### 6.1 Cleaning the Upholstery

- The upholstery features a zipper design, allowing it to be removed for cleaning.
- Follow the care instructions on the fabric label for specific washing recommendations. Generally, machine wash cold on a gentle cycle with mild detergent.
- Do not bleach. Tumble dry low or air dry.
- For minor spills, spot clean with a damp cloth and mild soap. Blot dry thoroughly.

### 6.2 General Care

- Regularly vacuum the sofa bed to remove dust and debris.

- Avoid direct sunlight exposure for prolonged periods to prevent fading.
- Rotate cushions periodically to ensure even wear.

## 7. TROUBLESHOOTING

If you encounter any issues with your Mjkone Folding Sofa Bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Sofa/Mattress feels too firm or not fully expanded.	Foam is still decompressing from packaging.	Allow 24-72 hours for the foam to fully expand after unpacking. Gentle use can help accelerate this process.
Difficulty converting between sofa and bed modes.	Obstruction or improper alignment.	Ensure no objects are blocking the folding mechanism. Apply even pressure when folding/unfolding. Refer to Section 5.
Upholstery appears wrinkled or creased.	Result of packaging or storage.	Wrinkles should naturally smooth out with use. Light steaming or gentle ironing on a low setting (check fabric label) can help.
