1. INTRODUCTION

This manual provides essential information for the Serta Perfect Sleeper Ultimate 15" King Mattress. Designed for consistent, restful sleep, this mattress features zoned support, contouring memory foams, and a cooling cover. Please read this manual thoroughly to ensure proper setup, care, and longevity of your mattress.

## 2. KEY FEATURES

- **Cool Twist Gel Memory Foam:** This unique design integrates cooling gel into premium memory foam, enhancing airflow and heat dissipation for a cool, contouring comfort.
- **PillowSoft Aire Soft Foam:** A 1-inch layer of Serta's PillowSoft Aire Soft Foam provides enhanced cushioning and promotes airflow through its gently rippling design.
- **3-Zoned Coil Design:** An 850-coil density system offers three support zones, targeting the lower back and hips for support while cradling the rest of the body.
- **BestEdge Foam Encasement Technology:** Features an extra-deep foam rail to minimize edge roll-off and extend the usable sleep surface.
- **Frame Compatibility:** Designed to be compatible with various bed frames, including traditional frames, box springs, platform frames with slats no more than 2" apart, slatted frames, bunky boards, and adjustable frames.

### 3. SETUP INSTRUCTIONS

#### 3.1 Unpacking and Placement

Due to its high-quality manufacturing and substantial components, this mattress cannot be compressed and is shipped 'full-size'.

- **Delivery:** Standard delivery is 'door-drop-off'. If available in your area, you may be prompted to add delivery services (e.g., room of choice) at checkout.
- **Handling:** Given its heavy and bulky nature (approximately 118.5 pounds for a King size), it is recommended to seek assistance from multiple persons when moving the mattress, especially if delivery services are not available in your region.
- **Initial Airing:** Please allow one week of use for your mattress to reach its maximum comfort while it breaks in and airs out.

### 3.2 Frame Compatibility

The Serta Perfect Sleeper Ultimate mattress is compatible with a variety of bed frames:

- Traditional frames
- Box springs
- Platform frames (with no more than 2" between slats)
- Slatted frames
- Bunk boards
- Adjustable frames

Refer to Serta's Mattress Warranty Information for specific guidelines on foundation requirements to ensure warranty validity.

## Compatible with All Bases

BOX SPRING

PLATFORM

WOODEN SLATS

ADJUSTABLE BASE

Please refer to Serta's Mattress Warranty Information  
for all guidelines on foundation requirements

## 4. CARE AND USE

### 4.1 General Care

- **Mattress Protector:** To protect your mattress from stains and spills, and to help with its overall health and lifespan, we highly recommend using a mattress protector.
- **Rotation:** Regularly rotating your mattress (head to foot) can help promote even wear and extend its life.

### 4.2 Cleaning Instructions

- **Spot Cleaning:** For soiled areas, apply baking soda directly to the stain and let it stand for approximately 15 minutes. Then, vacuum the area and repeat as needed.
- **Air Out:** It is important to air the product out as much as possible, especially after cleaning.
- **Avoid Liquids:** We do not recommend applying liquids directly to the mattress. Applying liquids may stain the fabric and could potentially worsen the soiled area. Moisture or chemicals applied directly to the mattress can cause premature breakdown of the foam and damage the product.

## 5. TROUBLESHOOTING & FAQs

### 5.1 Common Questions

- **Q: My new mattress smells. What can I do?**  
A: Please allow one week of use for your mattress to reach its maximum comfort while it breaks in and airs out. This initial odor is normal and will dissipate.
- **Q: How do I clean my mattress?**  
A: We do not recommend applying liquids to your mattress. Instead, utilize baking soda and vacuum off after 15 minutes for spot cleaning. Utilizing a mattress protector is the best option for preventing stains.
- **Q: What kind of foundation do I need?**  
A: Our Serta Foundation, traditional box springs, platform frames with no more than 2" between slats, or adjustable bases all work well. Please refer to Serta's Mattress Warranty Information for all guidelines on foundation requirements.

## 6. PRODUCT SPECIFICATIONS

Attribute	Detail
Product Dimensions	79.5"L x 76"W x 15"Th
Item Weight	118.5 pounds
Manufacturer	Serta Simmons Bedding, LLC.
Item Model Number	500114063-1060
Refill Material	Gel Memory Foam, Pocketed Coil
Assembly Required	No
Batteries Required	No

Included Components	Mattress
Age Range Description	Adult
Size	King
Top Style	Pillow Top
Cover Material	Polyester Blend
Number of Layers	8
Special Features	Antimicrobial Feature, Breathable, Low Motion Transfer, Pressure Relief, Temperature Regulating
Color	Dark Blue
Coil Type	Pocketed Coil

## 7. WARRANTY AND SUPPORT

### 7.1 Warranty Information
