HOGOKIDS FC3328

HOGOKIDS 3-in-1 Hospital Building Block Kit Instruction Manual

Model: FC3328

1. Introduction

Thank you for choosing the HOGOKIDS 3-in-1 Hospital Building Block Kit. This kit provides an engaging and educational experience, allowing you to construct a detailed hospital environment, including a main hospital building, an ambulance, and a helicopter. Designed to foster creativity, imagination, and logical thinking, this set offers multiple building possibilities for extended play.

2. Safety Information

- **Choking Hazard:** This kit contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all users, especially younger children.
- **Recommended Age:** This product is recommended for ages 6 to 83 years.
- **Material:** All blocks are made from high-quality, non-toxic ABS plastic.
- Keep all packaging materials away from children to prevent suffocation.

3. Package Contents

Your HOGOKIDS 3-in-1 Hospital Building Block Kit includes:

- 638 building block pieces
- 1 detailed instruction manual for assembly

Please verify all components upon opening the package. If any parts are missing or damaged, refer to the Troubleshooting section for assistance.

4. Setup and Assembly

This kit offers three distinct building modes for the hospital structure, along with an ambulance and a helicopter.

Follow the step-by-step instructions provided in the included manual for detailed assembly.

1. **Preparation:** Unpack all pieces and sort them by color or shape to facilitate assembly.
2. **Follow the Manual:** Refer to the dedicated instruction manual for precise, illustrated steps for each building mode. Each mode provides a unique hospital layout.
3. **Vehicle Assembly:** The ambulance and helicopter are assembled separately and can be integrated into play with any of the hospital configurations.

5. Operating and Play

Once assembled, the HOGOKIDS Hospital Building Block Kit provides a rich environment for imaginative play. Children can engage in various scenarios:

- **Role-Playing:** Use the included figures to simulate hospital staff (doctors, nurses) and patients, creating diverse medical scenarios.
- **Emergency Response:** Deploy the ambulance and helicopter for emergency calls, transporting patients to the hospital. The helicopter features a removable liferaft for rescue operations.
- **Exploration:** Discover the different rooms and features within the hospital, such as the reception area, patient rooms, and specialized equipment like the CT scanner.
- **Reconfiguration:** Easily disassemble and rebuild the hospital into one of the other two modes to refresh play scenarios and encourage new ideas.

6. Maintenance and Care

To ensure the longevity and cleanliness of your HOGOKIDS building block set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air-drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place, away from direct sunlight and extreme temperatures. The original packaging or a dedicated storage container is ideal to prevent loss of pieces.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken pieces to prevent injury.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing from your kit, please contact HOGOKIDS customer support

with your product model number (FC3328) and a description of the missing parts.

- **Difficulty Assembling:** Double-check the instruction manual carefully. Ensure you are using the correct pieces for each step. Sometimes, a small error can lead to larger issues later in the build.
- **Damaged Parts:** If any blocks are damaged upon arrival or during normal use, please contact customer support for assistance.

8. Specifications

Feature	Detail
Model Number	FC3328
Brand	HOGOKIDS
Material	ABS Plastic
Number of Pieces	638
Product Dimensions (L x W x H)	25.4 x 25.4 x 25.4 cm (10 x 10 x 10 inches)
Product Weight	940 grams
Recommended Age	6 - 83 years
Building Modes	3-in-1 Hospital configurations

Image: Detailed dimensions for each of the three hospital building modes and the accompanying vehicles.

9. Warranty and Support

HOGOKIDS products are manufactured to high-quality standards. This product comes with a standard manufacturer's warranty against defects in materials and workmanship. Please retain your proof of purchase for warranty claims.

For any questions, concerns, or support needs regarding your HOGOKIDS 3-in-1 Hospital Building Block Kit, please contact our customer service team. Refer to the contact information provided on the product packaging or the official HOGOKIDS website for the most up-to-date support channels.

When contacting support, please have your product model number (FC3328) and a detailed description of your issue ready.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question
