VECELO 2-Tier Monitor Stand (Model: B0D1XZ2WW1) Instruction Manual

Enhance your workspace with improved ergonomics and organization.

1. INTRODUCTION

Thank you for choosing the VECELO 2-Tier Monitor Stand. This product is designed to elevate your monitor to an ergonomic viewing height, reduce neck and eye strain, and optimize your desk space. Made from high-quality MDF, it offers a sturdy and stylish solution for a more organized and comfortable work environment. Please read this manual carefully before assembly and use to ensure proper setup and longevity of your product.

2. PRODUCT FEATURES

- **Ergonomic Design:** Elevates your monitor to an optimal viewing height, approximately 13cm, promoting better posture and reducing strain on your neck and eyes. This helps prevent slouching during long working hours.
- **Space Optimization:** The two-tier design provides convenient storage space underneath for your keyboard, mouse, laptop, and other office supplies, helping to declutter your desktop and create a cleaner workspace.
- **Enhanced Heat Dissipation:** By raising your monitor, the stand improves air circulation around your computer, which can help lower operating temperatures and extend the lifespan of your devices.
- **Durable Construction:** Crafted from high-quality MDF (Medium-Density Fiberboard), ensuring stability and durability. The stand can support up to 18kg.
- **Easy Maintenance:** The surface is resistant to wear and dirt, making it simple to clean with a damp cloth.
- **Versatile Use:** Suitable for various devices including desktop monitors, laptops, and printers, making it a flexible addition to any home or office setup.

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your VECELO 2-Tier Monitor Stand. Assembly is simple and requires minimal tools.

1. **Prepare Components:** Lay out all panels and hardware on a clean, flat surface. Identify the top panel, side panels, middle shelf, and bottom panel.
2. **Attach Side Panels to Middle Shelf:** Use the provided screws and screwdriver to attach the two side panels to the middle shelf. Ensure the pre-drilled holes align correctly.
3. **Attach Top Panel:** Secure the top panel to the assembled side panels and middle shelf using the appropriate screws.
4. **Attach Bottom Panel:** Fasten the bottom panel to the side panels, creating the lower storage compartment.
5. **Install Rubber Feet:** Peel and stick the soft rubber feet to the bottom corners of the stand. These feet provide stability and protect your desk surface.

6. CARE AND MAINTENANCE

To maintain the appearance and longevity of your VECELO Monitor Stand, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage.
- **Placement:** Avoid placing the stand in direct sunlight or near heat sources, which can cause discoloration or warping.
- **Weight Limit:** Do not exceed the maximum load capacity of 18kg to prevent damage to the stand or your devices.
