **Unpacking:** Carefully remove all components from the packaging. Ensure all items listed in the packing list are present: main unit, two speakers, remote control, and dust cover.
2. **Placement:** Place the main unit and speakers on a stable, flat surface. Ensure adequate ventilation around the unit. Keep the system away from direct sunlight, heat sources, and moisture.
3. **Speaker Connection:** Connect the speaker wires from the main unit to the corresponding terminals on the back of each speaker. Ensure correct polarity (+ to + and - to -) for optimal sound.
4. **Power Connection:** Plug the AC power cord into a wall outlet.
5. **Remote Control Batteries:** Open the battery compartment on the remote control and insert two AAA batteries (not included), observing the correct polarity.
6. **Dust Cover Installation:** Carefully place the clear dust cover over the turntable platter on the top of the main unit.

Figure 2: The Jensen Home Stereo System with the turntable dust cover open, revealing the turntable platter and tonearm, ready for vinyl playback.

Operating Instructions

General Operation

- **Power On/Off:** Press the **POWER** button on the front panel or remote control to turn the unit on or off.
- **Volume Control:** Rotate the **VOLUME** knob on the main unit or use the **VOL+** / **VOL-** buttons on the remote to adjust the sound level.
- **Function Selection:** Press the **FUNCTION** button repeatedly on the main unit or remote to cycle through modes: PHONO (Turntable), CD, TAPE, FM, AM, Bluetooth.

Turntable Operation (PHONO)

1. Select **PHONO** function.
2. Open the dust cover.
3. Place a record on the turntable platter.
4. Select the appropriate speed (33⅓, 45, or 78 RPM) using the **SPEED** switch. For 45 RPM records, place the included 45 RPM adapter on the spindle.
5. Release the tonearm lock.

6. Gently lift the tonearm using the cue lever and position it over the desired track on the record.
7. Lower the tonearm slowly onto the record using the cue lever. Playback will begin.
8. At the end of the record, the tonearm will automatically return to its rest position (auto-stop feature). Lift the tonearm, return it to the rest, and engage the lock when finished.

CD Player Operation

1. Select **CD** function.
2. Press the **OPEN/CLOSE** button to open the CD tray.
3. Place up to three CDs into the trays, label side up.
4. Press the **OPEN/CLOSE** button again to close the tray. The system will read the discs.
5. Press **PLAY/PAUSE** to start playback.
6. Use **SKIP/SEARCH** buttons (◀◀ / ▶▶) to navigate tracks. Hold to fast forward/rewind.
7. Press **STOP** to end playback.
8. The system supports MP3, CD, and CD-R/RW formats.

Dual Cassette Deck Operation

1. Select **TAPE** function.
2. Press the **OPEN/EJECT** button for Deck 1 or Deck 2 to open the cassette door.
3. Insert a cassette tape with the open edge facing upwards.
4. Close the cassette door.
5. Press **PLAY** on the desired deck to start playback.
6. Use **FAST FORWARD** / **REWIND** buttons to navigate.
7. Press **STOP/EJECT** to stop playback and eject the tape.
8. To record, ensure a blank tape is in Deck 2 (recording deck). Select the desired source (PHONO, CD, FM/AM, or TAPE 1 for dubbing). Press **RECORD** on Deck 2, then **PLAY** on Deck 2 and the source.

Bluetooth Operation

1. Select **Bluetooth** function. The display will show "BT" and flash, indicating pairing mode.
2. On your Bluetooth-enabled device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "JENSEN JMC-1250" from the list of devices.
4. Once paired, the display will stop flashing and show "BT". You can now stream audio from your device to the stereo system.
5. Control playback (play/pause, skip tracks) from your connected device or using the system's controls.

AM/FM Tuner Operation

1. Select **FM** or **AM** function.
2. Extend the FM wire antenna for better reception. For AM, rotate the unit for best reception.
3. Press the **TUNING UP** / **DOWN** buttons to manually tune to a station.
4. Press and hold the **TUNING UP** / **DOWN** buttons for automatic station scanning. The tuner will stop at the next strong signal.
5. To save a station as a preset, tune to the desired station, then press **PROGRAM**, use **PRESET UP** / **DOWN** to select a

preset number, and press **PROGRAM** again to confirm.

Figure 3: The Jensen Home Stereo System components, showing the main unit and the two separate speakers, highlighting the modular design.

Maintenance

- **General Cleaning:** Wipe the unit with a soft, dry cloth. Do not use abrasive cleaners, waxes, or solvents.
- **Dust Cover:** Keep the dust cover closed when the turntable is not in use to prevent dust accumulation on the platter and stylus. Clean the dust cover with a soft, damp cloth.
- **Stylus Care:** The stylus (needle) is delicate. Clean it periodically with a soft brush, brushing from back to front. Replace the stylus if sound quality deteriorates or if it is visibly damaged.
- **CD Player:** Use a clean, lint-free cloth to wipe CDs from the center outwards. Avoid touching the playing surface.
- **Cassette Deck:** Periodically clean the tape heads, pinch rollers, and capstans with a cotton swab lightly dampened with isopropyl alcohol. This helps maintain sound quality and prevent tape damage.

Troubleshooting

Problem	Possible Cause	Solution
No Power	Power cord not securely plugged in; Power outlet not active.	Ensure power cord is firmly connected. Test the outlet with another device.
No Sound	Volume too low; Incorrect function selected; Speakers not connected properly.	Increase volume. Select the correct function (CD, PHONO, TAPE, etc.). Check speaker connections.
Turntable not spinning or skipping	Speed setting incorrect; Stylus dirty or damaged; Record dirty or warped.	Verify correct speed (33⅓, 45, 78 RPM). Clean or replace stylus. Clean record.
CD not playing or skipping	CD dirty or scratched; CD inserted incorrectly; Disc format not supported.	Clean CD. Insert CD label side up. Ensure disc is CD, CD-R/RW, or MP3 CD.
Cassette tape not playing or jammed	Tape tangled or damaged; Tape heads dirty.	Try a different tape. Clean tape heads and pinch rollers.
Bluetooth pairing issues	Device too far; Bluetooth not enabled on device; Incorrect pairing procedure.	Ensure device is within range. Enable Bluetooth on your device. Re-attempt pairing.
Remote control not working	Batteries dead or inserted incorrectly; Obstruction between remote and unit.	Replace batteries, check polarity. Remove obstructions. Point remote directly at the unit.

Specifications

- **Model Name:** JMC-1250
- **Product Dimensions:** 24 x 16 x 19 inches
- **Item Weight:** 28 pounds
- **Connectivity Technology:** Bluetooth, USB
- **Included Components:** Remote control, Dust cover
- **Material:** Metal
- **Color:** Gold
- **Compatible Devices:** MP3 Player
- **Motor Type:** AC Motor
- **Manufacturer:** Jensen
- **Date First Available:** April 15, 2024

Warranty and Support

For detailed warranty information and customer support, please refer to the warranty card included with your product or visit the official Jensen website. Keep your purchase receipt as proof of purchase for warranty claims.
Official Jensen Website: www.jensen.com

Important Safety Information

Please read all safety warnings and instructions before operating this device. Retain this manual for future reference. Do not expose the unit to rain or moisture. Do not block any ventilation openings. Only use attachments/accessories specified by the manufacturer. Refer all servicing to qualified service personnel.

Video Resources

No official product videos from the seller were provided for this manual. Please check the manufacturer's website or product page for any available video tutorials or demonstrations.

DRC800 4-in-1 Universal Remote Control User Guide

Overview
Your new 4-in1 universal remote operates most manufacturer's cable set-top boxes and up to three other devices.

In addition, this remote provides advanced features such as Digital Video Recording (DVR) control and Picture-in-Picture (PIP) support. You can lock volume control to any of these devices, to make adjusting your home entertainment volume easier. See "Changing Volume Lock". This remote comes from the factory without the volume locked to any specific device.

You can also change what type of device each mode key controls. See "Reassigning Device Keys".

Installing batteries
Your remote requires 2 AAA batteries. To install...
1. Remove the battery case cover and the old batteries (if necessary).
2. Follow the diagram inside the battery case to insert the new batteries.

Using your remote
To control a device, simply press one of the device mode keys (TV, AUDIO, DVD/VCR, CABLE) at the top of your remote. After you set up the remote to control that device, you may begin using the device.

See "Programming - code input method" for more information on programming a mode key to your device.
