Bestier 59" Executive Desk User Manual

Model: H104515M-GRW | Brand: Bestier

1. INTRODUCTION

Thank you for choosing the Bestier 59" Executive Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new desk. Please read this manual thoroughly before beginning assembly and keep it for future reference.

2. SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- Always follow the assembly instructions carefully.
- We recommend two people for smoother assembly to prevent injury and ensure proper alignment.
- Be cautious when handling heavy parts to avoid injury.
- Ensure the desk is properly assembled and stable before placing items on it or using it.
- Keep the workspace clear of obstacles during assembly.
- Do not exceed the maximum weight capacities: 200 lbs on the desktop, 20 lbs in the storage drawer, and 40 lbs in the file drawer.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the parts list provided in your separate assembly guide. All necessary assembly tools are included.

The package should contain:

- Desktop sections (3 pieces)
- Pedestal components (2 sets)
- Drawer components (2 sets, including file drawer)
- Storage cabinet components (1 set)
- Keyboard tray and rails
- Hardware pack (screws, dowels, cam locks, etc.)
- Assembly instructions manual

4. ASSEMBLY INSTRUCTIONS

The Bestier 59" Executive Desk is designed for straightforward assembly. We recommend two people for the assembly process to ensure stability and ease of handling larger components. A power tool like a drill can speed up screw tightening, but a screwdriver is also sufficient and included.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels and the provided parts list.
2. **Assemble Pedestals:** Begin by assembling the two pedestals according to the step-by-step diagrams in the separate assembly guide. Ensure all connections are secure.
3. **Install Drawers and Cabinet:** Assemble the storage drawer, file drawer, and storage cabinet. Pay close attention to the orientation of drawer slides and hinges. The file drawer is designed to accommodate letter, A4, and legal-size hanging file folders.
4. **Attach Desktop:** Carefully align and attach the three desktop sections to the assembled pedestals. Note that the desktop is composed of three separate pieces, which may result in non-aligned wood grain. This design minimizes transit damage and simplifies handling.
5. **Install Keyboard Tray:** Mount the flexible keyboard tray beneath the central desktop section. Ensure it slides smoothly.
6. **Cable Management:** Utilize the two integrated cable management holes to organize your wires and maintain a tidy workspace.
7. **Final Check:** Once assembled, gently shake the desk to ensure it is stable. Tighten any loose screws if necessary.

For detailed visual steps, please refer to the dedicated assembly manual included in your package.

5. FEATURES AND FUNCTIONS

The Bestier Executive Desk is designed with functionality and organization in mind:

- **Spacious Workspace:** A generous desktop size of 59" x 22" provides ample room for your computer, documents, and other office essentials, facilitating efficient multitasking.
- **Versatile Storage:**
 - 2 open storage compartments for easy access to frequently used items.
 - 1 storage drawer for smaller items.
 - 1 file drawer for letter/A4/legal-size hanging file folders.
 - 1 dust-free storage cabinet for larger items or items you wish to keep out of sight.

- **Flexible Keyboard Tray:** A dedicated pull-out keyboard tray allows for comfortable typing and frees up desktop space.
- **Cable Management Holes:** Two strategically placed holes help keep your cables organized and prevent tangles.
- **Robust Construction:** Supported by two sturdy pedestals, the desk can hold significant weight, ensuring durability for daily use.

Image 5.3: Smart storage solutions, illustrating the file drawer's compatibility with Letter, Legal, and A4 size documents.

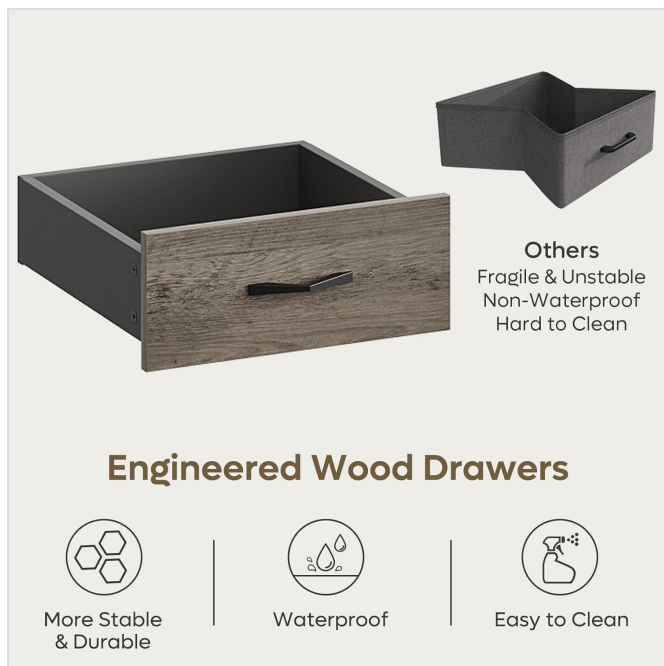

Image 5.4: Engineered wood drawers, emphasizing their stability, waterproof properties, and ease of cleaning.

6. MAINTENANCE AND CARE

To maintain the appearance and longevity of your Bestier Executive Desk, follow these care instructions:

- **Cleaning:** Wipe the desk surfaces with a damp cloth for general cleaning. For a thorough clean, use a dry cloth after wiping with a damp cloth to remove any moisture. Avoid harsh chemicals or abrasive cleaners, which can damage the laminated finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters for drinks to protect against moisture rings.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration over time.
- **Moving the Desk:** When moving the desk, always lift it rather than dragging it to prevent damage to the legs and

frame.

7. TROUBLESHOOTING

If you encounter any issues with your Bestier Executive Desk, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Desk is wobbly/unstable.	Loose screws or uneven assembly.	Check all screws and connections, tightening them as needed. Ensure the desk is on a flat, level surface.
Drawers do not slide smoothly.	Misaligned drawer rails or obstructions.	Verify that the drawer rails are correctly installed and aligned. Check for any debris or objects obstructing the slides.
Keyboard tray is stiff or stuck.	Rails are not properly lubricated or misaligned.	Apply a small amount of silicone lubricant to the keyboard tray rails. Check for proper alignment and ensure no screws are overtightened, causing binding.
Desktop seams are visible.	This is a design feature for shipping protection.	This is normal. The 3-piece desktop design is intentional to minimize damage during transit. A wood-colored marker can be used to disguise seams if desired.

If the problem persists after attempting these solutions, please contact Bestier customer support for further assistance.

8. SPECIFICATIONS

Attribute	Detail
Brand	Bestier
Model Number	H104515M-GRW
Product Dimensions (D x W x H)	22"D x 59"W x 30"H
Color	Grey
Base Material	Engineered Wood
Finish Type	Laminated
Item Weight	90 Pounds
Maximum Desktop Weight Capacity	200 Pounds
Number of Drawers	2 (1 storage, 1 file)
Number of Cabinets	1
Number of Open Shelves	2
Required Assembly	Yes (2 people recommended)
